**BACKGROUND:**

On December 19, 2023, the City Council awarded the construction contract for Project Connect, approved budget appropriations from various funds, and directed staff to

prepare a financing reimbursement resolution and pursue tax-exempt financing as a contingency.

On April 2, 2024, during a workshop on the Capital Improvement Program (CIP), staff presented updates on the CIP project sheets, funding estimates, and budget appropriations for FY2024/25. Funding strategies for active priority capital improvement projects with identified unfunded amounts were also discussed, focusing on Annual Work Program projects, must-do projects with grant deadlines, and emergency projects. Two main priority projects for potential tax-exempt financing were identified: the Cathedral Oaks Crib Wall Repair Project (Project No. 9053) and the San Jose Creek Bike Path—Northern and Southern Segments (CIP Project No. 9006). In addition, it was discussed that staff would bring back a reimbursement resolution for financial flexibility as part of the overall strategy. Staff was directed to continue working with its municipal financial advisor, Urban Futures, Inc. (“UFI”), to put together the financing team, evaluate financing, and consider issuing tax-exempt obligations.

On April 12, 2024, UFI distributed Requests for Proposals (“RFPs”) to bond/disclosure counsel firms and underwriter firms. The City received three responses to the underwriter RFP and four responses to the bond/disclosure counsel RFP. Based on experience and qualifications, Stradling Yocca Carlson & Rauth LLP (“SYCR”) and Orrick, Herrington & Sutcliffe LLP (“Orrick”) were selected as bond and disclosure counsels, and Stifel, Nicolaus & Company (“Stifel”) was selected as the underwriter.

On June 18, 2024, the City Council held a public hearing on the adoption of the FY 2024/25 Budget. During this public hearing, staff presented a summary of major updates to the CIP since the CIP Budget Workshop. This update included revised project cost estimates based on recent bids and discussed that the reimbursement resolution would include the Goleta Train Depot and South La Patera Improvements (CIP Project No. 9079) as a contingency.

On July 16, 2024, the City Council adopted Resolution No. 24-49, declaring its intention to reimburse certain expenditures from the proceeds of tax-exempt obligations. The Resolution, which did not authorize or otherwise bind the City into issuing obligations, stipulates a reasonably expected maximum principal amount of tax-exempt obligations of \$37 million to primarily finance the Cathedral Oaks Crib Wall Repair Project and the San Jose Creek Bike Path—Northern and Southern Segments among other projects named therein for accelerated delivery and for additional flexibility, included Ekwil Street and Fowler Road Extensions (CIP Project No. 9002), Hollister Avenue Old Town Interim Striping Project (CIP Project No. 9114—now a part of Ekwil Street and Fowler Road Extensions), Hollister Avenue Bridge Replacement (CIP Project No. 9033), and Goleta Train Depot and South La Patera Improvements (CIP Project No. 9079). Together, these projects constitute “the Project”.

On September 3, 2024, the City Council adopted Resolution No. 24-59, authorizing the execution and delivery of a Joint Exercise of Powers Agreement by and between the City and the California Statewide Communities Development Authority (“CSCDA”), which agreement has been executed and delivered. As a result, the Goleta Facilities Financing

Authority (the “GFFA”) was created and established. Among other things, GFFA has the power to issue bonds for the financing and refinancing of public capital improvements or projects whenever there are significant public benefits, as determined by the City.

Staff and the financing team are now ready to present, for consideration by the City Council and the Board of Directors, two financings that, together, would generate \$37 million in bond proceeds to finance all or a portion of the Project.

## **DISCUSSION:**

### Public Hearing

In accordance with Government Code Section 6586.5(a)(1), the City must hold a public hearing to consider public testimony concerning the possible issuance of bonds by the GFFA to finance certain public capital improvements within the boundaries of the City. The City Resolutions approve the sale of bonds by the GFFA and find that there are significant public benefits in connection with the Project, and the associated financing thereof, with bond proceeds.

This meeting has been convened as a joint meeting of the City Council and the GFFA Board of Directors in order to allow the City Council, and the Council Members acting in their capacity as the GFFA Board of Directors, to hold the hearing as described above. As separate bodies, the City of Goleta and the Goleta Facilities Financing Authority will consider adoption of resolutions of each body approving or authorizing the issuance of bonds by the GFFA and approving the form of related financing documents and other actions.

### Local Measure A Transportation Sales Tax Revenue Bonds, Series 2025

The Project being financed is made up of Measure A qualified projects: The City has received a letter from SBCAG (“SBCAG Approval Letter”) acknowledging that each of the projects constituting the Project is eligible to be funded with the City’s local share of Measure A funds. Given the size and scope of the Project, funding it on a pay-go basis (i.e., waiting to construct the Project until enough Measure A funds—which sunset in 2040—are accumulated) would severely delay the Project and likely result in much higher construction costs due to inflation.

Financing allows the Project to be undertaken more quickly using proceeds of the 2025 Bonds and the 2025A Lease Revenue Bonds (both described below). The GFFA would issue Local Measure A Transportation Sales Tax Revenue Bonds, Series 2025 (“2025 Bonds”), with a final maturity in 2040, to finance a portion of the Project. Debt service on the 2025 Bonds would be repaid with installment payments made by the City (from its annual local share Measure A receipts) to the GFFA to purchase the Project over time. The SBCAG Approval Letter acknowledges that the use over several years of the City’s local share of Measure A funds for the repayment of bonds issued by or on behalf of the City to accelerate the construction of one or more of the projects will be considered eligible

expenditures of the City's local share of Measure A funds. Measure A receipts, as and when received by the City, will be applied to make installment payments.

Not all the projected local share of Measure A funds would be consumed by debt service. For the 2025 Bonds to be marketable to investors, the financing would be structured with 1.50x debt service coverage. For example, the City received \$2,250,748 in local share of Measure A funds in Fiscal Year 2023-24. Assuming no growth or decline in revenues, the maximum annual debt service, through a final maturity of 2040, would be \$1.5 million to achieve 1.50x debt service coverage (\$2.25 million/\$1.5 million). Therefore, an estimated \$750,000 of local share Measure A funds would remain available each year for other qualified Measure A expenditures, such as paving. In the current market, approximately \$18.28 million in project proceeds could be generated with this type of financing structure.

The City Resolution No. 24-\_\_ and GFFA Resolution No. 24-\_\_ approve certain documents and actions needed to authorize the issuance and sale of the 2025 Bonds, including the following substantially final form financing documents together with any changes or additions deemed advisable and approved by any Authorized Officer:

- Installment Sale Agreement: The Installment Sale Agreement between the City and GFFA provides for GFFA to finance the costs of and transfer the completed financed portion of the Project to the City, in consideration of which the City will obligate itself to make installment payments for the Project to GFFA in the amounts and on the dates set forth in the Installment Sale Agreement. The installment payments will be due on dates and in amounts to enable the GFFA to pay scheduled debt service on the 2025 Bonds.
- Trust Agreement: The Trust Agreement defines the terms and conditions of the 2025 Bonds, including the flow of funds, redemption provisions, investment and management of funds and accounts, repayment mechanisms, and the rights and obligations of the City, GFFA, the municipal bond insurer, if any, the trustee (The Bank of New York Mellon Trust Company, N.A.), and the bondholders. Under the Trust Agreement, the trustee directly receives the installment payments made by the City under the Installment Sale Agreement, which are equal in amount to the interest and principal payments due on the 2025 Bonds. The Trustee receives and disburses the installment payments semiannually to holders of the 2025 Bonds as payments of interest and principal.
- Bond Purchase Agreement: The Bond Purchase Agreement among GFFA, the City, and Stifel defines the terms and conditions under which the 2025 Bonds will be purchased by the underwriter.

The resolutions also set forth certain not-to-exceed parameters for the 2025 Bonds, including a principal amount not exceeding \$20 million, a true interest cost not exceeding 4.5%, a final maturity not exceeding May 1, 2040, and an underwriter's discount not exceeding 0.5% of the principal amount of the 2025 Bonds. The not-to-exceed principal amount in excess of estimated project proceeds covers costs of issuance, including but

not limited to consultant fees, underwriter's discount, credit rating, bond insurance, and reserve surety policy.

### Lease Revenue Bonds, Series 2025A

As discussed in prior sections, the total estimated unfunded amount of the Project is \$37 million. Because of the limitations of the City's local share of Measure A funds (Measure A sunsets in 2040 and the City receives approximately \$2.25 million annually), the issuance of the 2025 Bonds alone would generate approximately \$18.28 million in proceeds and would therefore not be enough to fund the Project. The City can generate the remaining proceeds through the issuance of Lease Revenue Bonds, Series 2025A ("2025A LRBs"), which would be secured by legally available funds of the City's General Fund and would not require an increase in taxes to its residents.

Under this financing mechanism, GFFA would issue the 2025A LRBs. GFFA would simultaneously enter into a Ground Lease with the City whereby the City leases city-owned property ("Leased Asset") to GFFA in consideration of an upfront payment (generated by the issuance of the 2025A LRBs), and GFFA leases the Leased Asset back to the City in consideration for semi-annual lease payments, which in turn, are used to pay debt service on the 2025A LRBs.

The City entered into a similar financing mechanism with IBank for the purchase of City Hall (for which City Hall serves as the leased asset). Staff and the financing team discussed with IBank substituting City Hall with the Goleta Valley Library and the City Corporation Yard so that City Hall could be released and utilized as the Leased Asset for the 2025A LRBs. The IBank Board of Directors approved this asset substitution on November 20, 2024.

The Resolutions authorize certain documents and actions needed to approve or authorize the issuance and sale of the 2025A LRBs, including the following substantially final form financing documents together with any changes or additions deemed advisable and approved by any Authorized Officer:

- Ground Lease and Lease Agreement: The Ground Lease and Lease Agreement provide for the City to lease the Leased Asset (City Hall) to GFFA in consideration of an upfront rent payment, and for GFFA to lease the Leased Asset back to the City in consideration of the payment by the City to GFFA of semi-annual base rental payments, which are pledged to the repayment of the 2025A LRBs. The rental payments will be due on dates and in amounts to enable the GFFA to pay scheduled debt service on the 2025A LRBs. In addition, under the Lease Agreement the City would agree to annually budget for and appropriate the rental payments for the use and occupancy of the Leased Asset. The City would further agree in the Lease Agreement to provide specified forms of insurance and to maintain the Leased Asset.
- Indenture: The Indenture defines the terms and conditions of the 2025A LRBs, including the pledge of revenues, redemption provisions, investment and management of funds and accounts, repayment mechanisms, and the rights and

obligations of the City, GFFA, the municipal bond insurer, if any, the trustee (The Bank of New York Mellon Trust Company, N.A.), and the bondholders. Under the Indenture, the trustee directly receives rental payments made by the City under the Lease Agreement, which are equal in amount to the interest and principal payments due on the 2025A LRBs. The Trustee receives and disburses the rental payments semiannually to holders of the 2025A LRBs as payments of interest and principal.

- Assignment Agreement: Under the Assignment Agreement, GFFA agrees to assign to the trustee its right to receive the rental payments made under the Lease Agreement.
- Bond Purchase Agreement: The Bond Purchase Agreement among GFFA, the City, and Stifel defines the terms and conditions under which the 2025A LRBs will be purchased by the underwriter.

The City Resolution No. 24-\_\_ and the GFFA Resolution No. 24-\_\_ also set forth certain not-to-exceed parameters for the 2025A LRBs, including a principal amount not exceeding \$23 million, a true interest cost not exceeding 5.0%, a final maturity not exceeding May 1, 2056, and an underwriter's discount not exceeding 0.5% of the principal amount of the 2025A LRBs. The not-to-exceed principal amount for the 2025A LRBs is recommended at a higher amount than for the 2025 Bonds in case market conditions change, and the 2025 Bonds generate a lower amount of project proceeds than currently anticipated.

#### **FISCAL IMPACTS:**

Pursuant to Government Code Section 5852.1, good faith estimates (obtained from the underwriter and the municipal advisor) must be disclosed at a public meeting before the authorization of the 2025 Bonds and the 2025A LRBs. Required good faith estimates are provided in the applicable resolutions; the table below summarizes those estimates and includes additional information.

	<i>2025 Bonds</i>	<i>2025A LRBs</i>
Principal Amount:	\$16,900,000	\$17,410,000
Final Maturity:	May 1, 2040	May 1, 2055
True interest cost:	3.57%	4.27%
Finance charge:	\$500,057	\$436,734
Amount of Project proceeds received:	\$18,278,290	\$18,723,974
Average annual debt service:	\$1,579,445	\$1,130,882
Total debt service payment amount:	\$23,972,472	\$34,127,506

\* These are good faith estimates only and are based on market rates as of November 14, 2024. Final results will likely differ based on market conditions as of the actual sale date and other factors. However, for the financing to proceed, the not-to-exceed parameters described in the previous section must be met.

**NEXT STEPS:**

If the City Council and Board of Directors adopt the resolutions approving or authorizing the issuance of the 2025 Bonds and the 2025A LRBs, the financing team would proceed with developing the Preliminary Official Statements (the offering document for the marketing and sale of the bonds) and the Continuing Disclosure Certificates (agreements that would obligate the City to continue providing certain information to bondholders) as well as seeking credit ratings and bond insurance/surety policies (if applicable). Staff would then bring the Preliminary Official Statements and Continuing Disclosure Certificates for approval by the City Council and Board of Directors in January. The 2025 Bonds and the 2025A LRBs would be sold and delivered in February, at which time the City would receive the Project proceeds.

**ALTERNATIVES:**

The Board of Directors may elect not to approve the Resolutions authorizing the issuance and sale of the 2025 Bonds and 2025A LRBs, in which case the funding of the Project would be delayed. The Board of Directors may elect to approve one of the two bond issuances or to specify lesser principal amounts to be issued provided that direction is included on the specific projects which are expected to be completed with net proceeds of the approved issuances.

**EXHIBIT A**  
**GOOD FAITH ESTIMATES**

The good faith estimates set forth herein are provided with respect to the Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the Authority and the City by its Municipal Advisor, Urban Futures, Inc., in consultation with Stifel, Nicolaus & Company, Incorporated, the Underwriter of the Bonds.

*Principal Amount.* The Municipal Advisor has informed the Authority that, based on the City's financing plan and current market conditions, its good faith estimate of the aggregate principal amount of the Bonds to be issued and sold is \$16,900,000 (the "Estimated Principal Amount").

*True Interest Cost of the Bonds.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the true interest cost of the Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Bonds, is 3.57%.

*Finance Charge of the Bonds.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate and expectation to purchase bond insurance at a net beneficial cost to the City (meaning the cost of the insurance premium will be less than the reduced interest cost to the City), its good faith estimate of the finance charge for the Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Bonds), is \$500,057.

*Amount of Proceeds to be Received.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the amount of proceeds expected to be received by the Authority for sale of the Bonds, less the finance charge of the Bonds, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the Bonds, is \$18,278,290.

*Total Payment Amount.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the total payment amount, which means the sum total of all payments the Authority will make to pay debt service on the Bonds, plus the finance charge for the Bonds, as described above, not paid with the proceeds of the Bonds, calculated to the final maturity of the Bonds, is \$23,972,472, which excludes any reserves or capitalized interest paid or funded with proceeds of the Bonds (which may offset such total payment amount).

The foregoing estimates constitute good faith estimates only and are based on market conditions prevailing at the time of preparation of such estimates. The actual principal amount of the Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the

amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of Bonds issued and sold being different from the Estimated Principal Amount, (c) the actual amortization of the Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, (f) alterations to the Authority's financing plan, or a combination of such factors.

All Revenues on deposit in the Measure A Receipts Fund shall be set aside and deposited by the City in the various funds and accounts within the Revenue Fund at the following times in the following order of priority:

(a) Interest and Principal Account Deposits. On or before the 15th day preceding each Interest Payment Date, the City shall, from the Measure A Revenues in the Measure A Receipts Fund, transfer to the Trustee for deposit in the Interest Account within the Revenue Fund established under the Trust Agreement, a sum equal to the interest becoming due and payable hereunder on the next succeeding Interest Payment Date, except that no such deposit need be made if the Trustee then holds money in the Interest Account equal to the amount of interest becoming due and payable hereunder on the next succeeding Interest Payment Date; and on or before the 15th day preceding each Interest Payment Date, the City shall, from the Measure A Revenues in the Measure A Receipts Fund, transfer to the Trustee for deposit in the Principal Account within the Revenue Fund established under the Trust Agreement, a sum equal to the principal becoming due and payable hereunder on the next succeeding Installment Sale Payment Date, except that no such deposit need be made if the Trustee then holds money in the Principal Account equal to the amount of Principal becoming due and payable hereunder on the next succeeding Installment Sale Payment Date; and all money on deposit in the Interest Account and the Principal Account shall be used to make and satisfy the 2025 Installment Sale Payments due on each date and such payments shall be deposited by the Trustee to the Interest Account or the Principal Account, as the case may be, as defined in, created under and in accordance with the terms of, the Trust Agreement.

(b) Reserve Account Deposit. On or before the 15th day of each month, the City shall, from the Measure A Revenues in the Measure A Receipts Fund, transfer to the Trustee for deposit in the Reserve Account that sum, if any, necessary to restore the Reserve Account to an amount equal to the Reserve Account Requirement, all in accordance with and subject to the terms and conditions of Section 3.03 of the Trust Agreement. All money in the Reserve Account shall be used and withdrawn by the Trustee for the purposes specified in Section 3.03(3) of the Trust Agreement. [The City further agrees to pay to the Insurer all amounts owed to it under the Insurance Agreement in connection with any draw on the Reserve Policy, and all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate, in each case solely from available Measure A Receipts and subject to the first pledge of and lien upon the Measure A Receipts for the payment of the Bonds.]

["Late Payment Rate" means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Insurer shall specify. If the interest provisions of this subparagraph shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the City had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or

provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.]

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

If the City shall fail to pay any Policy Costs in accordance with the requirements above, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Trust Agreement and this Installment Sale Agreement other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

[Neither the Trust Agreement nor this Installment Sale Agreement shall be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The City's obligation to pay such amounts shall expressly survive payment in full of the Bonds.]

