SUBJECT: Resolution to Hold a Public Hearing for a Street Lighting Benefit Assessment for Fiscal Year 2026/27

RECOMMENDATION:

- A. Adopt Resolution No. 26-__ entitled “A Resolution of the City of Goleta, California, Declaring its Intention to Levy and Collect Assessments within the Goleta Street Lighting Assessment District for Fiscal Year 2026/27, and Appointing a Time and Place for a Public Hearing in Relation Thereto.”
- B. Authorize the City Manager to execute Amendment No. 1 to the Contract for the Collection of Special Taxes, Assessments and Other Charges with the County of Santa Barbara, subject to final approval as to form by the City Attorney.

BACKGROUND:

The County of Santa Barbara (County) established County Service Area No. 3 (CSA 3) in 1962 to install, operate, and maintain streetlights in areas throughout the Goleta Valley.

In 1991, the County Board of Supervisors adopted a resolution to establish an assessment specific to street lighting in CSA 3, which included a charge of \$24 and a specific benefit factor for each parcel based on its land use type. According to the resolution, each parcel was assigned a “benefit factor” based on use. The benefit factor is multiplied by a \$24 base fee to arrive at the per-parcel fee. The benefit factors are shown below in Table 1 as follows (continued on next page):

Table 1: Benefit Factors

Description	Factor
Vacant Farmland	0.5
Residential (single and condos)	1.0
Residential (duplex, triplex)	3.0
Apartments (courts)	6.0
Heavy Commercial	9.0
Light Commercial	3.0
Industrial	6.0
Churches, miscellaneous, other	2.0
Government exempt	0.0

At some point after 1991, the County temporarily used a lower charge of \$8 to calculate assessments within CSA 3 due to the discovery that collection of the \$24 charge had exceeded the actual cost of street lighting during that time.

Upon incorporation in 2002, the City of Goleta became the successor to the County for the part of CSA 3 within the City limits. On July 22, 2002, the City Council confirmed the existing assessments and established the Fiscal Year (FY) 2002/03 Street Lighting Benefit Assessments. FY 2002/03 was the first full year that the City of Goleta operated and maintained the streetlights for the portion of the CSA assessment district located within the City.

In 2012, the County restored the assessment to the previously authorized level at the \$24 charge because street lighting costs had increased. In FY 2013/14, the City evaluated its street lighting program and General Fund contribution of approximately \$165,000. Starting in FY 2013/14, the City replaced the \$8 charge with the \$24 charge that was previously approved in 1991 to help reduce the General Fund impact.

In 2020, the City acquired 1,317 streetlights from Southern California Edison (SCE) as part of the LED Street Lighting Project. At the time, the City already owned 147 streetlights. Installation of approximately 1,400 LED light fixtures was completed in October 2021. With the acquisition, the City now owns a total of 1,464 streetlights and is responsible for the ongoing maintenance of the streetlight system.

No Consumer Price Index (CPI) adjustment factor or other escalator is provided in the Street Lighting Assessment; therefore, the amount levied each year does not automatically change with fluctuations in cost indices. The City's streetlight costs (energy and maintenance) are funded through a combination of the benefit assessment and the General Fund.

DISCUSSION:

The action before Council is two-fold: 1) to confirm the street lighting assessment rates for the purpose of tax collection by the County of Santa Barbara (There is no change in the rates. The annual confirmation of this assessment is required to place the assessment

on the tax rolls.), and 2) to set by resolution a public hearing to establish the street lighting assessment rates for Fiscal Year 2026/27 (Attachment 1).

The Engineer’s Report contains a description of services funded by the street lighting assessment proceeds, including a listing of the parcels receiving the service and the amount of the charge for each parcel for FY 2026/27, based upon the County’s preliminary assessment rolls. It also includes a fiscal summary of the current and past fiscal year’s revenue and expenditure data related to the Street Lighting Program. The Engineer’s Report determines that the amount of the assessment does not exceed the benefit conveyed on the property. Due to the inability to receive timely tax roll data from the County in time for this meeting, a draft Engineer’s Report with the preliminary assessment roll is included in Attachment 3. A final version will be filed with the City Clerk once the County remits data and upon approval at the July 21, 2026, City Council meeting.

