To the Council:

I am a frequent walker around the Los Carneros Lake. Several years ago we were able to make the complete circle around the lake and over the bridge back to the parking lot. My opinion is that the most important renovation the park needs is a rebuild of the bridge. Thankfully the park is a calm and quite beautiful natural space where those of us who use it feel refreshed in spirit and body by our time there.

Respectfully,

Marianne Caston

Goleta resident