(c) Administration Account Deposit. On or before the 15th day preceding each Interest Payment Date, the City shall, from the remaining Measure A Receipts on deposit in the Measure A Receipts Fund, transfer to the Trustee for deposit in the Administration Account a sum equal to the Administration Fee becoming due and payable hereunder on the next Interest Payment Date, and all money on deposit in the Administration Account shall be used to pay the Administration Fee due on such Interest Payment Date, in accordance with the terms of the Trust Agreement.

[If at or as of the end of each Fiscal Year (i) Measure A Receipts remain in the Measure A Receipts Fund after providing (or otherwise reserving) for all deposits required by subsections (a), (b), and (b) above during such Fiscal Year and (ii) the City is not in default hereunder, then any amount remaining on deposit in the Measure A Receipts Fund to the City to be used for any lawful purpose of the City consistent with the Measure A Ordinance.]

[Notwithstanding the foregoing, provided all transfers required by subparagraphs (a), (b) and (c) above have been made, on any Business Day moneys on deposit in the Measure A Receipts Fund in excess of the sum of (i) interest becoming due and payable hereunder on the next succeeding Interest Payment Date (less amounts then held by the Trustee in the Interest Account) and (ii) the Pro Rata Share of Principal (less amounts then held by the Trustee in the Principal Account) may be expended by the City at any time for any purpose permitted by law.]

**Section 3.03. Prepayment of 2025 Installment Sale Payments.** The City may prepay from any source of available funds as a whole or in part on any date, on or after May 1, 20\_\_, all or any part of the principal amount of the unpaid 2025 Installment Sale Payments becoming due on or after May 1, 20\_\_, in such order of redemption as the City may determine upon written direction to the Authority and the Trustee (or, if the City fails to designate the order of redemption, on a proportionate basis among the 2025 Installment Sale Payments and by lot within an Installment Sale Payment Date), at a prepayment price equal to the principal amount prepaid and Bonds to be redeemed, plus accrued interest to the date of redemption.

Before making any prepayment pursuant to this section, the City shall give written notice to the Authority and the Trustee describing such event and specifying the date on which the redemption will be paid and the order thereof, which date shall be not less than thirty (30) days nor more than sixty (60) days from the date such notice is given.

### ADDITIONAL CONTRACTS

**Section 4.01. Additional Contracts.** [So long as the City is not in default hereunder, the City may at any time execute any Contract, the Installment Sale Payments under and pursuant to which, as the case may be, are payable from the Measure A Receipts on a parity with the payment by the City of the 2025 Installment Sale Payments as provided herein; *provided*, that the audited Measure A Receipts, plus the Measure A Receipts Coverage Amount, for the Fiscal Year next preceding the date of the adoption by the City Council of the City of the resolution authorizing the execution of such Contract, as evidenced by both a calculation prepared by the City and a special report prepared by an Independent Certified Public Accountant on such calculation on file with the City shall have produced a sum equal to at least 150% of the Maximum Annual Debt Service on all Contracts outstanding after the execution of such amendment or Contract. [Policy Costs due and owing to the Insurer, and similar costs due and owing to any other provider of a municipal bond insurance policy or debt service reserve insurance policy or surety with respect to all Contracts outstanding and to be outstanding after the execution of such amendment or Contract, shall be included in the Maximum Annual Debt Service requirement for purposes of the foregoing calculation and the calculation of Maintenance of Revenues in Section 5.04 of this Installment Sale Agreement.]

Notwithstanding the foregoing provisions, there shall be no limitations on the ability of the City to execute any Contract at any time to refund any outstanding Contract.

## ARTICLE V

### REPRESENTATIONS AND COVENANTS OF THE CITY AND THE AUTHORITY

**Section 5.01. Authority; Compliance with Installment Sale Agreement and Trust Agreement.** The City is a municipal corporation organized and existing under the Constitution of the State of California, with full legal right, power and authority to execute, deliver and perform its obligations under this Installment Sale Agreement, and compliance with the provision hereof will not materially conflict with or constitute a material breach of or default under any applicable provision of law, or any applicable regulation or agreement to which the City is a party or may be subject.

The City will punctually pay the 2025 Installment Sale Payments in strict conformity with the terms hereof, and will faithfully observe and perform all the agreements, conditions, covenants and terms contained herein required to be observed and performed by it, and will not terminate the Installment Sale Agreement for any cause including, without limiting the generality of the foregoing, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State of California or any political subdivision of either or any failure of the Authority to observe or perform any agreement, condition, covenant or term contained herein required to be observed and performed by it, whether express or implied, or any duty, liability or obligation arising out of or connected herewith or the insolvency, or deemed insolvency, or bankruptcy or liquidation of the Authority or any force majeure, including Acts of God, tempest, storm, earthquake, war, rebellion, riot, civil disorder, acts of public enemies, blockade or embargo, strikes, industrial disputes, lockouts, lack of transportation facilities, fire, explosion, or acts or regulations of governmental authorities.

The Authority will faithfully observe and perform all the agreements, conditions, covenants and terms contained in the Trust Agreement required to be observed and performed by it, and it is expressly understood and agreed by and among the parties to the Installment Sale Agreement and the Trust Agreement that each of the agreements, conditions, covenants and terms contained in each such agreement is an essential and material term of the obligation of the City to repay the costs of the acquisition and construction of the Project and the costs and expenses incidental thereto paid by the Authority pursuant to, and in accordance with, and as authorized under law and the Installment Sale Agreement.

**Section 5.02. Use of Proceeds of Bonds.** The Authority and the City agree that the proceeds of the Bonds deposited in the Acquisition Fund will be used by the City, as agent for the Authority, to pay the costs of the acquisition and construction of the Project and to pay the incidental costs and expenses related thereto as provided herein and in the Trust Agreement.

**Section 5.03. Against Encumbrances.** The City will pay or cause to be paid when due all sums of money that may become due or purporting to be due for any labor, services, materials, supplies or equipment furnished, or alleged to have been furnished, to or for the City payable from the Measure A Receipts or which may impair the security for the 2025 Installment Sale Payments and will keep the Measure A Receipts free of any and all liens against any portion of the Measure A Receipts. In the event any such lien attaches to or is filed against any portion of the Measure A Receipts, the City will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that if the City desires to contest any such lien it may do so. If any such lien shall be reduced to final judgment and such judgment or any process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and such stay thereafter expires, the City will forthwith pay or cause to be paid and discharged such judgment. The City will, to the maximum extent permitted by law, indemnify and hold the Authority and the Trustee harmless from, and defend each of them against, any claim, demand, loss, damage, liability or expense (including attorneys' fees) as a result of any such lien or claim of lien against any portion of the Measure A Receipts.

The City may pledge, encumber or otherwise secure its obligations with the Measure A Receipts, *provided*, that except as permitted by Section 4.01 hereof, in all instances any such pledge, lien or security is wholly subordinate and junior to the obligations of the City contained herein.

**Section 5.04. Maintenance of Measure A Revenues.** The City will use its best efforts to comply with all provisions of law and any regulations issued thereunder relating to the Measure A Revenues, including, but not limited to, the Measure A Ordinance, and Sections 65089.3 and 65089.4 of the California Government Code relating to conformance with the congestion management program relating to the City, and will take any and all reasonable actions required in order to maintain the City's ability to receive the Measure A Revenues and apply the same as provided herein; *provided*, that nothing herein shall require the City to take any action or expend any City funds to comply with any such requirements deemed unreasonable in the sole discretion of the City, so long as failure to take such action or expend such funds will not cause the amount of estimated Measure A Revenues to be received by the City in the next Fiscal Year to be less than 150% of the Maximum Annual Debt Service as of the date of calculation.

**Section 5.05. Tax Covenants.** The City will not directly or indirectly use or permit the use of the proceeds of the obligation provided herein or any other funds of the City or take or omit to take any action which would cause such obligation to be an "arbitrage bond" within the meaning of Section 148 of the Code, or a "federally guaranteed obligation" under Section 149(b) of the Code, or a "private activity bond" as described in Section 141 of the Code. To that end, so long as any 2025 Installment Sale Payment is unpaid, the City will comply with all requirements of such sections of the Code to the extent applicable to the obligation provided herein and with the provisions of the Tax Certificate. Upon calculation by the Rebate Analyst of a Rebate Amount, the City shall, from any source of available funds, immediately transfer

an amount of money equal to the Rebate Amount to the Trustee for deposit in the Rebate Fund established pursuant to Section 4.06 of the Trust Agreement.

The Authority and the City will at all times do and perform all acts and things permitted by law which are necessary or desirable in order to assure that the interest on the Bonds will not be included in the gross income of the owners of such bonds for federal income tax purposes under the Code and will take no action that would result in such interest being so included.

**Section 5.06. Prompt Acquisition and Construction of the Project.** The City will take all necessary and appropriate steps to acquire and construct the Project, as agent of the Authority, with all practicable dispatch and in an expeditious manner and in conformity with law so as to complete the same as soon as possible.

**Section 5.07. Accounting Records and Financial Statements.**

(a) The City will keep appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the Measure A Receipts and the Project, which records shall be available for inspection by the Authority and the Trustee at reasonable hours and under reasonable conditions.

(b) The City will prepare and file with the Trustee annually within six months after the close of each Fiscal Year or, if not then available, as soon thereafter as possible, audited financial statements of the City for the preceding Fiscal Year.

**Section 5.08. Protection of Security and Rights of the Authority and the Trustee.** The City will preserve and protect the security hereof and the rights of the Authority and the Trustee to the 2025 Installment Sale Payments hereunder and will warrant and defend such rights against all claims and demands of all persons.

**Section 5.09. Further Assurances.** The City will adopt, deliver, execute and make any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and for the better assuring and confirming unto the Authority of the rights and benefits provided to it herein.

**Section 5.10. Continuing Disclosure.** The City hereby covenants and agrees that it will enter into and comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Installment Sale Agreement, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default hereunder; however, the Trustee shall at the written request of any Participating Underwriter (as defined in the Continuing Disclosure Certificate) or the Owner of at least 25% aggregate principal amount of Outstanding Bonds, or any Owner or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the City to comply with its obligations under this Section. For purposes of this Section, "Beneficial Owner" means any person which has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries).

[When the Trustee incurs expenses or renders services pursuant to this Section, the Trustee shall be entitled to compensation for such expenses and services rendered.]

## ARTICLE VI

### EVENTS OF DEFAULT AND REMEDIES

**Section 6.01. Events of Default and Acceleration of Principal.** If one or more of the following “Events of Default” shall happen, that is to say --

(1) if default shall be made in the due and punctual payment of any 2025 Installment Sale Payment when and as the same shall become due and payable;

(2) if default shall be made by the City in the performance of any of the agreements or covenants contained herein required to be performed by it, and such default shall have continued for a period of 30 days after the City shall have been given notice in writing of such default by the Authority or the Trustee; or

(3) if the City shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the City seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the City or of the whole or any substantial part of its property;

then and in each and every such case during the continuance of such Event of Default specified in clause (1) above, the Trustee shall, and for any other such Event of Default the Trustee may [(with the prior written consent of the Insurer), by notice in writing to the City and the Insurer], declare the entire principal amount of the unpaid 2025 Installment Sale Payments and the accrued interest thereon to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything contained herein to the contrary notwithstanding. This subsection is subject to the condition, however, that if at any time after the entire principal amount of the unpaid 2025 Installment Sale Payments and the accrued interest thereon shall have been so declared due and payable and before any judgment or decree for the payment of the money due shall have been obtained or entered the City shall deposit with the Trustee a sum sufficient to pay the unpaid principal amount of the 2025 Installment Sale Payments due and payable prior to such declaration and the accrued interest thereon, with interest on such overdue installments at the rate or rates applicable to such unpaid principal amounts of the 2025 Installment Sale Payments if paid in accordance with their terms, and the reasonable expenses of the Trustee, and any and all other defaults known to the Trustee (other than in the payment of the entire principal amount of the unpaid 2025 Installment Sale Payments and the accrued interest thereon due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then and in every such case the Trustee, by written notice to the City, may rescind and annul such declaration and its consequences; but no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

**Section 6.02. Application of Measure A Receipts Upon Acceleration.** All Measure A Receipts upon the date of the declaration of acceleration by the Trustee as provided in Section 6.01 and all Measure A Receipts thereafter received shall be applied in the following order --

First, to the payment of the costs and expenses of the Trustee and the Authority, if any, in carrying out the provisions of this article, including reasonable compensation to its agents, accountants and counsel and including any indemnification expenses;

Second, to the payment of the interest then due and payable on the entire principal amount of the unpaid 2025 Installment Sale Payments, and, if the amount available shall not be sufficient to pay in full all such interest then due and payable, then to the payment thereof ratably, according to the amounts due thereon without any discrimination or preference;

Third, to the payment of the unpaid principal amount of the 2025 Installment Sale Payments which has become due and payable, whether on the original due date or upon acceleration, with interest on the overdue principal and interest amounts of the unpaid 2025 Installment Sale Payments at the rate or rates of interest then applicable to such 2025 Installment Sale Payments if paid in accordance with their terms, and, if the amount available shall not be sufficient to pay in full all the amounts due with respect to the 2025 Installment Sale Payments on any date, together with such interest, then to the payment thereof ratably, according to the principal amount due on such date, without any discrimination or preference; and

[Fourth, to the payment of amounts due to the Insurer not paid pursuant to Second and Third above.]

**Section 6.03. Other Remedies.** The Trustee shall have the right --

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the City or any councilmember, officer or employee thereof, and to compel the City or any such councilmember, officer or employee to perform and carry out its or his duties under law and the agreements and covenants required to be performed by it or him contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Authority or the Trustee; or

(c) by suit in equity upon the happening of an Event of Default to require the City and its council members, officers and employees to account as the trustee of an express trust.

**Section 6.04. Non-Waiver.** Nothing in this article or in any other provision hereof shall affect or impair the obligation of the City, which is absolute and unconditional, to pay the 2025 Installment Sale Payments from the Measure A Receipts to the Trustee at the respective due dates or upon prepayment, or shall affect or impair the right of the Trustee, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied herein.

A waiver of any default or breach of duty or contract by the Trustee shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Trustee by law or by this Article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned or determined adversely to the Trustee, the Authority and the City and the Trustee shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

**Section 6.05. Remedies Not Exclusive.** No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy

conferred by law. The exercise of remedies hereunder shall be subject to the provisions of the Trust Agreement, including Articles VII and IX thereof.

## ARTICLE VII

### DISCHARGE OF OBLIGATIONS

#### **Section 7.01. Discharge of Obligations.**

(a) If the City shall pay or cause to be paid all the 2025 Installment Sale Payments at the times and in the manner provided herein, [and all amounts owed the Insurer shall have been paid in full], the right, title and interest of the Authority herein and the obligations of the City hereunder shall thereupon cease, terminate, become void and be completely discharged and satisfied.

(b) Any unpaid principal installment of the 2025 Installment Sale Payments shall on its payment date or date of prepayment be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if the City makes payment of such Installment Sale Payments and the redemption premium, if applicable, in the manner provided herein.

(c) All or any portion of unpaid principal installments of the 2025 Installment Sale Payments shall, prior to their payment dates or dates of prepayment, be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if (i) notice is provided by the City to the Trustee as required by the Trust Agreement, (ii) there shall have been deposited with the Trustee either money in an amount which shall be sufficient, or Defeasance Obligations (as that term is defined in the Trust Agreement), the interest on and principal of which when paid will provide money which, together with money, if any, deposited with the Trustee, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to pay when due the interest to become due with respect to the principal installments of such 2025 Installment Sale Payments and the principal installments of such 2025 Installment Sale Payments or such portions thereof on and prior to their payment dates or their dates of prepayment, as the case may be, and the redemption premiums, if any, applicable thereto and (iii) an opinion of nationally recognized bond counsel is filed with the Trustee to the effect that the action taken pursuant to this subsection will not cause the interest on the Bonds to be includable in gross income under the Code for federal income tax purposes.

(d) After the payment of all Installment Sale Payments and redemption premiums, if any, as provided in this section, and payment of all fees and expenses of the Trustee, the Trustee, upon request of the City, shall cause an accounting for such period or periods as may be requested by the City to be prepared and filed with the City and the Authority and shall execute and deliver to the City and the Authority all such instruments as may be necessary or desirable to evidence such total discharge and satisfaction of the Installment Sale Agreement, and the Trustee shall pay over and deliver to the City, as an overpayment of Installment Sale Payments, all such money or investments held by it pursuant hereto other than such money and such investments as are required for the payment or prepayment of the 2025 Installment Sale Payments, which money and investments shall continue to be held uninvested by the Trustee in trust for the payment of the 2025 Installment Sale Payments and shall be applied by the Trustee pursuant to the Trust Agreement.

## **EXHIBIT B**

### **DESCRIPTION OF PROJECT**

The construction of streets and roadways within the corporate limits of the City of Goleta, which improvements are eligible costs payable from Measure A Receipts including, without limitation, the financing of the design, acquisition, installation, and construction of certain public capital improvements located in various sites in the City of Goleta, including the Ekwil Street and Fowler Road extension (including the Hollister Avenue Old Town Interim Striping Project), Cathedral Oaks crib wall repair, San Jose Creek bike path, Hollister Avenue Bridge replacement, and Goleta Train Depot and South La Patera Lane improvements, and related street resurfacing and public walkway improvements, as more particularly described below:

#### **1. Ekwil Street and Fowler Road Extensions (CIP Project No. 9002)**

The Ekwil Street and Fowler Road Extensions Project will construct Ekwil Street across Goleta Old Town from Kellogg Avenue to Fairview Avenue and extend existing South Kellogg Avenue (to be renamed Fowler Road) from its terminus to the existing Technology Drive. The new streets will be two-lane roads and include Class II Bike Lanes and sidewalks/parkways. The project also includes three roundabouts: two at the Hollister Avenue/State Route 217 Interchange and one at the intersection of Pine Avenue and Ekwil Street. The project will improve traffic flow on Hollister Avenue and provide new east/west corridors in Old Town. The work budgeted includes environmental, design, permitting, right-of-way acquisition, and construction of the project.