The proposed street lighting assessments for FY 2026/27 are listed by land use type in Table 2 below including the prior year data. The assessments are charged per parcel based on the land use type benefit factor. For example, a parcel with an apartment land use designation would have a benefit factor of 6.0, which, when multiplied by the assessment amount, would receive an assessment charge of \$144 which is broken down to the following $6.0 \times \$24 = \144 . Once assessments are received, they will be deposited into the Street Lighting Fund.

The Resolution proposed for adoption (Attachment 1) will formally set the public hearing date for July 21, 2026, during which time protests to the question of approving and

confirming the levy of the proposed assessment will be heard. The Notice of Public Hearing is included as Attachment 2.

Update to Contract for Collection of Special Taxes, Assessments and Other Charges with County of Santa Barbara

There are two primary agreements associated with the County of Santa Barbara's collection of City special taxes, assessments, and other direct charges on the property tax roll. These agreements are the following:

- 1) Contract for Collection of Special Taxes, Assessments, and Other Charges with the County of Santa Barbara
 - This agreement establishes the County's administrative fee charged on a per assessor's parcel number basis. The current fee was last established in 2007 at \$1.00 per parcel, as reflected in Attachment 6, Agreement 2008-057.
- 2) Agreement to Place Direct Charges
 - This is an annual agreement required by the County to place the City's direct charges on the property tax roll. The draft FY 2026/27 agreement is included as Attachment 4 for reference and will be updated in final form once final tax roll data is received. The final agreement is expected to be presented to the City Council for consideration at the July 21, 2026 public hearing.

As in past years, the County requests that the City enter into an annual agreement for the collection of assessments and place direct charges. One agreement to place direct charges is used for both the direct charges of the Special Library Tax and Street Lighting Assessment. However, at this meeting, staff is recommending that the City Council approve an amendment to the existing contract between the City and County to reflect updated County administrative charges, as shown in Attachment 5 and summarized below.

Fees for the County's collection of special taxes, assessments, and other direct charges have historically been \$1.00 per parcel. On April 7, 2026, the County of Santa Barbara adopted Resolution 26-86, approving an amendment to the agreement that includes the following changes:

- 1) Increasing the County collection fee of \$1.00 to \$2.00 per parcel to help recover the County's cost of processing direct charges on the property tax roll. This fee is assessed in addition to the applicable special tax, assessment, or direct charge.
- 2) Establishing a \$25.00 correction charge for corrections made after the direct charges have been added to the property tax bills. The amendment provides that the County may recover the correction charge from the City or by another method permitted by law or agreement between the City and County.

FISCAL IMPACTS:

FY 2026/27 Financial Overview

The benefit assessment revenues for the Street Lighting Assessment are projected to be relatively the same for FY 2026/27 as those received in FY 2025/26 based on the number of parcels and their classifications. The City anticipates \$311,232 in revenue per this report based on the preliminary property tax roll. Once final figures are established at the July 21, 2026, Council meeting, staff may present budget recommendations in the First Quarter Financial Review for any necessary adjustments.

The recommended FY 2026/27 budget includes total operating and administrative costs of approximately \$665,200 for the Street Lighting Division. Of this total, the Street Light Assessment is programmed at \$615,500 for expenditures related to utility costs and contracted maintenance. The General Fund will provide the remaining \$49,700 to support costs directly related to City personnel involved with the program. The Street Lighting Fund (Fund 502) beginning fund balance is projected at \$353,361.89, with \$304,200 of this amount used one-time to support the program budget in FY 2026/27. This will leave an estimated ending fund balance of \$49,161.89. It should be noted that in the event of unplanned emergency repairs or pole replacements exceeding the Street Light Funds' fund balance, and if no other revenue sources or reimbursement funds are available, the City may need to utilize the General Fund to support those costs.

FY 2027/28 and Beyond

Since acquiring the streetlights, ongoing operational and administrative costs have been continuously evaluated. Based on the current budget and estimates, ongoing expenditures are outpacing revenues because assessment rates are not subject to any type of CPI or cost inflation adjustments. Cost increases are due to continued rate hikes set by SCE and rising costs associated with the ongoing maintenance of the streetlight system, including foundations, poles, mast arms, fixtures, overhead wiring, and associated tree-trimming services. Other maintenance tasks include tracking and responding to streetlight outage requests, shielding requests, and emergency pole knockdowns and/or electrical wiring issues.

