

**TO:** Mayor and Councilmembers

**FROM:** Robert Nisbet, City Manager

**CONTACT:** Ryan Kintz, Assistant to the City Manager  
Shannon Kirn, Management Analyst

**SUBJECT:** Legislative Advocacy

**RECOMMENDATION:**

Discuss and provide feedback to staff on the City's legislative advocacy priorities for the 2023 calendar year to discuss with the City's state legislative delegation at the 2023 City Leaders Summit.

**BACKGROUND:**

The City Council adopted the 2023 Legislative Platform on December 6, 2022 (Attachment 1). The 2023 Legislative Platform serves as a declaration of the City's position on the current policy issues it faces and provides a mechanism whereby its interests can be protected at the state and federal levels. The City's Legislative Platform also conveys to legislators, policymakers, the public and the media where the City Council stands on important policy issues. Similar to a strategic plan, a legislative platform also provides a way for staff and the City Council to be united in efforts and better coordinate execution of Council's policies.

The Platform also allows the City to quickly weigh in on important issues in the upcoming legislative session because of the changing political landscape and issues facing local governments that directly impact the City. For example, letters of support or opposition may be sent by the Mayor or staff without the need to convene the City Council for approval. However, letters of support or opposition are not the only way the City can conduct legislative advocacy. Typically, the City's state legislators provide an annual opportunity for the City's leadership to meet with them to discuss the City's legislative priorities. These meetings are scheduled to occur in April at the League of California Cities City Leaders Summit.

**DISCUSSION:**

The League of California Cities is hosting the City Leaders Summit from April 12-14, 2023,

at the SAFE Credit Union Convention Center in Sacramento. The City Leaders Summit is a unique advocacy and education event that allows city officials to influence state policy decisions and gain top-notch leadership skills. During the event, city leaders will spend a full day meeting with legislators to discuss the most pertinent issues affecting their cities and then attend two days of in-depth educational sessions to explore local solutions to statewide problems. Mayor Paula Perotte, Councilmember James Kyriaco, and Councilmember Stuart Kasdin will be attending this year's City Leaders Summit. Staff and consultant (Shaw Yoder Antwih Schmelzer & Lange) have scheduled meetings with state legislators including Senator Monique Limón, Senator Josh Becker and Assemblymember Gregg Hart for Councilmembers and staff while they are in Sacramento attending the City Leaders Summit. This year, with the state budget forecast and trends, there may not be an opportunity for member-requested one-time directed expenditures, however, if there are any opportunities to submit a request, it is recommended that the City has identified the top priorities to be ready to submit.

In preparation for the City Leaders Summit and the scheduled meetings with the City's state legislators, staff is recommending Council discuss the City's current legislative priorities and provide feedback to staff on the top priorities that receive a concurrence from City Council. This information will be used to establish an agreed upon focus when advocating with the City's state legislative delegation.

**FISCAL IMPACTS:**

There are no fiscal impacts related to this item.

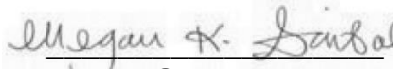

**ALTERNATIVES:**

The City Council could choose not to provide feedback to staff on outlining our legislative priorities for 2023; however, this would hinder staff's ability to prepare and plan for the scheduled meetings with the City's state legislative delegation.