#### **2. Hollister Avenue Old Town Interim Striping Project (CIP Project No. 9114 — Now a part of Ekwil Street and Fowler Road Extensions - CIP Project No. 9002)**

The Hollister Avenue Old Town Interim Striping Project will design and construct an interim striping project consisting of implementing the two-lane alternative for Hollister Avenue developed as part of the Hollister Avenue Complete Streets Corridor Project. The project consists of implementing a road diet by changing roadway striping, legends, and signage and adding Class II bike lanes where none currently exist. Other improvements identified in the Complete Streets Corridor Plan, such as sidewalk widening, new medians, landscaping, and other hardscape improvements, would be deferred. The project would follow the standard Project Delivery Process with Conceptual Design, Environmental, Design and Construction. The project includes one vehicle and bike lane in each direction, A non-traversable painted median, back-in angled 90-minute parking along the north side of the street, parallel 90-minute parking along the south side of the street, pavement restoration, traffic signal equipment and timing upgrades.

#### **3. Hollister Avenue Bridge Replacement (CIP Project No. 9033)**

This is the second phase of the San Jose Creek Capacity and Fish-Passage Improvement Project. The project includes the replacement of the Hollister Avenue Bridge over San Jose Creek and extends upstream the San Jose Creek Channel capacity and fish-passage improvements both under and downstream of Hollister Avenue. The new bridge will have a 100-year storm flow capacity.

#### **4. San Jose Creek Bike Path — Northern and Southern Segments (CIP Project No. 9006)**

The San Jose Creek Bike Path Project as a whole extends approximately three miles alongside San Jose Creek from the California Coast Route path in the south to Cathedral Oaks Road and the Goleta Crosstown Bicycle Route in the north. The northern portion of the project begins north of Calle Real extending south along San Jose Creek to Armitos Avenue where it connects to the San Jose Creek Middle

Extent Project at Armitos Ave. The southern portion of the project then continues south from the Ekwill Street intersection at Kellogg Avenue, crosses over the San Jose Creek channel and continues along SR 217 to cross underneath SR 217 in a culvert/tunnel just north of the SR 217 bridge over San Jose Creek. The project lies within both the City and Santa Barbara County and within the California Coastal Zone. Project improvements include: either 8-foot-wide paved with 2 foot graded shoulders or 10-foot wide paved path, bicycle and pedestrian bridge over San Jose Creek channel, tunnel undercrossing at SR 217, retaining walls, concrete barriers, drainage features, crossing improvements, lighting, striping, and ADA accessibility.

**5. Cathedral Oaks Crib Wall Repair (CIP Project No. 9053)**

The Cathedral Oaks Crib Wall Repair Project includes repairing the crib walls and multi-purpose path along the north side of Cathedral Oaks Road, which was damaged during past storm events. A Geotechnical Engineering firm performed a comprehensive and systematic full-scale geotechnical investigation of the two crib walls along the northern side of Cathedral Oaks Road to determine the potential failure mechanisms related to the crib wall design and construction. The work included drilling approximately 23 geotechnical borings ranging between 25 feet to 80 feet below ground surface (equal to twice the height of the retaining wall), performing geophysical crosshole logging and ground penetrating radar (GPR) that was not performed during previous investigations, collecting and analyzing soil sample in the laboratory, and developing and providing recommended structural repair options and cost estimates. This project will be entering the design phase.

**6. Goleta Train Depot and South La Patera Improvements (CIP Project No. 9079)**

The Goleta Train Depot and South La Patera Improvements include the construction of a new multi-modal train station at the location of the existing Amtrak platform. The new Train Depot will include facilities for ticketing, passenger waiting, dining, meeting rooms, restrooms/showers, and bike storage. The project site is adjacent to the existing AMTRAK platform at the northern end of South La Patera Lane. The project will also include expanded parking, bus facilities, and on-site bicycle and pedestrian improvements.

(b) With respect to Book-Entry Bonds, the Authority and the Trustee shall have no responsibility or obligation to any Participant or to any Person on behalf of which such a Participant holds an interest in such Book-Entry Bonds. (c) The Authority and the Trustee may treat and consider the Person in whose name each Book-Entry Bond is registered in the Registration Books as the absolute Owner of such Book-Entry Bond for the purpose of payment of principal of, and premium, if any, and interest on such Bond, for the purpose of selecting any Bonds, or portions thereof, to be redeemed, for the purpose of giving notices of redemption and other matters with respect to such Book-Entry Bond, for the purpose of registering transfers with respect to such Book-Entry Bond, for the purpose of obtaining any consent or other action to be taken by Owners and for all other purposes whatsoever, and the Authority and the Trustee shall not be affected by any notice to the contrary.

(d) In the event of a redemption of all or a portion of a Book-Entry Bond, the Depository, in its discretion (i) may request the Trustee to authenticate and deliver a new Book-Entry Bond, or (ii) if the Depository is the sole Owner of such Book-Entry Bond, shall make an appropriate notation on the Book-Entry Bond indicating the date and amounts of the reduction in principal thereof resulting from such redemption, except in the case of final payment, in which case such Book-Entry Bond must be presented to the Trustee prior to payment.

(f) In order to qualify the Book-Entry Bonds for the Depository’s book-entry system, the Authority shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the Authority or the Trustee any obligation whatsoever with respect to Persons having interests in such Book-Entry Bonds other than the Owners, as shown on the Registration Books. Such Letter of Representations may provide the time, form, content and manner of transmission, of notices to the Depository. In addition to the execution and delivery of a Letter of Representations by the Authority, the Authority and the Trustee shall take such other actions,

not inconsistent with this Trust Agreement, as are reasonably necessary to qualify Book-Entry Bonds for the Depository's book-entry program.

(g) In the event the Authority determines that it is in the best interests of the Beneficial Owners that they be able to obtain certificated Bonds and that such Bonds should therefore be made available, and notifies the Depository and the Trustee of such determination, the Depository will notify the Participants of the availability through the Depository of certificated Bonds. In such event, the Trustee shall transfer and exchange certificated Bonds as requested by the Depository and any other Owners in appropriate amounts. In the event (i) the Depository determines not to continue to act as securities depository for Book-Entry Bonds, or (ii) the Depository shall no longer so act and gives notice to the Trustee of such determination, then the Authority shall discontinue the Book-Entry system with the Depository. If the Authority determines to replace the Depository with another qualified securities depository, the Authority shall prepare or direct the preparation of a new single, separate, fully-registered Bond for each maturity date of such Book-Entry Bonds, registered in the name of such successor or substitute qualified securities depository or its nominee. If the Authority fails to identify another qualified securities depository to replace the Depository, then the Book-Entry Bonds shall no longer be restricted to being registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of Sections 2.06, 2.08 and 2.09 hereof. Whenever the Depository requests the Authority to do so, the Authority shall cooperate with the Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Book-Entry Bonds to any Participant having Book-Entry Bonds credited to its account with the Depository, and (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Book-Entry Bonds.

(h) Notwithstanding any other provision of this Trust Agreement to the contrary, if the Depository is the sole Owner of the Bonds, so long as any Book-Entry Bond is registered in the name of the Nominee, all payments of principal of, and premium, if any, and interest on such Book-Entry Bond and all notices with respect to such Book-Entry Bond shall be made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository.

(i) In connection with any notice or other communication to be provided to Owners pursuant to this Trust Agreement by the Authority or the Trustee, with respect to any consent or other action to be taken by Owners of Book-Entry Bonds, the Trustee shall establish a record date for such consent or other action and give the Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

(j) In connection with any proposed transfer outside the Book-Entry Only system, the Authority or DTC shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or upon the order of, the Authority. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence and indemnity satisfactory to the Trustee shall be given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon

authenticate and deliver, a new Bond of the same maturity in a like aggregate principal amount in lieu of and in replacement for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been selected for redemption, instead of issuing a replacement Bond, the Trustee may pay the same without surrender thereof). The Authority may require payment by the Owner of a sum not exceeding the actual cost of preparing each replacement Bond issued under this Section and of the expenses which may be incurred by the Authority and the Trustee. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Trust Agreement with all other Bonds secured by this Trust Agreement.

The Bonds maturing on May 1, 20\_\_, are subject to mandatory redemption on May 1 of each year commencing May 1, 20\_\_, in part, from mandatory sinking fund payments, on each May 1 specified below, at a Redemption Price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption, in the aggregate respective principal amounts in the respective years as follows:

If some but not all of the Bonds maturing on May 1, 20\_\_ are redeemed pursuant to Section 2.10(a) hereof upon an optional prepayment pursuant to the Agreement applied to the redemption of Bonds maturing on May 1, 20\_\_, or Section 2.10(b), the principal amount of Bonds maturing on May 1, 20\_\_ to be redeemed pursuant to Section 2.10(c) hereof on any subsequent May 1 shall be reduced, by \$5,000 or an integral multiple thereof, as designated by the City in a Certificate of the City filed with the Trustee; *provided, however*, that the aggregate amount of such reductions shall not exceed the aggregate amount of Bonds maturing on May 1, 20\_\_ redeemed pursuant to Section 2.10(a) or Section 2.10(b) hereof.

The Bonds maturing on May 1, 20\_\_, are subject to mandatory redemption on May 1 of each year commencing May 1, 20\_\_, in part, from mandatory sinking fund payments, on each May 1 specified below, at a Redemption Price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption, in the aggregate respective principal amounts in the respective years as follows:

(d) Selection of Bonds. Whenever provision is made in this Trust Agreement for the redemption or purchase of less than all of the Bonds or any given portion thereof, the Trustee shall, subject to the following sentence, select the Bonds to be redeemed or purchased, from all Bonds subject to redemption or purchase or such given portion thereof equal to a multiple of \$5,000 or any integral multiple thereof not previously called for redemption or purchase. Upon notice of any redemption pursuant to Section 2.10(a) hereof or receipt of moneys resulting in a redemption

pursuant to Section 2.10(b) hereof, the Trustee shall request the Cash Flow Consultant to prepare a Cash Flow Report identifying the principal amount and maturities of the Bonds to be redeemed. The Trustee shall promptly notify the Authority in writing of any redemption or purchase of Bonds and of the Bonds or portions thereof so selected for redemption or purchase.

(e) Purchase in Lieu of Redemption. In lieu of redemption of any Bonds, amounts on deposit in the Revenue Fund or in any sinking account therein may also be used and withdrawn by the Trustee at any time, upon the Request of the Authority, upon direction of the City, for the purchase of such Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Authority, upon direction of the City, may in its discretion determine, but not in excess of the principal amount thereof plus accrued interest to the purchase date. The principal amount of any Bonds so purchased by the Trustee in any twelve-month period ending 60 days prior to any principal payment date in any year shall be credited towards and shall reduce the principal amount of such Term Bonds, if any, required to be redeemed on such principal payment date in such year.

(f) Notice of Redemption or Purchase. Notice of redemption or purchase shall be mailed by first-class mail by the Trustee, upon direction of the City, not less than thirty (30) nor more than sixty (60) days prior to the redemption or purchase date, to (i) the respective Owners of any Bonds designated for redemption or purchase at their addresses appearing on the registration books of the Trustee, and (ii) if the Bonds are no longer held by the Depository, to the Securities Depositories and the Municipal Securities Rulemaking Board through its Electronic Municipal Marketplace Access (EMMA) System. Notice of redemption or purchase shall be given by Electronic Means, certified, registered, or overnight mail to the Securities Depositories and the Municipal Securities Rulemaking Board through its Electronic Municipal Marketplace Access (EMMA) System. Each notice of redemption or purchase shall state the date of such notice, the date of initial delivery of the Bonds, the redemption or purchase date, the Redemption Price or Purchase Price, the place or places of redemption or purchase (including the name and appropriate address or addresses of the Trustee), the CUSIP number (if any) of the Bonds of each maturity date or dates, and, if less than all of the Bonds of any such maturity date, the distinctive certificate numbers of the Bonds with such maturity date, to be redeemed or purchased and, in the case of Bonds to be redeemed or purchased in part only, the respective portions of the principal amount thereof to be redeemed or purchased. Each such notice shall also state that on said date there will become due and payable on each of said Bonds the Redemption Price or Purchase Price represented thereby or of said specified portion of the principal amount thereof in the case of a Bond to be redeemed or purchased in part only, together with interest accrued with respect thereto to the redemption or purchase date, and that from and after such redemption or purchase date, interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered at the address or addresses of the Trustee specified in the redemption or purchase notice.

If any of the Bonds are redeemed pursuant to an advance refunding, notice of such advance refunding and redemption or purchase shall be given in the same manner as above provided, and also within the same time period with respect to the actual redemption or purchase date.

Notice of redemption or purchase of Bonds shall be given by the Trustee, upon direction of the City, at the expense of the Authority. Conditional notice of optional redemption may be given at the direction of the Authority and shall be given if funds sufficient to redeem the Bonds are not then on deposit with the Trustee. If at the time of mailing of notice, funds are not then on deposit with the Trustee, such notice shall state that it is conditional upon the deposit of the funds

not later than the opening of business on the date of redemption or purchase of the Bonds, and such notice shall be of no effect unless such moneys are so deposited.

Failure by the Trustee to give notice pursuant to this Section 2.10(f) to the Municipal Securities Rulemaking Board through its Electronic Municipal Marketplace Access (EMMA) System or Securities Depositories shall not affect the sufficiency of the proceedings for redemption or purchase and the sole remedy available shall be an action by the Owners of the Bonds in mandamus for specific performance or similar remedy to compel performance. Failure by the Trustee to mail notice of redemption or purchase pursuant to this Section 2.10(f) to any one or more of the respective Owners of any Bonds designated for redemption or purchase shall not affect the sufficiency of the proceedings for redemption or purchase with respect to the Owner or Owners to whom such notice was mailed and the sole remedy available shall be an action by the Owners of the Bonds in mandamus for specific performance or similar remedy to compel performance.

(g) Partial Redemption or Purchase of Bonds. Upon surrender of any Bond to be redeemed or purchased in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds with the same maturity in Authorized Denominations in an aggregate principal amount equal to the unredeemed portion of the Bonds surrendered.

(h) Effect of Redemption. Notice of redemption having been duly given as aforesaid, and moneys for payment of the Redemption Price of, together with interest accrued to the redemption date with respect to, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so called for redemption shall become due and payable at the Redemption Price specified in such notice and interest accrued thereon to the redemption date, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under this Trust Agreement, and the Owners of said Bonds shall have no rights in respect thereof except to receive payment of said Redemption Price and accrued interest.

All Bonds redeemed pursuant to the provisions of this Section shall be cancelled upon surrender thereof by the Trustee. All Bonds purchased pursuant to the provisions of this Section shall be registered in the name of the Authority and delivered to, or as directed in writing by, the Authority.

**Section 2.11. Establishment of Funds and Accounts; Deposit of Proceeds.** At any time after the sale of the Bonds, Bonds shall be delivered by to the purchaser thereof upon the Request of the Authority and upon receipt of payment therefor from the purchaser thereof. Upon receipt of payment for the Bonds from the purchaser thereof, the Trustee shall set aside and deposit the proceeds received from such sale in the following respective accounts or funds or with the following respective persons, in the following order of priority:

(a) The Trustee shall credit the Reserve Policy to the Reserve Account within the Revenue Fund established pursuant to Section 3.03 hereof. The initial maximum amount available under the Reserve Policy is equal to the Reserve Account Requirement.

(b) The Trustee shall establish and maintain in trust in the name of the Trustee a separate Fund designated the "Costs of Issuance Fund." The Trustee shall deposit the amount of \$\_\_\_\_\_, which is equal to the amount set forth in such Request of the Authority in the Costs of Issuance Fund. The moneys in the Costs of Issuance Fund shall be disbursed, upon the Request of the Authority, to pay Costs of Issuance. Upon the earlier of payment in full of the Costs of Issuance

or the making of adequate provision for the payment thereof, evidenced by a Certificate of the Authority to the Trustee, any balance remaining in such Fund shall be transferred to the Acquisition Fund, and pending such transfer and application, the moneys in such Fund may be invested as permitted by Section 3.04 hereof; *provided, however*, that investment income resulting from any such investment shall be retained in the Costs of Issuance Fund. Any residual earnings received after the transfer referenced above will, as and when convenient, be transferred to the Acquisition Fund.

(c) The Trustee shall establish and maintain in trust in the name of the Trustee a separate Fund designated the "Acquisition Fund." The Trustee shall deposit the amount of \$\_\_\_\_\_, which is equal to the amount set forth in such Request of the Authority in the Acquisition Fund. Moneys in the Acquisition Fund shall be disbursed to the City pursuant to a Requisition in the form attached hereto as Exhibit B. Such Requisition shall be in the form of a sequentially numbered requisition and shall set forth the name and address of the person or persons to whom said amounts are to be disbursed and state the amounts to be disbursed are for Project Costs properly chargeable to the Acquisition Fund and have not been the subject of any previous requisition. Upon delivery to the Trustee of a Request of the City, any Bond proceeds remaining in the Acquisition Fund upon completion of its Project (which completion shall be evidenced by such Request of the City) shall be applied by the Trustee to offset scheduled 2025 Installment Sale Payments required to be paid by the City under the Agreement or in such other manner as may be directed in such Request of the City. Upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Acquisition Fund shall not be disbursed, but shall instead be applied to the payment of the scheduled principal of and interest on the Bonds as such amounts become due and payable or the Redemption Price of the Bonds.

The Trustee shall fully rely on any such Request or Requisition delivered pursuant to this Section and shall not be required to make any investigation in connection therewith. The Trustee shall be under no duty or obligation to analyze or verify any documentation supporting the payments or reimbursements pursuant to this Section, but shall hold and provide to Owners upon request such documentation supporting the payments or reimbursements, solely as a repository for the benefit of Owners.

**Section 2.13. Validity of Bonds.** The validity of the Bonds shall not be dependent on or affected in any way by the proceedings taken by the Authority, the City or the Trustee for the financing of the Project or by any contracts made by the Authority or its agents in connection therewith, and shall not be dependent upon the completion of any of the Project or upon the performance by any person, firm or corporation of their or its obligation with respect thereto. The recital contained in the Bonds that the same are issued pursuant to this Trust Agreement shall be conclusive evidence of their validity and of the regularity of their issuance and sale, and all Bonds shall be incontestable from and after their delivery.