Staff currently projects that maintaining the streetlighting system will cost approximately \$400,000 to \$600,000 more than what the Street Light Assessment rates generate. The primary cost driver is the ongoing tree maintenance surrounding the streetlights and pole replacements. Without a CPI or inflationary adjustment to the rates, the Street Lighting Fund will face significant challenges and will require additional ongoing General Fund contributions to sustain the program in the long run.

On October 7, 2025, the City awarded a professional services agreement to Raftelis to assist staff with evaluating assessment rates, benefit factors, and cost estimates. This effort is being led by the Public Works Department, with support from the Finance Department and the City Manager's Office. The results of this work will be presented to the City Council for discussion and direction at a later date.

INTRODUCTION

The Street Lighting Benefit Assessment was created by the County to provide better levels of service for the on-going operation, maintenance, and servicing of street lighting. The City Council assumed responsibility of the Street Lighting Benefit Assessment District from the County of Santa Barbara on Feb. 1, 2002. The Street Lighting Benefit Assessment District ensures a fair and equitable levying of the necessary costs of operating, servicing and maintaining of the facilities, which in turn directly enhances the value of each and every parcel in the City. The City's street light costs (energy and maintenance) are funded through the benefit assessments.

Fiscal Year 2002/03 was the first full year that the City of Goleta operated and maintained the street lights within the City. Prior to the incorporation of the City of Goleta, the County of Santa Barbara established County Service Area No. 3 (CSA 3) in 1962 to install, operate and maintain street lights in areas throughout the County. Upon incorporation, the City of Goleta became successor to the County for the part of CSA 3 within the City limits. Thereafter, on July 22, 2002, the City Council established the FY 2002/03 Street Lighting Benefit Assessments by confirming the existing assessments.

ANNUAL PROCEEDINGS

The annual proceedings for the Street Lighting Benefit Assessment District are conducted in accordance with provisions of the Government Code.

Proposition 218 (Prop. 218) "The Right to Vote on Taxes Act", approved by the voters of the State of California in 1996, limits the authority of local governments to impose taxes and property-related assessments, fees and charges without a vote of the citizens that will be taxed. Any proposed increase to the Street Lighting Benefit Assessment would require a vote in accordance with Prop. 218.

DESCRIPTION OF THE ASSESSMENT BOUNDARIES

The boundaries of the District are coterminous with the boundaries of the City of Goleta. A diagram showing the exterior boundaries of the District and the lines and dimensions of each lot or parcel of land within the District is on file in the Office of the City Clerk and incorporated herein by reference.

The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Assessor of the County of Santa Barbara for the fiscal year to which this report applies. The Assessor's maps and records are incorporated by reference herein and made part of this report.

DESCRIPTION OF SERVICES AND ESTIMATE OF COSTS

DESCRIPTION OF SERVICES

Property values in a community are individually increased when public infrastructure such as street lights are in place, improved, operable, safe, clean and maintained. The proper functioning of street lighting is imperative for the welfare and safety of the public and property throughout the City. Proper maintenance and servicing of the street lighting system benefits properties within the District by providing proper illumination for ingress and egress and safe traveling at night. Proper operation of the street light system is imperative to public convenience and safety. Improved security, protection of property from crime and vandalism, and reduction of traffic accidents are special and direct benefits to all properties within the City; lighting benefits are directly related to public safety and property protection and therefore increase property values.

The District will fund costs in connection with the District maintenance and servicing including, but not limited to, personnel, electrical energy, materials, contracting services, and other expenses necessary for the satisfactory operation of these facilities. The improvements are described as follows:

Lighting and Appurtenant Facilities

Facilities include but are not limited to: Poles, fixtures, bulbs, conduits, conductors, equipment including guys, anchors, posts and pedestals, metering devices and appurtenant facilities as required to provide lighting in public street and sidewalk rights-of-way and dedicated easements within the boundaries of said Assessment District.

ESTIMATE OF COSTS

The adopted Fiscal Year 2026/27 budget includes \$665,200 for the Street Lighting Program. Total street lighting funding to be received and used by the City is as follows:

FUNDING SOURCE	AMOUNT
Street Lighting Assessment	\$311,300
Street Lighting Fund – Fund Balance	\$304,200
General Fund	\$49,700
Total	\$665,200

DESCRIPTION OF THE ASSESSMENT

GENERAL

The Government Code permits certain parcels to be exempt from assessment. Excepted from these assessments are areas of all publicly owned property such as: public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, all public easements and rights-of-way, all public parks, green belts and parkways, and all public property being used for public purposes, as well as utility owned property.