### ARTICLE III

#### REVENUES

**Section 3.01. Pledge of Revenues; Assignment.** Subject only to the provisions of this Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein, the Authority hereby pledges and grants a lien on the Revenues and a security interest in all right, title and interest of any other amounts held by the Trustee in any fund or account established hereunder (other than amounts on deposit in the Acquisition Fund created pursuant to Section 2.11 and the Rebate Fund created pursuant to Section 4.06) whether now or hereafter arising as security for the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of

this Trust Agreement and the Act. Said pledge and grant shall constitute a first lien on such assets and shall be valid and binding from the date hereof for the benefit of the Owners of the Bonds and successors thereto. This pledge and grant shall secure the payment of such Bonds and shall be effective, binding, and enforceable against the Authority, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant and without the need of any physical delivery, recordation, filing, or further act. The pledge and grant is an agreement between the Authority and the Owners of Bonds to provide security for the Bonds in addition to any statutory lien that may exist. The Authority hereby transfers, conveys and assigns to the Trustee, for the benefit of the Owners, all of the Authority's right, title and interest in and to the Agreement (excepting its right to indemnification thereunder), including the right to receive 2025 Installment Payments from the City. The Trustee hereby accepts said assignment for the benefit of the Owners, subject to the provisions of this Trust Agreement. The Trustee shall be entitled to and shall receive all of the Revenues, and any Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as agent of the Trustee and shall forthwith be paid by the Authority to the Trustee.

**Section 3.02. Receipt and Deposit of Revenues in the Revenue Fund.** In order to carry out and effectuate the pledge, lien, and security interest described herein, the Authority agrees and covenants that all Revenues when and as received shall be received by the Authority in trust hereunder for the benefit of the Owners and shall be deposited when and as received by the Authority in the Revenue Fund" which fund the Trustee shall establish and maintain in trust in the name of the Trustee a separate fund so long as any Bonds shall be Outstanding under this Trust Agreement. All Revenues shall be accounted for separately and held in trust in the Revenue Fund. All Revenues, whether received by the Authority in trust or deposited with the Trustee as herein provided, shall nevertheless be allocated, applied and disbursed solely for the purposes and uses hereinafter in this Article set forth, and shall be accounted for separately and apart from all other accounts, funds, money or other resources of the Authority, and the Authority shall have no beneficial right or interest in any of the Revenues except only as herein provided.

**Section 3.03. Establishment and Maintenance of Accounts for Use of Money in the Revenue Fund.** Subject to Section 4.06, all money in the Revenue Fund shall be set aside by the Trustee in the following respective special accounts within the Revenue Fund in the following order of priority:

- (1) Interest Account;
- (2) Principal Account;
- (3) Reserve Account;
- (4) Administration Account; and
- (5) Surplus Account.

All money in each of such funds and accounts shall be held in trust by the Trustee and shall be applied, used and withdrawn only for the purposes hereinafter authorized in this section.

(1) **Interest Account.** On or before the Business Day immediately preceding each Interest Payment Date, the Trustee shall set aside from amounts deposited by the City in the Revenue Fund and deposit in the Interest Account that amount of money which is equal to the amount of interest becoming due and payable with respect to the Agreement on the next succeeding Interest Payment Date. No such deposit need be made if the amount contained in the Interest Account is at least equal to the aggregate amount of interest becoming due and payable in connection with the Agreement on such Interest Payment Date. All money in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose

of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to the payment dates thereof).

(2) Principal Account. On or before the Business Day immediately preceding each May 1 on which principal of the Bonds is due and payable the Trustee shall set aside from amounts deposited by the City in the Revenue Fund and deposit in the Principal Account an amount of money equal to the amount of principal becoming due and payable on the next succeeding principal payment date. No such deposit need be made if the amount contained in the Principal Account is at least equal to the aggregate amount of principal becoming due and payable on such principal payment date. All money in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Bonds as it shall become due and payable, whether on their respective principal payment or redemption dates, except that any money in any sinking fund account shall be used and withdrawn by the Trustee only to purchase or to redeem or to pay Term Bonds for which such sinking fund account was created.

(3) Reserve Account. The Trustee shall set aside from amounts deposited in the Revenue Fund and deposit in the Reserve Account that amount of money (or other authorized deposit of security) which shall be required to maintain the Reserve Account in the full amount of the Reserve Account Requirement. No deposit need be made in the Reserve Account so long as there shall be on deposit therein a sum equal to the Reserve Account Requirement. All money in the Reserve Account (including all amounts which may be obtained from any insurance policy on deposit in the Reserve Account) shall be used and withdrawn by the Trustee solely for the purpose of replenishing the Interest Account or the Principal Account, in that order, in the event of any deficiency at any time in either of such Funds, but solely for the purpose of paying the interest or principal payable in connection with the Agreement, except that any cash amounts in the Reserve Account in excess of the amount required to be on deposit therein shall be withdrawn from the Reserve Account on each Interest Payment Date and deposited in the Interest Account.

In lieu of making a Reserve Account Requirement deposit or in replacement of moneys then on deposit in the Reserve Account (which shall be transferred by the Trustee to the City upon delivery of an insurance policy satisfying the requirements stated below), the City may also deliver to the Trustee an insurance policy (a "Qualified Reserve Instrument") securing an amount, together with moneys or Permitted Investments on deposit in the Reserve Account, no less than the Reserve Account Requirement, issued by an insurance company licensed to issue insurance policies guaranteeing the timely payment of the principal of and interest on the Bonds and whose unsecured debt obligations (or for which obligations secured by such insurance company's insurance policies) are rated in one of the two highest rating categories (without respect to any modifier) of the Rating Agency. Notwithstanding anything to the contrary set forth in this Trust Agreement, amounts on deposit in the Reserve Account shall be applied solely to the payment of debt service due on the Bonds.

If and to the extent that the Reserve Account has been funded with a combination of cash (or Permitted Investments) and a Qualified Reserve Instrument, then all such cash (or Permitted Investments) shall be completely used before any demand is made on such Qualified Reserve Instrument, and replenishment of the Qualified Reserve Instrument shall be made prior to any replenishment of any cash (or Permitted Investments). If the Reserve Account is funded, in whole or in part, with more than one Qualified Reserve Instrument, then any draws made against such Qualified Reserve Instrument shall be made *pro rata*. The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Reserve Account, if any. Amounts on deposit in the Reserve Account shall be applied solely to the payment of debt service due on the Bonds.

[The Reserve Policy has been credited to the Reserve Account, and the Trustee shall make claims under the Reserve Policy in accordance with the terms of the Reserve Policy and the Insurance Agreement. The Reserve Policy is a Qualified Reserve Instrument.]

Neither the City nor the Authority will have any obligation to replace the Reserve Policy or other Qualified Reserve Instrument or to fund the Reserve Account with cash if, at any time that the Bonds are Outstanding, any rating assigned to the Insurer is downgraded, suspended or withdrawn or amounts are not available under the Reserve Policy or other Qualified Reserve Instrument, other than in connection with a draw on the Reserve Policy or other Qualified Reserve Instrument.

(4) Administration Account. On or before the Business Day immediately preceding each May 1 on which principal of the Bonds is due and payable, the Trustee shall set aside from amounts deposited in the Revenue Fund and deposit in the Administration Account an amount equal to the Administration Fee. All money in the Administration Account shall be used and withdrawn by the Trustee solely for the purpose of paying the fees of the Trustee and the Rebate Analyst, payable with respect to the Agreement, except that any cash amounts in the Administration Account in excess of the amount required to be on deposit therein shall be withdrawn from the Administration Account on each Interest Payment Date and deposited in the Interest Account.

(5) Surplus Account. On the Business Day immediately following each Interest Payment Date the Trustee shall deposit in the Surplus Account all money remaining in the Revenue Fund after the deposits required by Section 4.06 and by paragraphs (1), (2), (3) and (4) of this section have been made. On June 30 of each year, beginning on June 30, 2025, the Trustee shall disburse the money in the Surplus Account to the City to the extent the deposit of moneys, together with investment earnings thereon, if any, exceeded the deposits required by paragraphs (1), (2), (3) and (4) of this section.

**Section 3.04. Deposit and Investments of Money in Accounts and Funds.** Subject to Section 4.06, all money held by the Trustee in any of the accounts or funds established pursuant hereto shall be invested and reinvested in Permitted Investments at the Request of the City received not less than two (2) Business Days prior to the date of making such investment. The Trustee may conclusively rely upon the Authority's Request as to both suitability and legality of the directed investment and the Trustee shall have no duty or obligation to determine the legality of any investments. The Trustee shall be entitled to assume that any investment which at the time of purchase is a Permitted Investment remains a Permitted Investment thereafter, absent actual receipt of written notice to the contrary. The Trustee shall notify the City no less than two (2) Business Days prior to the date moneys held hereunder will be available for investment, requesting that the City deliver to the Trustee a Request of the City specifying the Permitted Investments to be acquired by the Trustee with such moneys. All money held in the Reserve Account shall be invested and reinvested in Permitted Investments with a term to maturity not exceeding five years or on the final maturity date of the Bonds, whichever date is earlier; *provided, however*, that if an obligation may be redeemed at par on the Business Day prior to each Interest Payment Date during which such obligation is outstanding, such obligation may have any maturity. If no such Request of the City is received, the Trustee shall hold such moneys uninvested. All such Permitted Investments shall be valued by the Trustee not less frequently than semi-annually on each Interest Payment Date at the lower of the cost or market value thereof. Subject to Section 4.06, all interest or profits received prior to the completion of the Project (as certified in writing by the Authorized City Representative) on any money so invested shall be deposited in the Acquisition Fund, and all interest or profits received subsequent thereto on any money so invested shall be deposited in the Interest Account. The Trustee may act as a principal or agent in making or disposing of any investment, and all investments may be made through the Trustee's investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including maintenance fees. The Trustee or its affiliates may act as sponsor, agent manager or depository with regard to any Permitted Investment. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall sell in a commercially reasonable manner, or present for redemption, any investment security whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund or account to which such investment security is credited and the Trustee shall not be liable for the selection of investments or

responsible for any loss resulting from the acquisition or disposition of such investment security in accordance herewith. The Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its stated maturity or the failure of the Authority to provide timely written investment Request. Ratings of Permitted Investments shall be determined at the time of purchase of such Permitted Investments and without regarding to ratings subcategories.

Although the Authority recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Authority agrees that confirmations of permitted investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered and that no statement need be rendered for any fund or account if no activity occurred in such fund or account during such month

**Section 3.05. Reserve Policy Payment and Reimbursement Provisions.** [THE PROVISIONS BELOW ARE EXEMPLARY AS A PLACEHOLDER FOR FINAL TERMS: The following provisions shall govern in the event of a conflict with any contrary provision of this Trust Agreement.

(a) The City shall repay any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer in accordance with this Section 3.05 and [its Agreement and Insurance Agreement]. Interest shall accrue and be payable on such draws and expenses from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (A) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such changes are announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds, and (B) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such bank, banking association or trust company bank as the Insurer in its sole and absolute discretion shall specify.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, the "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

As to the Reserve Account, amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

All cash and investments in the Reserve Account shall be transferred to the Interest Account and the Principal Account, as applicable, for payment of the debt service on the Bonds before any drawing may be made on the Reserve Policy or any other Qualified Reserve Instrument in lieu of cash.

As to the Reserve Account, payment of any Policy Cost shall be made prior to replenishment of any cash amounts. Draws on all Qualified Reserve Instruments (including the Reserve Policy) on which there is available coverage shall be made on a *pro rata* basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Account established for the Bonds. Payment of Policy Costs and reimbursement of amounts with respect to other Qualified Reserve Instruments shall be made on a *pro rata* basis prior to replenishment of any cash drawn from the Reserve Account. For the avoidance of doubt, "available coverage" means the coverage then available for

disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) Draws under the Reserve Policy may only be used to make payments on Bonds.

(c) If the City shall fail to pay Policy Costs in accordance with the requirements of paragraph (a) above, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under this Trust Agreement, and the Agreement and the Insurance Agreement other than (i) acceleration of the maturity of the Bonds, or (ii) remedies which would adversely affect owners of the Bonds.

(d) [This Trust Agreement and the Agreement shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The City's obligation to pay such amount, if any, shall expressly survive payment in full of the Bonds.]

(e) [The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of paragraph (a) hereof and provide notice to the Insurer at least three Business Days prior to each date upon which interest or principal is due on the Bonds.]

(f) [The Reserve Policy shall expire on the earlier of the date the Bonds are no longer outstanding and the final maturity date of the Bonds.]

### COVENANTS

**Section 4.01. Compliance with Agreement.** The Authority shall not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be a ground for cancellation or termination of the Agreement by the City.

**Section 4.02. Amendment of Agreement.** The City and the Authority will not amend or permit the amendment of the Agreement without (a)[(1) a determination that such amendment does not materially adversely affect the interest of the Owners or the Insurer or (2) the written consents of [the Insurer and] the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, and (b) an Opinion of Counsel to the effect that such amendment is authorized and permitted by this Trust Agreement, is enforceable against the Authority and will not cause interest to be included in gross income for federal income tax purposes; *provided* that no such supplement, amendment, modification or termination shall reduce the amount of 2025 Installment Sale Payments to be made to the Authority or the Trustee by the City pursuant to the Agreement, or extend the time for making such payments, or permit the creation of any lien prior to or on a parity with the lien created by the Agreement on Revenues (except as expressly provided in the Agreement), in each case without the written consent of all of the Owners of the Bonds then Outstanding.

**Section 4.03. Against Encumbrances.** The Authority will not make any pledge of or place any charge or lien upon the Revenues except as provided herein, and will not issue any bonds, notes or obligations payable from the Revenues or secured by a pledge of or charge or lien upon the Revenues except the Bonds. The Authority shall at all times, to the extent permitted by law, defend, preserve and protect said pledge of such assets, and the lien thereon and security interest therein created hereby, against all claims and demands of all Persons whomsoever.

**Section 4.04. Punctual Payment.** The Authority shall punctually pay or cause to be paid the principal, premium, if any, and interest to become due in respect of all the Bonds, in strict conformity with the terms of the Bonds and of this Trust Agreement, according to the true intent and meaning thereof, but only out of Authority Revenues and other assets pledged for such payment as provided in this Trust Agreement and received by the Authority or the Trustee..

**Section 4.05. Extension of Payment of Bonds.** The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Trust Agreement, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended. Nothing in this Section shall be deemed to limit the right of the Authority to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of maturity of the Bonds.

**Section 4.06. Tax Covenants; Rebate Fund.**

(a) In addition to the accounts created pursuant to Section 3.03, the Trustee shall establish and maintain in trust in the name of the Trustee a separate fund designated as the “Rebate Fund.” There shall be deposited in the Rebate Fund such amounts, including the Rebate Amount, as are required to be deposited therein pursuant to the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement (as defined in the Tax Certificate), for payment to the United States of America. Notwithstanding the provisions of Sections 3.01, 3.02, 3.04, 7.02 and 10.01 relating to the pledge, lien, and security interest described herein, the allocation of money in the Revenue Fund, the investments of money in any fund or account, the application of funds upon acceleration and the defeasance of Outstanding Bonds, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by this Section 4.06 and by the Tax Certificate (which is incorporated herein by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority, and shall have no liability or responsibility to enforce compliance by the Authority and the City with the terms of the Tax Certificate.

(b) Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds or provision made therefor satisfactory to the Trustee, including accrued interest and payment of any applicable fees to the Trustee and satisfaction of the Rebate Requirement (as defined in the Tax Certificate), shall be withdrawn by the Trustee and remitted to or upon the written direction of the Authority.

**Section 4.07. Accounting Records and Reports.** The Trustee shall keep proper books of record and account in accordance with industry standards in which complete and correct entries shall be made of all transactions made by the Trustee relating to the receipt, investment, disbursement, allocation and application of all funds received by the Trustee hereunder. Such records shall specify the account or fund to which each investment (or portion thereof) held by the Trustee is to be allocated and shall set forth, in the case of each investment: (a) its purchase price; (b) identifying information, including par amount, coupon rate, and payment dates; (c) the amount received at maturity or its sale price, as the case may be; (d) the amounts and dates of any payments made with respect thereto; and (e) such documentation as is required to be obtained as evidence to establish that all investments have been purchased in arms’ length transactions with no amounts paid to reduce the yield on the investments.

Such records shall be open to inspection by the Authority and the City at any reasonable time during regular business hours on reasonable notice (including, without limitation, reasonable prior written notice of inspection).

**Section 4.08. Observance of Laws and Regulations.** The City will faithfully observe and perform all lawful and valid obligations or regulations now or hereafter imposed on it by contract, or prescribed by any state or national law, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by it, including its right to exist and carry on its businesses, to the end that such observance or performance is material to the transactions contemplated hereby.

**Section 4.09. Further Assurances.** Whenever and so often as reasonably requested to do so by the Trustee or any Owner, the City will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments, and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee and the Owners all rights, interests, powers, benefits, privileges and advantages conferred or intended to be conferred upon them hereby.

**Section 4.10. Recordation and Filing.** The City will file, record, register, renew, refile and rerecord all such documents, including financing statements (or continuation statements in connection therewith), as may be required by law in order to maintain at all times a security interest in the Agreement under and pursuant to this Trust Agreement, all in such manner, at such times and in such places as may be required in order to fully perfect, preserve and protect the benefit, protection and security of the Owners [and the Insurer], and the rights of the Trustee hereunder, and the City will do whatever else may be necessary or be reasonably required in order to perfect and continue the Authority's right, title and interest in and to, the Agreement (excepting its right to indemnification thereunder), including the right to receive 2025 Installment Sale Payments from the City as provided herein.

**Section 4.11. Acquisition of the Project.** Subject to and as provided in the Agreement, the Authority will cause to be acquired and constructed the Project with all practicable dispatch and such acquisition will be made in an expeditious manner and in conformity with the law so as to complete the same as soon as possible.

### THE TRUSTEE

**Section 5.01. The Trustee.** The Bank of New York Mellon Trust Company, N.A. shall serve as the Trustee for the Bonds for the purpose of receiving all money which the Authority and the City are required to deposit with the Trustee hereunder and for the purpose of allocating, applying and using such money as provided herein and for the purpose of paying the principal of, premium, if any, and interest on the Bonds presented for payment in Los Angeles, California, with the rights and obligations provided herein. The Authority agrees that it will at all times maintain a Trustee having a designated office in San Francisco or Los Angeles, California.

The Authority may at any time, unless there exists any event of default as defined in Section 7.01, remove the Trustee initially appointed and any successor thereto, upon 30 days written notice, and may appoint a successor or successors thereto by an instrument in writing; *provided* that any such successor shall (i) be a bank or trust company doing business and having a principal office in San Francisco or Los Angeles, California, (ii) have (or in the case of a bank or trust company which is part of a bank holding company system, the related bank holding company shall have) a combined capital (exclusive of borrowed capital) and surplus of at least seventy-five million dollars (\$75,000,000) and (iii) be subject to supervision or examination by federal or state authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this section the combined capital and surplus of such bank or trust

company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Trustee may at any time resign by giving written notice of such resignation to the Authority and by mailing to the Owners notice of such resignation. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee by an instrument in writing. Any removal or resignation of a Trustee and appointment of a successor Trustee shall become effective only upon the acceptance of appointment by the successor Trustee. If, within thirty (30) days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed and shall have accepted such appointment, the removed or resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, at the expense of the Authority, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required hereby.

Any bank, corporation or association into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any bank, corporation or association succeeding to all or substantially all of the corporate trust business of the Trustee shall be the successor of Trustee hereunder without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto except where an instrument of transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding.

The Trustee is hereby authorized to redeem the Bonds when duly presented for payment on their respective maturity dates or on prior redemption. The Trustee shall cancel all Bonds upon payment thereof or upon the surrender thereof by the Authority and shall destroy such Bonds it has received in accordance with its retention policy then in effect. The Trustee shall keep accurate records of all Bonds paid and discharged and canceled by it.

The Authority, solely from amounts held in the Costs of Issuance Fund or paid by the City specifically for such purpose, shall from time to time, subject to any agreement between the Authority and the Trustee then in force, pay to the Trustee compensation for its services, reimburse the Trustee for all its advances and expenditures including but not limited to advances to and fees and expenses of independent accountants and in-house and other counsel or other experts employed by it and reasonably required in the exercise and performance of its rights and obligations hereunder, and, to the extent permitted by law, indemnify and hold the Trustee and its officers, directors, employees and agents harmless against any claim, loss, liability, damages, expenses (including legal fees and expenses) or advances, arising out of or in connection with the acceptance or administration of the trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Authority, or any holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, or in connection with enforcing the provisions of this Section, except to the extent that such loss, damage, claim, liability or expense is due to its own gross negligence or willful misconduct. If the Trustee renders any service hereunder not provided for in this Trust Agreement or related financing documents, or the Trustee is made a party to or intervenes in any litigation pertaining to this Trust Agreement or related financing documents or institutes interpleader proceedings relative hereto, the Trustee shall be compensated reasonably by the Authority for such extraordinary services and reimbursed for any and all claims, liabilities, losses, damages, fines, penalties, and expenses, including out-of-pocket and incidental expenses and legal fees and expenses occasioned thereby. The obligations of the Authority under this paragraph to compensate, indemnify, reimburse and hold the Trustee harmless shall constitute additional indebtedness hereunder, and such indebtedness shall have priority over the Bonds in respect of all property and funds held or collected by the Trustee as such, except funds held in trust by the Trustee for the benefit of the Owners of particular Bonds, including, without limitation, funds held by the Trustee in trust to redeem all or a portion of Outstanding Bonds prior to their respective maturity dates for which a notice of redemption has been sent as provided herein.

**Section 5.02. Liability of Trustee.** The recitals of facts, agreements and covenants herein and in the Bonds shall be taken as recitals of facts, agreements and covenants of the Authority, and the Trustee assumes no responsibility for the use of any proceeds of the Bonds, the correctness of the same, the collection of the Revenues or makes any representation as to the sufficiency or validity hereof, of the Bonds or any security therefor or any offering material distributed in connection with the Bonds and shall not incur any responsibility in respect thereof other than in connection with the rights or obligations assigned to or imposed upon it herein, in the Bonds or in law or equity. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence, willful misconduct or breach of fiduciary duty.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and such Bond is registered in such person's name.

Whenever the Trustee shall deem it necessary or desirable that a factual or legal matter be established or proved prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustee, be deemed to be conclusively proved and established by a certificate conforming to the requirements herein or an opinion of counsel, which certificate or opinion shall be full and complete authorization and protection to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

In accepting the trust hereby created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity and all persons, including without limitation the Owners, the Authority and the City, having any claim against the Trustee arising from this Trust Agreement not attributable to the Trustee's negligence or willful misconduct shall look only to the funds and accounts held by the Trustee hereunder for payment except as otherwise provided herein. The duties and obligations of the Trustee shall be determined solely by the express provisions of this Trust Agreement, the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Trust Agreement, and no implied covenants or obligations (fiduciary or otherwise) shall be read into this Trust Agreement against the Trustee. The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed. The Trustee shall not be liable with respect to any action taken or not taken hereunder in good faith in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding. The Trustee shall, during the existence of any event of default (which has not been cured), exercise such of the rights and powers vested in it by this Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise of use under the circumstances in the conduct of its own affairs. The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and it shall not be answerable for other than its negligence or willful misconduct. The immunities and exceptions from liability of the Trustee shall extend to its officers, directors, employees and agents and such immunities and exceptions and its right to payment of its fees and expenses shall survive its resignation or removal and the final payment and defeasance of the Bonds. Under no circumstances shall the Trustee be liable in its individual capacity for the Bonds. The Trustee, in its individual or any other capacity, may become the Owner of any Bonds or other obligations of any party hereto with the same rights which it would have if not the Trustee. At any and all reasonable times, the Trustee, and its agents shall have the right to fully inspect the Project, including all books, papers and records of the City pertaining to the Project and the Bonds, and to take such memoranda therefrom and with regard thereto and make photocopies thereof as may be desired. The Trustee shall not be required to give any bond or surety in respect of the execution of said trusts and powers or otherwise in respect of the premises. Before taking or refraining from any action

hereunder at the request or direction of the Owners, the Trustee may require that an indemnity bond satisfactory to the Trustee be furnished to it and be in full force and effect.

None of the provisions contained herein or in the Agreement shall require the Trustee to expend or risk its own funds or continue to do so or otherwise incur individual financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, and the Trustee may refuse to perform any duty or exercise any right or power, if it shall reasonably believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it. The Trustee may conclusively rely and shall be protected in acting or failing to act upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. In acting or omitting to act pursuant to any other applicable agreements to which the Trustee is a party, or any other documents executed in connection herewith, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Trust Agreement. The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder except failure by the City to make any payment of principal or interest under the Agreement when due, unless the Trustee shall be specifically notified in writing at its corporate trust office of such default by the Owners of not less than 25% of the aggregate principal amount of Bonds then Outstanding. Notwithstanding any other provision hereof, the Trustee shall have the right, but shall not be required, to demand any showings, certificates, opinions, appraisals or other information, or official action or evidence thereof, required as a condition of such action deemed by the Trustee to be desirable for the purpose of establishing the rights of the Trustee with respect to the authentication of any Bonds, the withdrawal of any cash, the release of any property or the taking of any other action by the Trustee. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Trust Agreement and related financing documents and delivered using Electronic Means; provided, however, that the Authority and/or the City, as applicable, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority and/or the City, as applicable, whenever a person is to be added or deleted from the listing. If the Authority and/or the City, as applicable, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s reasonable understanding of such Instructions shall be deemed controlling. The Authority and the City understand and agree that the Trustee cannot determine the identity of the actual sender of such Instructions by Electronic Means and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer (bearing such officer’s signature) listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority and the City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Authority, the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority and/or the City, as applicable. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reasonable reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Authority and the City agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions by Electronic Means, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of

transmitting Instructions than the method(s) selected by the Authority and/or the City, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions by Electronic Means provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

## ARTICLE VI

### AMENDMENT OF THE TRUST AGREEMENT

**Section 6.01. Amendment of the Trust Agreement.** This Trust Agreement and the rights and obligations of the Authority, the City, the Trustee and the Owners may be amended at any time by a Supplemental Trust Agreement which shall become binding when the written consents of [the Insurer and] the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 6.02, are filed with the Trustee. No such amendment shall (1) extend the maturity date of or reduce the interest rate on or amount of principal of, premium, if any, and interest on any Bond without the express written consent of [the Insurer and] the Owner of such Bond, or (2) permit the creation by the Authority of any pledge of or charge or lien upon the Revenues as provided herein superior to or on a parity with the pledge, lien, and security interest described herein for the benefit of the Bonds, or (3) reduce the percentage of Bonds required for the written consent to any such amendment or any amendment of an Agreement pursuant to Section 4.02 hereof, or (4) modify any rights or obligations of the Trustee, the Authority or the City without their prior written assent thereto, respectively.

This Trust Agreement and the rights and obligations of the Authority, the City and of the Owners may also be amended at any time by a Supplemental Trust Agreement which shall become binding upon adoption without the consent of any Owners, but only to the extent permitted by law and after receipt of an approving Opinion of Counsel, for any purpose that will not in the judgment of the Authority or as set forth in an opinion of bond counsel materially adversely affect the interests of the Owners, including (without limitation) for any one or more of the following purposes -

- (a) to add to the agreements and covenants required herein to be performed by the Authority other agreements and covenants thereafter to be performed by the Authority or the City, or to surrender any right or power reserved herein to or conferred herein on the Authority or the City;
- (b) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Authority or the City may deem desirable or necessary and not inconsistent herewith;
- (c) to add to the agreements and covenants required herein, such agreements and covenants as may be necessary to qualify the Trust Agreement under the Trust Indenture Act of 1939; or

(d) for any other purpose that does not materially adversely affect the interests of the Owners [or the Insurer].

[In executing, or accepting the additional trusts created by, any Supplemental Trust Agreement permitted by this Article or the modification thereby of the trusts created by this Trust Agreement, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel stating that the execution of such Supplemental Trust Agreement is authorized or permitted by this Trust Agreement and complies with the terms hereof.]

**Section 6.02. Disqualified Bonds.** Bonds owned or held by or for the account of the Authority or the City shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided in this article, and shall not be entitled to consent to or take any other action provided in this article.

**Section 6.03. Endorsement or Replacement of Bonds After Amendment.** After the effective date of any action taken as hereinabove provided, the Authority may determine that the Bonds may bear a notation by endorsement in form approved by the Authority as to such action, and in that case upon demand of the Owner of any Outstanding Bonds and presentation of their Bond for such purpose at the office of the Trustee a suitable notation as to such action shall be made on such Bond. If the Authority shall so determine, new Bonds so modified as, in the opinion of the Authority, shall be necessary to conform to such action shall be prepared, executed and authenticated, and in that case upon demand of the Owner of any Outstanding Bond a new Bond or Bonds, shall be exchanged at the office of the Trustee without cost to each Owner for its Bond or Bonds then Outstanding upon surrender of such Outstanding Bonds.

**Section 6.04. Amendment by Mutual Consent.** The provisions of this article shall not prevent any Owner from accepting any amendment as to the particular Bonds held by them, provided that due notation thereof is made on such Bonds.

**Section 6.05. Information to Rating Agency.** The Authority shall provide any Rating Agency rating the Bonds a copy of each amendment to the Trust Agreement or to the Agreement promptly following the execution or adoption of such amendment.

## ARTICLE VII

### EVENTS OF DEFAULT AND REMEDIES OF OWNERS

**Section 7.01. Events of Default.** If any default in the payment of 2025 Installment Sale Payments or any other “Event of Default” defined in the Agreement shall occur and be continuing, or if any default shall be made by the City in the performance or observance of any other of the covenants, agreements or conditions on its part herein contained and such default shall have continued for a period of thirty (30) days after written notice thereof shall have been given to the City by the Trustee or the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding, then such default shall constitute an “Event of Default” hereunder, and in each and every such case during the continuance of such Event of Default the Trustee or the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding shall be entitled, upon notice in writing to the City, but subject to the provisions of Section 7.06, to exercise the remedies provided under the Agreement which are necessary or desirable to collect the 2025 Installment Sale Payments. No grace period shall be permitted for payment defaults.

The Owners of Bonds, for purposes of the Trust Agreement and the Agreement, to the extent of their interest, shall be entitled to all rights and security of the Authority pursuant to the Agreement and this

Trust Agreement. The City recognizes the rights of the Owners of the Bonds, acting directly or through the Trustee, to enforce the obligations and covenants contained in the Agreement and this Trust Agreement.

**Section 7.02. Application of Funds Upon Acceleration of Agreement.** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article VII shall be deposited into a segregated payment account of the Revenue Fund and be applied by the Trustee in the following order; *provided* that the Trustee shall obtain and follow the instructions contained in an Opinion of Counsel and rebate or set aside for rebate from the specified funds held hereunder, any amount pursuant to such instructions required to be paid to the United States of America under the Code:

First, to the payment of the costs and expenses of the Trustee, if any, in carrying out the provisions of this article, including reasonable compensation to its agents, accountants and counsel and including any indemnification expenses;

Second, to the payment of the principal of and interest on the Bonds, in connection with a mandatory redemption of Bonds pursuant to Section 2.10(b) hereof and the delivery of a Cash Flow Report; and

[Third, to the payment of amounts owed to the Insurer not paid pursuant to First and Second above.]

**Section 7.03. Other Remedies of the Trustee.** The Trustee shall have the right

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights hereunder against the City or any council member, board member, trustee, member, officer or employee thereof, and to compel the City or any such council member, board member, trustee, member, officer or employee thereof to observe or perform its, his, hers or their duties under applicable law and the agreements, conditions, covenants and terms contained herein, or in the Agreement, required to be observed or performed by it, him, her or them;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee or the Owners; or

(c) by suit in equity upon the happening of any default hereunder to require the City and any council member, board member, trustee, member, officer and employee to account as the trustee of any express trust.

**Section 7.04. Non-Waiver.** A waiver by the Trustee of any default hereunder or breach of any obligation hereunder shall not affect any subsequent default hereunder or any subsequent breach of any obligation hereunder or impair any rights or remedies on any such subsequent default hereunder or on any such subsequent breach of an obligation hereunder. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default hereunder shall impair any such right or remedy or shall be construed to be a waiver of any such default hereunder or an acquiescence therein, and every right or remedy conferred upon the Trustee by applicable law or by this article may be enforced and exercised from time to time and as often as shall be deemed expedient by the Trustee.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee or the City, the Trustee and the City shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

**Section 7.05. Actions by Trustee as Attorney-in-Fact.** Any action, proceeding or suit which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the

Trustee for the equal benefit and protection of all Owners, whether or not the Trustee is an Owner, and the Trustee is hereby appointed (and the successive Owners, by taking and holding the Bonds issued hereunder, shall be conclusively deemed to have so appointed it) the true and lawful attorney-in-fact of the Owners for the purpose of bringing any such action, proceeding or suit and for the purpose of doing and performing any and all acts and things for and on behalf of the Owners as a class or classes as may be advisable or necessary in the opinion of the Trustee as such attorney-in-fact.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner any plan of reorganization, arrangement, adjustment, or composition affecting the Bonds or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Owners so affected.

**Section 7.06. Remedies Not Exclusive.** No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law. If any remedial action hereunder is discontinued or abandoned, the Trustee and the Owners shall be restored to their former positions.

**Section 7.07. Limitation on Owners' Right to Sue.** No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or equity, for any remedy under or upon this Trust Agreement, unless (a) such Owner shall have previously given to the Trustee written notice of the occurrence of an event of default as defined in Section 7.01 hereunder; (b) the Owners of at least a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) said Owners shall have tendered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such request and consent shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Owners in connection with a default or Event of Default hereunder pursuant to this Trust Agreement, unless such Owners shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

Such notification, request, consent, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any owner of Bonds of any remedy hereunder; it being understood and intended that no one or more owners of Bonds shall have any right in any manner whatever by their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of the Trust Agreement shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

**Section 7.08. Limited Liability of the City.** Except as expressly provided in the Agreement, the City shall not have any obligation or liability to the Authority, the Trustee or the Owners, with respect to this Trust Agreement or the Bonds. The obligations under this Trust Agreement do not constitute a debt of the City or of the State, or of any political subdivision thereof, in contravention of any constitutional or statutory debt limitation or restriction. Neither the faith and credit nor the taxing power of the City or the State, or any political subdivision thereof, is pledged to the payment of the 2025 Installment Sale Payments or other payments required to be made under the Agreement.

**Section 7.09. Limited Liability of the Authority.** Except as expressly provided herein, the Authority shall not have any obligation or liability to the Trustee or the Owners, with respect to the payment when due of the 2025 Installment Sale Payments by the City, or with respect to the observance or performance by the City of the other agreements, conditions, covenants and terms contained in the Agreement, or with respect to the performance by the Trustee of any obligation contained herein required to be performed by it. Notwithstanding anything to the contrary contained in the Bonds, the Trust Agreement or any other document related thereto, the Authority shall not have any liability hereunder or by reason hereof or in connection with any of the transactions contemplated hereby except to the extent payable from moneys received from or with respect to the Agreement and available thereof in accordance with the Trust Agreement.

## ARTICLE VIII

### DEFEASANCE

**Section 8.01. Discharge of Bonds.** (a) If the City shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Outstanding Bonds the principal of, premium, if any, and interest thereon at the times and in the manner stipulated herein and therein, [and the Insurer shall have been paid all amounts owed to the Insurer under the Insurance Policy and the Reserve Policy], then the Owners of such Bonds shall cease to be entitled to the pledge of and charge and lien upon the Revenues as provided herein, and all agreements, covenants and other obligations of the Authority and the City to the Owners of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction and the Trustee shall pay over or deliver to the Authority all money or securities held by it pursuant hereto which are not required for the payment of the principal of, premium, if any, and interest on such Bonds.