All parcels in the City of Goleta derive special benefit from the street lighting system. Special benefits that are received by all parcels in the City are considered Citywide Benefits, and the associated costs of these benefits are spread equally, based on land use, to all assessable parcels within the District. The assessment does not exceed the value of the benefit received by the assessable parcels.

ASSESSMENT SUMMARY

The following information was obtained from the Santa Barbara County Assessor's Roll and the City of Goleta. The table below shows the proposed assessment rates for FY 2026/27 for each land use, the number of parcels per land use, and the total revenue generated for each land use.

ATTACHMENT 6

Agreement 2008-057 with County of Santa Barbara

CONTRACT FOR COLLECTION OF
SPECIAL ASSESSMENTS

THIS CONTRACT is entered into this sixth day of August, 2007, by and between the COUNTY OF SANTA BARBARA, (hereinafter referred to as "COUNTY"), and CITY OF GOLETA, a public agency, located in the County of Santa Barbara, State of California (hereinafter referred to as "PUBLIC AGENCY").

WHEREAS, California Government Code Sections 29304 and 51800 provide for the COUNTY to collect special assessments on the COUNTY tax rolls for cities and/or districts located in the County of Santa Barbara; and

WHEREAS, PUBLIC AGENCY is such a city or district; and

WHEREAS, Proposition 218 passed in 1996 added Articles XIII C and XIII D to the California Constitution introducing new requirements and constraints on local governments' ability to impose taxes, property-related fees and charges, and assessments for the financing of public facilities and services; and

WHEREAS, due to the desire to keep the tax administration as efficient and cost effective as possible it is in the public interest that COUNTY collect on the COUNTY tax rolls the special assessments for PUBLIC AGENCY; and

WHEREAS, PUBLIC AGENCY may determine that it is in the public interest to utilize the assistance of a third-party consultant/contractor at the sole cost of the PUBLIC AGENCY to prepare and submit special assessments to the COUNTY on PUBLIC AGENCY's behalf;

NOW, THEREFORE, in consideration of the foregoing, COUNTY and PUBLIC AGENCY hereby agree as follows:

1. That the recitals set forth hereinabove are true and correct.
2. Provided that PUBLIC AGENCY first notifies COUNTY on or before the 10th day of August of the fiscal year for which PUBLIC AGENCY desires that COUNTY collect PUBLIC AGENCY's special assessments on the COUNTY tax rolls of the Assessor's parcel numbers, and that the amount of each special assessment be so collected, COUNTY shall so collect such listed special assessments for PUBLIC AGENCY.

3. PUBLIC AGENCY agrees to comply with applicable law authorizing such special assessments and with the provisions of Proposition 218. In doing such, PUBLIC AGENCY agrees to annually provide a copy of the PUBLIC AGENCY Board's certified Resolution or Ordinance authorizing the fixed charges to be collected on the secured tax bill. Such resolution will reference the underlying code or legal parameters allowing the special assessment levy, the underlying code or legal parameters to place the special assessment on the tax bill, and the "order" to the Auditor-Controller to place the special assessment on the tax bill for the current tax year. PUBLIC AGENCY will also certify that the special assessments comply with applicable law and the requirements of Proposition 218. PUBLIC AGENCY further agrees to provide any other documentation, such as a certified ballot measure, supporting the authority to levy the special assessment as requested by COUNTY and that without this documentation it is the Auditor-Controller's discretion whether to place the special assessment on the secured tax roll.
4. PUBLIC AGENCY agrees to release and forever discharge the COUNTY and its officers, agents and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the PUBLIC AGENCY's responsibility for special assessments. PUBLIC AGENCY further agrees to defend, indemnifies and saves harmless the COUNTY and its officers, agents and employees ("indemnified parties") from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of any of the PUBLIC AGENCY's responsibility for special assessments. If any judgment is entered against any indemnified party as a result of action taken to implement this agreement by the COUNTY for the benefit of the PUBLIC AGENCY, the Auditor-Controller may offset the amount of any judgment paid by COUNTY or by any indemnified party from any monies collected by COUNTY on the PUBLIC AGENCY's behalf, including property taxes, special taxes, fees, or assessments. The COUNTY may, but is not required to, notify the PUBLIC AGENCY of its intent to implement any offset.
5. In order to promote and maintain efficient property tax administration PUBLIC AGENCY agrees:
 - a) To respond to taxpayers' inquiries in a timely manner and not refer taxpayers to COUNTY regarding the removal or correction of special assessments.
 - b) To follow all administrative procedures as established by the COUNTY, including, submitting all documents and data in the required formats to COUNTY by established deadlines, and providing all requests for removal or correction of special assessments in writing.
 - c) PUBLIC AGENCY is responsible for the validity and accuracy of the amount of the special assessment as well as the assessor parcel number to which it is being charged regardless if