(b) Any Outstanding Bonds shall prior to the maturity date or redemption date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this section if (1) in case any of such Bonds are to be redeemed on any date prior to their respective maturity dates, the Authority shall have given to the Trustee in form satisfactory to it irrevocable instructions to provide notice in accordance with Section 2.10(f), (2) there shall have been deposited with the Trustee either (A) money in an amount which shall be sufficient or (B) Defeasance Obligations, in each case the interest on and principal of which when paid will provide money which, together with the money, if any, deposited with the Trustee at the same time, shall be sufficient, in the opinion of an Independent Certified Public Accountant, to pay when due the interest to become due on such Bonds on and prior to the maturity date or redemption date thereof, as the case may be, and the principal of, premium, if any, and interest on such Bonds, and (2) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to mail as soon as practicable, a notice to the Owners of such Bonds that the deposit required by clause (2) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this section and stating the maturity date or redemption date upon which money is to be available for the payment of the principal of and redemption premiums, if any, on such Bonds. In addition, the Authority shall cause to be delivered to [the Insurer] (i) a report of an Independent Certified Public Accountant or such other accountant as shall be acceptable to the Insurer verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date (“Verification”), (ii) an Escrow Deposit Agreement [(which shall be acceptable in form and substance to the Insurer)], (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer “Outstanding” under the Trust Agreement, and (iv) a certificate of discharge of the Trustee with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the

### PROVISIONS RELATED TO THE INSURER AND THE INSURANCE POLICY

**Section 9.01. General Provisions.** [THE PROVISIONS BELOW ARE EXEMPLARY AS A PLACEHOLDER FOR FINAL TERMS: The following provisions shall govern in the event of a conflict with any contrary provision of this Trust Agreement.

(a) The prior written consent of the Insurer shall be a condition precedent to the deposit of any Qualified Reserve Instrument provided in lieu of a cash deposit into the Reserve Account. Notwithstanding anything to the contrary set forth in this Trust Agreement, amounts on deposit in the Reserve Account shall be applied solely to the payment of principal of and interest due on the Bonds.

(b) The Insurer shall be deemed to be the sole Owner of the Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Bonds are entitled to take pursuant to this Trust Agreement pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. In furtherance thereof and as a term of this Trust Agreement and each Bond, the Trustee (solely with respect to the Bonds) and each Owner appoint the Insurer as their agent and attorney-in-fact and agree that the Insurer may at any time during the continuation of any proceeding by or against the Authority or the City under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “Claim”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee (solely with respect to the Bonds) and each Owner delegate and assign to the Insurer, to the fullest extent permitted by law, the rights of the Trustee and each Owner in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the Owners shall expressly include mandamus.

(c) The Bonds shall not be accelerated without the consent of the Insurer and in the event the Bonds are accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal, and interest accrued on such principal to the date of acceleration (to the extent unpaid), and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date, the Insurer's obligations under the Insurance Policy with respect to the Bonds shall be fully discharged.

(d) The Insurer is a third party beneficiary of this Trust Agreement.

(e) Upon the occurrence of an optional or mandatory redemption in part pursuant to Section 2.10(a) or 2.10(b) hereof, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of this Trust Agreement which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.

(f) Any amendment, supplement, modification to, or waiver of, this Trust Agreement or any other transaction document, including the Agreement, the Insurance Agreement and any underlying security agreement (each a "Related Document"), that requires the consent of Owners or adversely affects the rights and interests of the Insurer is subject to the prior written consent of the Insurer.

(g) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Acquisition Fund shall not be disbursed, but shall instead be applied to the payment of principal of and interest on the Bonds, then due, or the Redemption Price of the Bonds.

(h) The rights granted to the Insurer under this Trust Agreement or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Owners and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Owners or any other person is required in addition to the consent of the Insurer.

(i) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of this Trust Agreement and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid in accordance with this Trust Agreement. This Trust Agreement shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(j) The Authority covenants and agrees to take such action as is necessary from time to time to preserve the priority of the pledge of the Revenues hereunder.

(k) The Insurer shall be provided with the following information by the Authority, the City or the Trustee, as the case may be:

(1) Annual audited financial statements within [150] days after the end of the City's fiscal year (together with a certification of the City that it is not aware of any default or Event of Default under the Trust Agreement or the Agreement), and the City's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

(2) Notice of any draw upon the Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Reserve Account Requirement and (ii) withdrawals in connection with a redemption of Bonds;

(3) Notice of any default known to the Trustee or Authority within five Business Days after knowledge thereof;

(4) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(5) Notice of the resignation or removal of the Trustee and the appointment of, and acceptance of duties by, any successor thereto;

(6) Notice of the commencement of any proceeding by or against the Authority or the City commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(7) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;

(8) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

(9) All reports, notices and correspondence to be delivered to Owners under the terms of the Related Documents.

In addition, to the extent that the Authority or the City has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(l) The Insurer shall have the right to receive such additional information as it may reasonably request.

(m) The City will permit the Insurer to discuss the affairs, finances and accounts of the City or any information the Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the City and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the City on any Business Day upon reasonable prior notice.

(n) The Trustee shall notify the Insurer of any failure of the City to provide notices, certificates and other information under this Trust Agreement or the Agreement.

(o) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under this Trust Agreement would adversely affect the security for the Bonds or the rights of the Owners, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(p) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(q) So long as the Bonds insured by the Insurer remain outstanding or any amounts are owed to the Insurer, the City shall not enter into any interest rate exchange agreement, cap, collar, floor ceiling or other agreement or instrument involving reciprocal payment obligations between the City and a counterparty based on interest rates applied to a notional amount of principal, without the prior written consent of the Insurer.]

**Section 9.02. Claims Upon the Insurance Policy and Payments by and to the Insurer.** [THE PROVISIONS BELOW ARE EXEMPLARY AS A PLACEHOLDER FOR FINAL TERMS: The following provisions shall govern in the event of a conflict with any contrary provision of this Trust Agreement.

(a) If, on the third Business Day prior to the related scheduled Interest Payment Date or principal payment date (each, a “Payment Date”) there is not on deposit with the Trustee, after making all transfers and deposits required under the Trust Agreement, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall give notice to the Insurer and to its designated agent (if any) (the “Insurer’s Fiscal Agent”) by telephone or Electronic Means of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal of the Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Owner, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of \_\_\_\_\_, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee’s failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable on any Bond or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee (including, without limitation, reasonable prior written notice of inspection).

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners referred to herein as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Owners and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners in the same manner as principal and interest payments are to be made on Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, subject to Section 7.09 hereof, the Authority agrees to pay to the Insurer, solely from Revenues, (i) a sum equal to the total of all amounts paid by the Insurer under

the Insurance Policy (the “Insurer Advances”); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the “Insurer Reimbursement Amounts”). “Late Payment Rate” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. Subject to Section 7.09 hereof, the Authority hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Revenues and payable from the Revenues on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

(b) The Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Authority and the City to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

(c) The City shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Trust Agreement or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Trust Agreement or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Trust Agreement or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Trust Agreement or any other Related Document.

(d) The Insurer shall be entitled to pay principal of or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Trust Agreement, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.]

the Registration Books at the close of business on a special record date to be established by the Trustee for the payment of such defaulted interest, notice of which shall be given to such Owner not less than ten days prior to such special record date. The principal of the Bonds shall be payable in lawful money of the United States of America upon presentation and surrender thereof upon maturity or earlier redemption at the Office of the Trustee.

Pursuant to an Installment Sale Agreement, dated as of \_\_\_\_\_ 1, 2025 (the “Installment Sale Agreement”), by and between the City of Goleta (the “City”) and the Authority, the City agrees to pay installment sale payments (the “2025 Installment Sale Payments”) to the Authority for the costs of the design, acquisition and construction of the Project and the incidental costs and expenses related thereto. The 2025 Installment Sale Payments are payable from Measure A Receipts (as defined in the Installment Sale Agreement) remitted to the City by the Santa Barbara County Local Transportation Authority in accordance with the Measure A Ordinance.

Additional obligations payable from Measure A Receipts may be incurred by the City which will be payable senior to or on a parity with the payment by the City of the 2025 Installment Sale Payments, but only subject to the conditions and upon compliance with the procedures set forth in the Installment Sale Agreement. The 2025 Installment Sale Payments are subordinate to certain obligations of the Santa Barbara County Local Transportation Authority as provided in the Measure A Ordinance.

The Bonds are limited obligations of the Authority payable solely from the Revenues (which consist of the 2025 Installment Sale Payments) and the other assets pledged therefor under the Trust Agreement. The Bonds do not constitute a debt or liability of the City or of the State and neither the faith and credit of the City nor of the State are pledged to the payment of the Bonds.

Pursuant to and as more particularly provided in the Trust Agreement, subject only to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein, in order to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms and the provisions of the Trust Agreement, the Authority pledges to the Owners, and grants thereto a lien on the Revenues and a security interest in all right, title and interest of any other amounts held by the Trustee in any fund or account established under the Trust Agreement (other than amounts on deposit in the Acquisition Fund created pursuant to Section 2.11 and the Rebate Fund created pursuant to Section 4.06 therein) whether now or hereafter arising as security for the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of the Trust Agreement and the Act. Said pledge and grant shall constitute a first lien on such assets and shall be valid and binding from the date hereof for the benefit of the Owners of the Bonds and successors thereto. This pledge and grant shall secure the payment of such Bonds and shall be effective, binding, and enforceable against the Authority, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant and without the need of any physical delivery, recordation, filing, or further act.

Reference is hereby made to the Trust Agreement and the Installment Sale Agreement and any and all amendments thereof and supplements thereto for the description of the terms under which the Bonds are issued, the provisions with regard to the nature and extent of the Revenues, and the rights of the Owners of the Bonds. All of the terms of the Trust Agreement and the Installment Sale Agreement are hereby incorporated herein. The Trust Agreement constitutes a contract between the Authority and the Owners of the Bonds, to all the provisions of which the Registered Owner of this Bond, by acceptance hereof, agrees and consents.

The Bonds are subject to redemption on the dates, at the Redemption Prices and pursuant to the terms set forth in the Trust Agreement. Notice of redemption of any Bond or any portion thereof shall be given as provided in the Trust Agreement.

The Bonds are issuable as fully-registered Bonds without coupons in Authorized Denominations (\$5,000 and any integral multiple thereof).

Any Bond may be transferred upon the Registration Books by the Person in whose name it is registered, in person or by such Person's duly authorized attorney, upon surrender of such Bond to the Trustee for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Trustee. Whenever any Bond or Bonds shall be so surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and shall deliver a new Bond or Bonds of the same maturity in a like aggregate principal amount, in any Authorized Denomination. The Trustee shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of the same maturity of other Authorized Denominations. The Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trust Agreement and the rights and obligations of the Authority, the Trustee and the Owners may be modified or amended in the manner, to the extent, and upon the terms provided in the Trust Agreement.

The Trust Agreement contains provisions permitting the Authority to make provision for the payment of the principal of and the interest and premium, if any, on any of the Bonds so that such Bonds shall no longer be deemed to be Outstanding under the terms of the Trust Agreement.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

This Bond shall not be entitled to any benefit, protection or security under the Trust Agreement or become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been manually executed and dated by the Trustee.

It is hereby certified that all acts and proceedings required by law necessary to make this Bond, when executed by the Authority, authenticated and delivered by the Trustee and duly issued, the valid, binding and legal limited obligation of the Authority have been done and taken, and have been in all respects duly authorized.

IN WITNESS WHEREOF, the Goleta Facilities Financing Authority has caused this Bond to be executed in its name and on its behalf by the facsimile signature of the [Executive Director] and attested to by the facsimile signature of its Secretary, all as of the Dated Date identified above.

Attention: City Manager

Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), acting not as a fiduciary or agent for you, but on behalf of itself, offers to enter into this Bond Purchase Agreement (which, together with the exhibits hereto, is referred to as the “Purchase Agreement”) with the Goleta Facilities Financing Authority (the “Authority”) and the City of Goleta, California (the “City”), which, upon the acceptance of the Authority and the City, will be binding upon the Authority, the City and the Underwriter. This offer is made subject to acceptance by the Authority and by the City by the execution of this Purchase Agreement and delivery of the same to the Underwriter prior to 11:59 P.M., California time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Authority and the City at any time prior to the acceptance hereof by the Authority and the City. Capitalized terms that are used herein and not otherwise defined have the meanings that are set forth in the Trust Agreement, dated as of [February] 1, 2025 (the “Trust Agreement”), by and among the Authority, the City and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”).

**Section 1. Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the Authority, and the Authority hereby agrees to issue, sell and deliver to the Underwriter all (but not less than all) of the Goleta Facilities Financing Authority Local Measure A Transportation Sales Tax Revenue Bonds, Series 2025 in the aggregate principal amount of \$\_\_\_\_\_ (the “Bonds”). The Bonds will be dated as of their date of delivery. Interest on the Bonds shall be payable semiannually on [May 1, 2025] and each May 1 and November 1 as provided in the Trust Agreement, and will mature, bear interest and be subject to redemption prior to maturity as set forth in Exhibit A. The purchase price of the Bonds shall be equal to \$\_\_\_\_\_ (being the aggregate principal amount thereof [plus][less] a [net] original issue [premium][discount] of \$\_\_\_\_\_, less an underwriter’s discount of \$\_\_\_\_\_). The Authority and the City acknowledge that the Underwriter will on the

Closing Date (as such term is defined herein), on behalf of the Authority and the City, wire a portion of the purchase price in the amount of \$\_\_\_\_\_ representing the premiums for the Policy and the Reserve Policy (as such terms are defined herein), directly to \_\_\_\_\_ (the “Insurer”).

**Section 2. The Bonds.** The Bonds shall be secured by a pledge of revenues consisting primarily of installment sale payments (“Installment Sale Payments”) to be paid by the City to the Authority pursuant to the Installment Sale Agreement, dated as of [February] 1, 2025 (the “Installment Sale Agreement”), by and between the City and the Authority. Under the Installment Sale Agreement, the Authority will acquire and construct certain public capital improvements located in various sites in the City of Goleta, including the Ekwil Street and Fowler Road extension (including the Hollister Avenue Old Town interim striping project), Cathedral Oaks crib wall repair, San Jose Creek bike path, Hollister Avenue Bridge replacement, and Goleta Train Depot and South La Patera Lane improvements, and related street resurfacing and public walkway improvements (collectively, the “Project”) for, and sell the Project to, the City in consideration for the City’s payment of the Installment Sale Payments.

The Bonds shall be as described in, and shall be secured under and pursuant to the Trust Agreement substantially in the form previously submitted to the Underwriter with only such changes therein as shall be mutually agreed upon by the Authority, the City and the Underwriter.

The proceeds of the Bonds shall be used to: [(i) to finance all or a portion of the acquisition, construction and/or installation of the Project, and (ii) pay the costs incurred in connection with the issuance of the Bonds, including the premium for a municipal bond insurance policy to be issued by the Insurer insuring the Bonds maturing on November 1 of the years \_\_\_ through \_\_\_, inclusive (the “Policy”) and a debt service reserve insurance policy issued by the Insurer for deposit in the Reserve Account established and maintained under the Trust Agreement to satisfy the initial Reserve Requirement for the Bonds.]

The Installment Sale Payments shall be secured by a first lien on Measure A Revenues (as defined below) allocated by the Santa Barbara County Local Transportation Authority to the City (the “Transportation Authority”) as the City’s share of local program funding pursuant to Section 18 of the Measure A Ordinance in an amount not greater than the Installment Sale Payments (the “Measure A Receipts”).

“Measure A Revenues” means the revenues of the Transportation Authority pursuant to the Measure A Ordinance derived from a retail transactions and use tax imposed in the County of Santa Barbara pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code of the State of California, as now in effect and as it may from time to time hereafter be amended or supplemented, Division 12 (Section 130350 et seq.) of the Public Utilities Code of the State of California, as now in effect and as it may from time to time hereafter be amended or supplemented, and the Measure A Ordinance.

“Measure A Ordinance” means Ordinance No. 5, the “Road Repair, Traffic Relief and Transportation Safety Measure for Santa Barbara County,” approved by the Transportation Authority on June 19, 2008 and approved by at least two-thirds of electors voting on such proposition in the November 4, 2008 election, as supplemented and amended, including the Transportation Investment Plan (the “Investment Plan”), Appendix A and Appendix B-1 to the Investment Plan, adopted by the Transportation Authority, as supplemented and amended.

The Bonds, this Purchase Agreement, the Trust Agreement, the Installment Sale Agreement, the resolution of the Authority authorizing the issuance of the Bonds and the resolution of the Authority approving the Preliminary Official Statement and final Official Statement with respect to the Bonds, duly adopted at regular meetings of the Authority Board of Directors held, respectively, \_\_\_\_\_, 2024 and \_\_\_\_\_, 2025 (collectively, the “Authority Resolutions”) are collectively referred to herein as the “Authority Documents.”

This Purchase Agreement, the Trust Agreement, the Continuing Disclosure Certificate of the City, dated the date of issuance of the Bonds (the “Continuing Disclosure Certificate”), the Installment Sale Agreement, [the Debt Service Reserve Agreement, dated the Closing Date, by and between the City and the Insurer,] the resolution of the City approving the issuance of the Bonds and the resolution of the City approving the Preliminary Official Statement and final Official Statement and authorizing the execution and delivery of the Continuing Disclosure Certificate with respect to the Bonds, duly adopted at regular meetings of the City Council held, respectively, on \_\_\_\_\_, 2024 and \_\_\_\_\_, 2025 (collectively, the “City Resolutions”) are collectively referred to herein as the “City Documents.”

Concurrently with the issuance and delivery of the Bonds, Authority expects to issue and deliver its Lease Revenue Bonds, Series 2025A (the “2025 Lease Revenue Bonds”) to provide funds to pay for a portion of the Project. The delivery of the Bonds is not contingent upon the concurrent issuance and delivery of the 2025 Lease Revenue Bonds.

### **Section 3. Public Offering and Establishment of Issue Price.**

(a) The Underwriter agrees to make an initial public offering of all of the Bonds at the public offering prices (or yields) set forth in Exhibit A and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth on Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices. The City and the Authority acknowledge and agree that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the City and the Authority, on one hand, and the Underwriter, on the other; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of The Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City or Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or Authority on other matters); (iv) the Underwriter has financial and other interests that differ from those of the City and the Authority; and (v) the City and Authority have consulted their own legal, financial and other advisors to the extent that they have deemed appropriate.