such data is submitted by the PUBLIC AGENCY itself or by a third-party consultant/contractor on its behalf.

- d) That administrative citations and fines and other charges of this nature will not be placed on the secured roll.
 - e) That special assessments will not be permitted to be placed on the secured tax bills of government owned parcels and other parcels without sufficient assessed values. If such special assessments are discovered by COUNTY to be levied by PUBLIC AGENCY, PUBLIC AGENCY gives the Auditor-Controller the authority to remove the special assessment and relieve COUNTY from any further responsibility of collection making PUBLIC AGENCY solely responsible for its collection. Should this situation occur the Auditor-Controller will promptly notify the PUBLIC AGENCY.
 - f) That PUBLIC AGENCY gives the Auditor-Controller the authority to process and handle at his/her discretion special situations and unusual items not addressed elsewhere in this Contract. Such actions may include removal of the special assessment from the tax bill and relieving COUNTY from any further responsibility of collection making PUBLIC AGENCY solely responsible for its collection. Should this situation occur the Auditor-Controller will promptly notify the PUBLIC AGENCY.
6. In order to promote and maintain efficient property tax administration COUNTY agrees:
- a) To timely address questions and issues brought forward by PUBLIC AGENCY.
 - b) To timely process all changes, removal and corrections to special assessments provided such requests are received in writing within stipulated timeframes and follow established procedures.
 - c) To apportion and distribute collected special assessments at the same time as other secured taxes. Apportionment of uncollected special assessments will be governed by PUBLIC AGENCY's participation in the Alternative Tax Distribution Method (TEETER Plan).
 - d) To notify PUBLIC AGENCY of any special situations or unusual items as they arise and to work with PUBLIC AGENCY for timely resolution.
7. If the PUBLIC AGENCY special assessment requires judicial foreclosure, the PUBLIC AGENCY must notify the Auditor and the Tax Collector of any publicly recorded "Notice of Intent to Remove Delinquent Special Tax Installment from the Tax Roll" notice per Government Code Section 53356.2 and Streets and Highways Code Section 8833. Upon receiving a copy of the recorded notice from the PUBLIC AGENCY, the Auditor-Controller will remove the identified delinquent/defaulted direct charges from the delinquent/defaulted secured tax bill. By this process, the PUBLIC AGENCY will relieve the COUNTY of any further responsibility for the collection of these delinquent direct charges.

8. PUBLIC AGENCY and COUNTY hereby agree that COUNTY may charge up to One Dollar (\$1.00) per Assessor's parcel number for each parcel for which such a special assessment is to be collected on the COUNTY tax rolls by COUNTY for PUBLIC AGENCY, all pursuant to said Government Code Sections 29304 and 51800, and that COUNTY may collect such charge by adding it to the special assessment on the COUNTY tax rolls to be collected for each parcel.
9. PUBLIC AGENCY shall not assign or transfer this Contract or any interest without the written consent of COUNTY, and any such assignment or transfer or attempted assignment or attempted transfer of this Contract or any interest herein by PUBLIC AGENCY shall immediately and automatically terminate this Contract and this Contract shall thereupon be of no further legal force or effect; and, subject to the above provisions of this paragraph, this Contract shall be binding upon the assigns, transferees, successors and trustees of the parties hereto.
10. All existing agreements between the COUNTY and PUBLIC AGENCY pertaining to the collection of special assessments shall be terminated upon the execution of this Contract. Either party hereto may terminate this Contract at any time for any reason whatsoever by giving the other party at least ninety (90) days' written notice thereof.

IN WITNESS WHEREOF, COUNTY and PUBLIC AGENCY have executed this Contract effective on the day and year first hereinabove set forth.