(b) The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing (as defined below) an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form set forth in Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel (as such term is defined below), to accurately reflect, as applicable, the sales price or prices or the initial offering

price or prices to the public of the Bonds and the 2025 Lease Revenues Bonds, if applicable. All actions to be taken by the Authority under this section to establish the issue price of the Bonds may be taken on behalf of the Authority by the Authority's municipal advisor, Urban Futures, Incorporated (the "Municipal Advisor") and any notice or report to be provided to the Authority may be provided to the Authority's Municipal Advisor.

(c) Except as otherwise set forth in Exhibit A, the Authority will treat the first price at which 10% of each maturity of the Bonds (the "10% test"), identified under the column "10% Test Used" in Exhibit A, is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until either: (i) the Underwriter has sold all of the Bonds of that maturity; or (ii), the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon the request of the Authority or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds. For clarity, and notwithstanding any other condition to Closing set forth in this Purchase Agreement, the sale of 10% of each maturity of the Bonds to the public prior to the Closing Date shall not be a condition to Closing.

(d) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A, except as otherwise set forth therein. Exhibit A also sets forth, identified under the column "Hold the Offering Price Rule Used," as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the Authority promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

- (e) The Underwriter confirms that:
- (1) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains

or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter; (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public; and

(2) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(f) The Authority acknowledges that, in making the representations set forth in this Section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Authority further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(g) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party;

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third party distribution agreement participating in the initial sale of the Bonds to the public);

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

**Section 4. The Official Statement.** By their acceptance of this proposal, the Authority and the City ratify, confirm and approve of the use and distribution by the Underwriter prior to the date hereof of the Preliminary Official Statement relating to the Bonds dated [POS Date] (including the cover page, all appendices and all information incorporated therein and any other supplements or amendments thereto and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, the “Preliminary Official Statement”) that authorized officers of the City and the Authority deemed “final” as of its date for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), except for certain information that is permitted to be omitted therefrom by Rule 15c2-12. The Authority and the City agree to deliver or cause to be delivered to the Underwriter, within seven business days of the date hereof, copies of the final official statement, dated the date hereof, relating to the Bonds (including all information that was previously permitted to have been omitted by Rule 15c2-12), including the cover page, all appendices, all information incorporated therein and any amendments or supplements as have been approved by the Authority, the City and the Underwriter (the “Official Statement”) in such quantity as the Underwriter shall reasonably request to comply with Section (b)(4) of Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board (the “MSRB”).

The Underwriter hereby agrees that it will not request that payment be made by any purchaser of the Bonds prior to delivery by the Underwriter to the purchaser of a copy of the Official Statement. The Underwriter agrees: (i) to provide the Authority and the City with final pricing information on the Bonds on a timely basis; and (ii) to file a copy of the Official Statement, including any supplements prepared by the Authority or the City in accordance with MSRB rules with the MSRB at <http://emma.msrb.org>. The Authority and the City hereby approve of the use and distribution by the Underwriter of the Preliminary Official Statement in connection with the offer and sale of the Bonds. The Authority and the City will cooperate with the Underwriter in the filing by the Underwriter of the Official Statement with the MSRB.

**Section 5. Closing.** At 8:30 a.m., California time, on [Closing Date], or at such other time or date as the Authority and the Underwriter agree upon (the “Closing Date”), the Authority shall

deliver or cause to be delivered to the Trustee, the Bonds, in definitive form, registered in the name of Cede & Co., as the nominee of The Depository Trust Company (“DTC”), so that the Bonds may be authenticated by the Trustee and credited to the account specified by the Underwriter under DTC’s FAST procedures. Concurrently with the delivery of the Bonds, the Authority and the City will deliver the documents hereinafter mentioned at the offices of Orrick, Herrington & Sutcliffe LLP, Los Angeles (“Bond Counsel”), or another place to be mutually agreed upon by the Authority, the City and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in immediately available funds. This payment for and delivery of the Bonds, together with the delivery of the aforementioned documents, is herein called the “Closing.”

The Bonds shall be registered in the name of Cede & Co., as nominee of DTC in denominations of five thousand dollars (\$5,000) or any integral multiple thereof. The Authority and the City acknowledge that the services of DTC will be used initially by the Underwriter in order to permit the issuance of the Bonds in book-entry form, and agree to cooperate fully with the Underwriter in employing such services.

**Section 6. Representations, Warranties and Covenants of the Authority.** The Authority represents, warrants and covenants to the Underwriter and the City that:

(a) The Authority is a public body that is duly organized and existing under the Constitution and laws of the State of California (the “State”), including Articles 1, 2 and 4 of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (the “JPA Act”) and the Joint Exercise of Powers Agreement, dated [\_\_\_\_\_, 2024] (the “JPA Agreement”), by and between the City and the California Statewide Communities Development Authority.

(b) The Authority has full legal right, power and authority to adopt or enter into, as the case may be, and to carry out and consummate the transactions on its part contemplated by the Authority Documents.

(c) By all necessary official action at regular meetings of the Authority’s Board of Directors that were duly noticed and held, the Authority has adopted the Authority Resolutions, has duly authorized and approved the issuance of the Bonds and the execution of the Authority Documents, has duly authorized and approved the Preliminary Official Statement, will, by execution thereof, duly authorize and approve the Official Statement, and has duly authorized and approved the execution and delivery of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents and the consummation by it of all other transactions contemplated by the Authority Documents in connection with the issuance of the Bonds. As of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, and assuming due execution and delivery by the other parties thereto, if applicable, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against joint powers authorities in the State. The Authority has complied, and will at the Closing be in compliance in all material respects, with the terms of the Authority Documents.

(d) The Authority is not in any material respect in breach of or default under any applicable constitutional provision, law or administrative regulation of any state or of the United States, or any agency or instrumentality of either, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party which breach or default has or may have a materially adverse effect on the ability of the Authority to perform its obligations under the Authority Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the adoption, execution and delivery of the Authority Documents, if applicable, and compliance with the provisions on the Authority's part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Authority or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.

(e) All material authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the Authority of its obligations in connection with the Authority Documents have been duly obtained or, when required for future performance, are expected to be obtained, other than such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Preliminary Official Statement and the Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the Authority of its obligations under the Authority Documents have been duly obtained.

(f) The Authority hereby agrees that it will notify the other parties hereto if, within the period from the date of this Purchase Agreement to and including the date that is twenty-five (25) days following the end of the underwriting period (as such term is defined below), the Authority discovers any pre-existing or subsequent fact or becomes aware of the occurrence of any event, in any such case, which might cause the Official Statement (as the same may have then been supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(g) As of the time of acceptance hereof and the Closing, except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental authority, public board or body, pending, with service of process upon the Authority having been accomplished, or threatened in writing to the Authority: (i) in any way questioning the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, the payment or collection of Installment Sale Payments with respect to the Installment Sale Agreement or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity of the Bonds or the other

Authority Documents or the consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of the interest on the Bonds from taxation or contesting the powers of the Authority or its authority to issue the Bonds; (iii) which would be likely to result in any material adverse change relating to the business, operations or financial condition of the Authority; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(h) To the Authority's knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of paragraph 6(g).

(j) The Authority will refrain from taking any action, or permitting any action to be taken, with regard to which the Authority may exercise control, that results in the loss of the tax-exempt status of the interest on the Bonds.

(k) Between the date of this Purchase Agreement and twenty-five (25) days after the end of the underwriting period (as hereinafter defined), the Authority will not, without the prior written consent of the Underwriter, offer or issue any certificates, bonds, notes, or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Installment Sale Payments.

(l) The Authority will refrain from taking any action, or permitting any action to be taken, to reduce the amount of the Installment Sale Payments while the Bonds are Outstanding, and the Authority will collect the Installment Sale Payments in accordance with the Installment Sale Agreement.

(m) Any certificate signed by any officer of the Authority authorized to execute such certificate in connection with the execution, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the Authority to the Underwriter and the City as to the statements made therein but not of the person signing such certificate.

**Section 7. Representations, Warranties and Covenants of the City.** The City represents, warrants and covenants to the Underwriter and the Authority that:

(a) The City is a municipal corporation and general law city duly organized and existing under and by virtue of the Constitution and laws of the State.

(b) The City has full legal right, power and authority to adopt or enter into, as the case may be, and to carry out and consummate the transactions on its part contemplated by the City Documents.

(c) By all necessary official action, the City has adopted the City Resolutions, has duly authorized and approved the City Documents, has duly authorized and approved the Preliminary Official Statement and the Official Statement and has duly authorized and approved the execution and delivery of, and the performance by the City of the obligations on its part contained in, the City Documents and the consummation by it of all other transactions contemplated by the City Documents in connection with the issuance of the Bonds. As of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, and assuming due execution and delivery by the other parties thereto, if applicable, the City Documents will constitute the legally valid and binding obligations of the City enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against municipal corporations in the State. The City has complied, and will at the Closing be in compliance in all material respects, with the terms of the City Documents.

(d) The City is not in any material respect in breach of or default under any applicable constitutional provision, law, ordinance or administrative rule or regulation of the State, the County or the Transportation Authority, or administrative regulation of any state or of the United States, or any agency or instrumentality thereof either, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party which breach or default has or may have a materially adverse effect on the ability of the City to perform its obligations under the City Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the adoption, execution and delivery of the City Documents, if applicable, and compliance with the provisions on the City's part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the City or under the terms of any such law, regulation or instrument, except as may be provided by the City Documents.

(e) To the best of the City's knowledge as confirmed by an officer of the City on or about the date of the Preliminary Official Statement, the Transportation Authority is not in any material respect in breach of or default under the Measure A Ordinance, the Investment Plan, any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Transportation Authority is a party which breach or default has or may have a materially adverse effect on the ability of the Transportation Authority to perform its obligations, including to meet debt service requirements, under any of its limited tax bonds or similar obligations payable from Measure A Revenues, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument.

(f) All material authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the City of its obligations in connection with the City Documents have been duly obtained or, when

required for future performance, are expected to be obtained, other than such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Preliminary Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the City of its obligations under the City Documents have been duly obtained.

(g) The Preliminary Official Statement was as of its date and at the date hereof, and the Official Statement is, and at all times subsequent to the date of the Official Statement up to and including the Closing will be, true and correct in all material respects, and the Preliminary Official Statement did not as of its date and at the hereof, and the Official Statement does not and will not, at all times subsequent to the date of the Official Statement up to and including the Closing, contain any untrue statement of a material fact or omit to state a material fact that is necessary to make the statements contained therein, in the light of the circumstances under which they were made, not misleading (except that this representation does not include statements in the Official Statement under the captions [“THE AUTHORITY” and “UNDERWRITING”], information regarding DTC and its book-entry only system, and information regarding the Insurer, the Policy and the Reserve Policy, as to which no view is expressed).

(h) The City will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement. The City will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental authority prohibiting or otherwise affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds.

(i) As of the time of acceptance hereof and the Closing, except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental authority, public board or body, pending, with service of process upon the City having been accomplished, or threatened in writing to the City: (i) in any way questioning the corporate existence of the City or the titles of the officers of the City to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, the payment or collection of Installment Sale Payments or any other amounts pledged or to be pledged to pay the principal of and interest on the Bonds, the payment or collection of Measure A Receipts or Measure A Revenues or any other amounts pledged or to be pledged to pay Installment Sale Payments, or in any way contesting or affecting the validity of the Bonds or the City Documents or the consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of the interest on the Bonds from taxation, or contesting the powers of the Authority to issue the Bonds; (iii) which would be likely to result in any material adverse change relating the City’s ability to pay Installment Sale Payments when due or the City’s right to receive and expend Measure A Receipts on the Project or the payment of Installment Sale Payments when due; (iv) which would be likely to result in any material adverse change relating to the business, operations or financial condition of the City; or (v) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact that is necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) To the City's knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (v) of paragraph 7(i).

(k) Until the date which is twenty-five (25) days after the end of the underwriting period, if any event shall occur of which the City is aware that would cause the Official Statement to contain any untrue statement of a material fact or omit to state a material fact that is necessary in order to make the statements in the Official Statement, in light of the circumstances under which they were made, not misleading (except that this representation does not include information regarding DTC and its book entry only system, and information regarding the Insurer, the Policy, and the Reserve Policy, as to which no view is expressed), the City shall forthwith notify the Underwriter of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriter's reasonable opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time and the City shall promptly furnish to the Underwriter a reasonable number of copies of such supplement. As used herein, the term "end of the underwriting period" means the later of such time as: (i) the Authority delivers the Bonds to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the end of the underwriting period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered by the Underwriter to the City at or prior to the Closing Date of the Bonds and shall specify a date (other than the Closing Date) to be deemed the end of the underwriting period.

(l) Except as disclosed in the Preliminary Official Statement and the Official Statement, the City has not within the last five years failed to comply in any material respect with any continuing disclosure undertakings with regard to Rule 15c2-12 to provide annual reports or notices of material events specified in such rule.

(m) The City will refrain from taking any action, or permitting any action to be taken, with regard to which the City may exercise control, that results in the loss of the tax-exempt status of the interest on the Bonds.

(n) The financial statements relating to the receipts, expenditures and cash balances of the City as of [June 30, 2023] attached as [Appendix C] to the Official Statement fairly represent the receipts, expenditures and cash balances of the City. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the City or in its operations since [June 30, 2023] and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(o) To the extent required by law, the City will undertake, pursuant to the Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A form of the Continuing Disclosure Certificate is set forth in [Appendix E] to the Preliminary Official Statement and will also be set forth in the Official Statement.

(p) Between the date of this Purchase Agreement and twenty-five (25) days after the end of the underwriting period, the City will not, without the prior written consent of the Underwriter, offer or issue any certificates, bonds, notes, or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Measure A Receipts.

(q) Any certificate signed by any officer of the City authorized to execute such certificate in connection with the execution, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the City to the Underwriter and the Authority as to the statements made therein but not of the person signing such certificate.

**Section 8. Conditions to the Obligations of the Underwriter.** The Underwriter has entered into this Purchase Agreement in reliance upon the representations and warranties of the Authority and the City contained herein. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the statements of the officers and other officials of the Authority and of the City, as well as authorized representatives of Bond Counsel and the Trustee made in any certificates or other documents furnished pursuant to the provisions hereof; to the performance by the Authority and the City of their obligations to be performed under the Authority Documents and the City Documents, respectively, at or prior to the Closing Date; and to the following additional conditions:

(a) The representations, warranties and covenants of the City and the Authority contained herein shall be true and correct at the date hereof and at the time of the Closing, as if made on the Closing Date.

(b) At the time of Closing, the City Documents and the Authority Documents shall be in full force and effect as valid and binding agreements between or among the various parties thereto, and the City Documents, the Authority Documents and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter.

(c) At the time of the Closing, no material default shall have occurred or be existing under the City Documents, the Authority Documents or any other agreement or document pursuant to which any of the City's financial obligations were executed and delivered, and the City and the Authority shall not be in default in the payment of principal or interest with respect to any of their respective financial obligations, which default would materially adversely impact the ability of the City to pay the Installment Sale Payments or the Authority to pay the Bonds.

(d) In recognition of the desire of the Authority, the City and the Underwriter to effect a successful public offering of the Bonds, and in view of the potential adverse impact of any of the following events on such a public offering, this Purchase Agreement shall be subject to termination in the discretion of the Underwriter by notification, in writing, to the Authority and the City prior to delivery of and payment for the Bonds, if between the date hereof and the time of Closing, in the Underwriter's sole and reasonable judgment any of the following events shall occur (each a "Termination Event"):

(iii) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and be in force; or

(iv) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred; or

(v) any new restriction on transactions in securities materially affecting the market for securities (including the imposition of any limitation on interest rates) or the extension of credit by, or a charge to the net capital requirements of, underwriters shall have been established by the New York Stock Exchange, the SEC, any other federal or State agency or the Congress of the United States, or by Executive Order; or

(vi) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act of 1933, as amended and as then in effect, the Securities Exchange Act of 1934, as amended and as then in effect, or the Trust Indenture Act of 1939; or

The Bonds are being delivered pursuant to a Trust Agreement dated as of February 1, 2025 (the “Trust Agreement”), by and among the Authority, the City and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”). Capitalized terms not otherwise defined herein shall have the meanings set forth in the Bond Purchase Agreement dated February \_\_, 2025 (the “Purchase Agreement”), among Stifel, Nicolaus & Company, Incorporated, (the “Underwriter”), the Authority and the City. This letter is being delivered to you pursuant to Section [8(e)(xv)] of the Purchase Agreement.

In rendering the advice contained herein, we have examined originals or copies certified or otherwise identified to our satisfaction of: (i) the Preliminary Official Statement dated February \_\_, 2025 (the “Preliminary Official Statement”) relating to the Bonds; (ii) the Official Statement, dated February \_\_, 2025 (the “Official Statement”), relating to the Bonds; and (iii) the agreements, letters, certificates, and opinions delivered to you pursuant to Section [8] of the Purchase Agreement. We do not assume any responsibility for any electronic version of the Preliminary Official Statement or the Official Statement and assume that any such version is identical in all respects to the version printed at closing for the transcript.

We have assumed, but not independently verified, that the signatures on all documents, letters, opinions and certificates which we have examined are genuine, that all documents submitted to us are authentic and were duly and properly executed by the parties thereto and that all representations made in the documents that we have reviewed are true and accurate.

We express no opinion regarding any tax consequences with respect to the Bonds. No opinion is expressed herein with respect to the compliance with, or applicability of, any “blue sky” laws of any state as they relate to the offer or sale of the Bonds.

We are not passing upon and have not undertaken to determine independently or to verify the accuracy or completeness of the statements contained in the Preliminary Official Statement and the Official Statement and are, therefore, unable to make any representation to you in that regard. Based on our participation in conferences prior to the date of the Official Statement with representatives of the Authority and the City, Urban Futures, Inc., as municipal advisor to the City, the City Attorney, the Underwriter, Underwriter’s counsel, and others, during which the content of the Preliminary

However, in providing advice and assistance as Disclosure Counsel, we provided no independent diligence on the MSRB’s Electronic Municipal Market Access website, and we express no view regarding the City’s or the City’s related entities’ compliance with any obligation to file annual reports or provide notice of events, each as described in Rule 15c2-12. Finally, we advise you that, other than reviewing the various certificates and opinions required by Section [8] of the Purchase Agreement, we have not taken any steps since the date of the Official Statement to verify the accuracy of the statements contained in the Preliminary Official Statement or the Official Statement as of the date hereof. No responsibility is undertaken or opinion rendered with respect to any other disclosure document, materials or activity, or as to any information from another document or source referred to by, or incorporated by reference in, the Official Statement.

By acceptance of this letter you acknowledge that the preceding paragraph is neither a legal opinion nor a guarantee regarding the Preliminary Official Statement or the Official Statement; rather it is a statement of negative assurance regarding factual information that did not come to the attention of the attorneys in our firm working on this matter during the limited activities that we performed as Disclosure Counsel. Our services did not include financial or other non-legal advice.

By acceptance of the letter, the Underwriter recognizes and acknowledges that: (i) the advice herein is based on certain limited activities performed by specific attorneys in our firm in our role as Disclosure Counsel; (ii) the scope of the activities performed by such attorneys in our role as Disclosure Counsel and for purposes of delivering such advice was inherently limited and does not purport to encompass all activities necessary for compliance by the Underwriters with applicable state and federal securities laws; and (iii) the activities performed by such attorneys in our role as Disclosure Counsel rely in part by representations, warranties, certifications and opinions of other parties to the

transaction, including representations, warranties and certifications made by the Authority, the City, the Underwriter and others.

This letter is furnished by us as Disclosure Counsel to the Authority and the City. No attorney-client relationship has existed or exists between our firm and you in connection with the Bonds or by virtue of this letter. This letter is solely for your benefit and is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose without our prior written consent. This letter is not intended to and may not be relied upon by owners of Bonds or any beneficial interest therein.

Our engagement with respect to the Bonds terminates as of the date hereof, and we have not undertaken any duty, and expressly disclaim any responsibility, to advise you as to events occurring after the date hereof with respect to the Bonds or other matters discussed herein or in the Official Statement.

Respectfully submitted,

**SECTION 1:**

All of the recitals herein contained are true and correct and the Board of Directors so finds. The Board of Directors of the Authority has determined and hereby finds that the Authority's assistance in financing the Project by the issuance of the Bonds and related transactions will result in significant public benefits of the type described in Section 6586 (a) through (d), inclusive, of the Act.

**SECTION 2:**

The forms of the Lease Agreement and the Ground Lease, on file with the Secretary of the Authority, are hereby approved, and the Chair, Vice Chair, Executive Director, Treasurer, and Secretary, and each of their authorized designees (the "Authorized Officers"), are each hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver the Lease Agreement and the Ground Lease, respectively, in substantially said forms, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the term of the Lease Agreement and the Ground Lease shall terminate no later than May 1, 2056 (provided that such term may be extended as provided therein) and the all-in true interest cost applicable to the interest components of the Base Rental Payments shall not exceed 5.0% per annum. In the event that it is determined by the Executive Director, or his designee, that there are limitations or restrictions on the ability of the City to lease or sublease any portion of the Leased Assets as contemplated by the Ground Lease and Lease Agreement, or that other City-owned property would be more appropriate to use as Leased Assets under the Ground Lease and the Lease Agreement the Executive Director, or his designee, is hereby expressly authorized to designate other or additional real property of the City to be leased or subleased pursuant to the Ground Lease and Lease Agreement, with such designation to be conclusively evidenced by the execution and delivery of the Ground Lease and Lease Agreement by an Authorized Officer.

**SECTION 3:**

The form of Indenture, on file with the Secretary of the Authority, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver the Indenture in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution and delivery thereof; provided,

however, that the aggregate principal amount of the Bonds shall not exceed \$23,000,000, the final maturity date of the Bonds shall be no later than May 1, 2056 and the all-in true interest cost applicable to the Bonds shall not exceed 5.0% per annum and, provided, further, that such changes, insertions and omissions shall be consistent with the terms of the Bonds established at negotiated sale pursuant to the Bond Purchase Agreement. In the event that it is determined by the Treasurer, or his designee, that the funding or financing of capitalized interest on the Bonds would be in the best interests of the Authority, the Indenture may be modified to provide for capitalized interest on such basis as is determined by the Treasurer or his designee, such determination to be conclusively evidenced by the execution and delivery of the Indenture by an Authorized Officer.

**SECTION 4:**

The issuance of not to exceed \$23,000,000 aggregate principal amount of the Bonds, in the principal amounts, bearing interest at the rates and maturing on the dates as specified in the Indenture as finally executed, is hereby authorized and approved.

**SECTION 5:**

The form of Assignment Agreement, on file with the Secretary of the Authority, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the Authority, to execute and deliver the Assignment Agreement in substantially said form, with such changes, insertions and omissions therein as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution and delivery thereof.

**SECTION 6:**

The Bond Purchase Agreement, on file with the Secretary of the Authority, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name of the Authority to execute and deliver the Bond Purchase Agreement in substantially said form, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the Bond Purchase Agreement by such Authorized Officer; provided, however, that such changes, insertions and omissions shall not result in an aggregate underwriter's discount (not including any original issue discount paid by the Underwriter) from the principal amount of the Bonds in excess of one half of one percent (0.50%) of the aggregate principal amount of the Bonds.

**SECTION 7:**

Stradling Yocca Carlson & Rauth LLP, is hereby approved and appointed as Bond Counsel, Orrick, Herrington & Sutcliffe LLP, is hereby approved and appointed as Disclosure Counsel, Urban Futures, Inc., is hereby approved and appointed as Municipal Advisor, and The Bank of New York Mellon Trust Company, N.A. is hereby appointed as Trustee, each to provide such services to the Authority and any other related services as may be required to issue the Bonds.

**SECTION 8:**

With the passage of this Resolution, the Authority hereby adopts the City's Debt Management Policy and certifies that such Debt Management Policy complies with Government Code Section 8855(i), and that the Authority's financing described in this Resolution and its obligations under the Indenture as contemplated by this Resolution is in compliance with the Debt Management Policy, and to the extent the sale and issuance of the Bonds is not in compliance with the Debt Management Policy, such noncompliance is waived in accordance with the terms of the Debt Management Policy, and instructs Stradling Yocca Carlson & Rauth LLP, as Bond Counsel, on behalf of the Authority, with respect to the Bonds described in this Resolution, (a) to cause notices of the proposed sale and final sale of the Bonds to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to Government Code Section 8855, and (b) to check, on behalf of the Authority, the "Yes" box relating to such certifications in the notice of proposed sale filed pursuant to Government Code Section 8855.

**SECTION 9:**

The officers and agents of the Authority are hereby authorized and directed, jointly and severally, to do any and all things which they may deem necessary or advisable in order to consummate the transactions herein authorized and otherwise to carry out, give effect to and comply with the terms and intent of this Resolution. Specifically and without limiting the foregoing, the Executive Director and/or the Treasurer is authorized and directed to solicit and accept bids for bond insurance and, if applicable, a reserve account insurance policy, for the Bonds, provided he determines acceptance of the best bid will result in lower overall debt service or lower interest cost, and appropriate changes to each of the documents referenced herein to evidence such bond insurance and the terms thereof, are hereby authorized and approved. Anything to the contrary herein notwithstanding, in the event the Executive Director determines in consultation with the Municipal Advisor that the cost-efficient marketing of the Bonds requires creation of a funded reserve under the Indenture, each of the Indenture, Lease Agreement and other documents approved herein may be revised to reflect the funding of such a reserve. All actions heretofore taken by the Authorized Officers and the officers and agents of the Authority with respect to the transactions set forth above are hereby approved, confirmed and ratified.

**SECTION 10:**

The Board hereby approves the execution and delivery of any and all agreements, documents, certificates and instruments referred to herein with electronic signatures as may be permitted under the California Uniform Electronic Transactions Act and digital signatures as may be permitted under Section 16.5 of the Government Code using DocuSign.

**SECTION 11:**

This Resolution shall take effect from and after its date of adoption.

## EXHIBIT A

### GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the Authority by the Authority's Municipal Advisor, Urban Futures, Inc., in consultation with Stifel, Nicolaus & Company, Incorporated, the Underwriter of the Bonds.

*Principal Amount.* The Municipal Advisor has informed the Authority that, based on the Authority's financing plan and current market conditions, its good faith estimate of the aggregate principal amount of the Bonds to be issued and sold is **\$17,410,000** (the "Estimated Principal Amount"), which excludes approximately **\$1,750,708** of net premium estimated to be generated based on current market conditions. Net premium is generated when, on a net aggregate basis for a single issuance of bonds, the price paid for such bonds is higher than the face value of such bonds. The Estimated Principal Amount plus the net premium represent the total estimated proceeds available in the aggregate amount of **\$19,160,708**.

*True Interest Cost of the Bonds.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the true interest cost of the Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Bonds, is **4.27%**.

*Finance Charge of the Bonds.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the finance charge for the Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the Bonds), is **\$436,734**.

*Amount of Proceeds to be Received.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the amount of proceeds expected to be received by the Authority for sale of the Bonds, less the finance charge of the Bonds, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the Bonds, is **\$18,723,974**.

*Total Payment Amount.* The Municipal Advisor has informed the Authority that, assuming that the Estimated Principal Amount of the Bonds is issued and sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the total payment amount, which means the sum total of all payments the Authority will make to pay debt service on the Bonds, plus the finance charge for the Bonds, as described above, not paid with the proceeds of the Bonds, calculated to the final maturity of the Bonds, is **\$34,127,506**, which excludes any reserves or capitalized interest paid or funded with proceeds of the Bonds (which may offset such total payment amount) and further excludes future administrative costs such as trustee and continuing disclosure costs.

The foregoing estimates constitute good faith estimates only and are based on market conditions prevailing at the time of preparation of such estimates. The actual principal amount of the Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to (a) the actual date of the sale of the Bonds being different than the date assumed for purposes of such estimates, (b) the actual principal amount of Bonds issued and sold being different from the Estimated Principal Amount, (c) the actual amortization of the Bonds being different than the amortization assumed for purposes of such estimates, (d) the actual market interest rates at the time of sale of the Bonds being different than those estimated for purposes of such estimates, (e) other market conditions, (f) alterations to the Authority's financing plan, or a combination of such factors.

## ARTICLE V

### ASSIGNMENT, SUBLEASING, MORTGAGING AND SELLING

**Section 5.01 Assignment and Subleasing.** This Ground Lease may be sold or assigned and the Property subleased, as a whole or in part, by the Authority without the necessity of obtaining the consent of the City, if an event of default occurs under the Lease Agreement. ### LEASE OF PROPERTY; TERM

#### Section 2.01 Lease of Property.

(a) The Authority hereby leases to the City and the City hereby leases from the Authority the Property, on the terms and conditions hereinafter set forth, subject to all Permitted Encumbrances.

(b) The leasing of the Property by the City to the Authority pursuant to the Ground Lease shall not effect or result in a merger of the City’s leasehold estate pursuant to this Lease Agreement and its fee estate as lessor under the Ground Lease, and the Authority shall continue to have a leasehold estate in the Property pursuant to the Ground Lease throughout the term thereof and hereof. The leasehold interest granted by the City to the Authority pursuant to the Ground Lease is and shall be independent of this Lease Agreement; this Lease Agreement shall not be an assignment or surrender of the leasehold interest granted to the Authority under the Ground Lease.

**Section 2.02 Term; Occupancy.** The term of this Lease Agreement shall commence on the Closing Date and shall end on the Termination Date, unless such term is extended or sooner terminated as hereinafter provided. If on the Termination Date the Bonds shall not be fully paid, or provision therefor made in accordance with Article X of the Indenture, or the Indenture shall not be discharged by its terms, or if the Rental Payments shall remain due and payable or shall have been abated at any time and for any reason, or amounts shall be due and owing hereunder or under the Indenture to the Insurer, then the term of this Lease Agreement shall be extended until the date upon which (i) all Bonds shall be fully paid, or provision therefor made in accordance with Article X of the Indenture, (ii) the Indenture shall be discharged by its terms and all Rental Payments shall have been paid in full or (iii) all amounts due and owing to the Insurer hereunder or under the Indenture shall be fully paid.

Notwithstanding the foregoing, the term of this Lease Agreement shall in no event be extended more than ten years beyond the Termination Date, such extended date being the “Maximum Lease Term.” If prior to the Termination Date, all Bonds shall be fully paid, or provision therefor made in accordance with Article X of the Indenture, the Indenture shall be discharged by its terms and all Rental Payments shall have been paid in full, then the term of this Lease Agreement shall end simultaneously therewith.

### **ARTICLE III**

#### **RENTAL PAYMENTS**

##### **Section 3.01 Base Rental Payments.**

(a) Subject to the provisions hereof relating to a revision of the Base Rental Payment Schedule pursuant to subsection (b) of this Section, the City shall pay to the Authority, as Base Rental Payments (subject to the provisions of Section 3.06 and Article VIII hereof) the amount at the times specified in the Base Rental Payment Schedule, a portion of which Base Rental Payments shall constitute principal, and a portion of which shall constitute interest. Rental Payments, including Base Rental Payments, shall be paid by the City to the Authority for and in consideration of the right to use and occupy the Property and in consideration of the continued right to the quiet use and enjoyment thereof during each Rental Period for which such Rental Payments are to be paid.

The obligation of the City to make the Base Rental Payments does not constitute a debt of the City or of the State of California, or of any political subdivision thereof, within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the City or the State of California is obligated to levy or pledge any form of taxation or for which the City or the State of California has levied or pledged any form of taxation.

(b) If the term of this Lease Agreement shall have been extended pursuant to Section 2.02 hereof, the obligation of the City to pay Rental Payments shall continue to and including the Base Rental Deposit Date preceding the date of termination of this Lease Agreement (as so extended pursuant to Section 2.02 hereof). Upon such extension, the Base Rental Payments shall be established so that they will be sufficient to pay all extended and unpaid Base Rental Payments; provided, however, that the Rental Payments payable in any Rental Period shall not exceed the annual fair rental value of the Property.

**Section 3.02 Additional Rental Payments.** The City shall also pay, as Additional Rental Payments, such amounts as shall be required for the payment of the following:

(a) all taxes and assessments of any type or nature charged to the Authority or the City or affecting the Property or the respective interests or estates of the Authority or the City therein;

(b) all reasonable administrative costs of the Authority relating to the Property including, but without limiting the generality of the foregoing, salaries, wages, fees and expenses, compensation and indemnification of the Trustee payable by the Authority under the Indenture, fees of auditors, accountants, attorneys or engineers, and all other necessary and reasonable administrative costs of the Authority or charges required to be paid by it in order to maintain its existence or to comply with the terms of the Indenture or the Lease Agreement or to defend the Authority and its members, officers, agents and employees;

- (c) insurance premiums for all insurance required pursuant to Article VI hereof;
- (d) any amounts with respect to the Lease Agreement or the Bonds required to be rebated to the federal government in accordance with Section 148(f) of the Code;
- (e) all amounts due to the Insurer under the Indenture; and
- (f) all other payments required to be paid by the City under the provisions of this Lease Agreement or the Indenture.

Amounts constituting Additional Rental Payments payable hereunder shall be paid by the City directly to the person or persons to whom such amounts shall be payable. The City shall pay all such amounts when due or at such later time as such amounts may be paid without penalty or, in any other case, within 60 days after notice in writing from the Trustee to the City stating the amount of Additional Rental Payments then due and payable and the purpose thereof.

**Section 3.03 Fair Rental Value.** The parties hereto have agreed and determined that the annual fair rental value of the Property is not less than the maximum annual Rental Payments due in any year. In making such determination of fair rental value, consideration has been given to the uses and purposes that may be served by the Property and the benefits therefrom which will accrue to the City and the general public. Payments of the Rental Payments for the Property during each Rental Period shall constitute the total rental for said Rental Period.

**Section 3.04 Payment Provisions.** Each installment of Base Rental Payments payable hereunder shall be paid in lawful money of the United States of America to or upon the order of the Authority at the principal office of the Trustee in Los Angeles, California, or such other place or entity as the Authority or Trustee shall designate. Each Base Rental Payment shall be deposited with the Trustee no later than the Base Rental Deposit Date preceding the Interest Payment Date on which such Base Rental Payment is due. Any Base Rental Payment which shall not be paid by the City when due and payable under the terms of this Lease Agreement shall bear interest from the date when the same is due hereunder until the same shall be paid at the rate equal to the highest rate of interest on any of the Outstanding Bonds. Notwithstanding any dispute between the Authority and the City, the City shall make all Rental Payments when due without deduction or offset of any kind and shall not withhold any Rental Payments pending the final resolution of such dispute. In the event of a determination that the City was not liable for said Rental Payments or any portion thereof, said payments or excess of payments, as the case may be, shall be credited against subsequent Rental Payments due hereunder or refunded at the time of such determination. Amounts required to be deposited by the City with the Trustee pursuant to this Section on any date shall be reduced to the extent of available amounts on deposit in the Base Rental Payment Fund, the Interest Fund or the Principal Fund.

**Section 3.05 Appropriations Covenant.** The City covenants to take such action as may be necessary to include all Rental Payments due hereunder as a separate line item in its biennial budgets and to make necessary annual appropriations for all such Rental Payments. The City will deliver to the Authority and the Trustee a Certificate of the City stating that its final biennial budget includes all Base Rental Payments due in the fiscal years addressed in such budget within ten days after the filing or adoption thereof. The covenants on the part of the City herein contained shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the City to take such action and do such things as are required by law in the performance of the

official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease Agreement agreed to be carried out and performed by the City.

**Section 3.06 Rental Abatement.** Except as otherwise specifically provided in this Section, during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the City's right to use and occupy any portion of the Property, Rental Payments shall be abated proportionately, and the City waives the benefits of Civil Code Sections 1932(1), 1932(2) and 1933(4) and any and all other rights to terminate the Lease Agreement by virtue of any such interference, and the Lease Agreement shall continue in full force and effect. The amount of such abatement shall be agreed upon by the City and the Authority; provided, however, that the Rental Payments due for any Rental Period shall not exceed the annual fair rental value of that portion of the Property available for use and occupancy by the City during such Rental Period. The City and the Authority shall calculate such abatement and shall provide the Trustee with a certificate setting forth such calculation and the basis therefor. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage to or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed; and the term of this Lease Agreement shall be extended as provided in Section 2.02 hereof, except that the term shall in no event be extended beyond the Maximum Lease Term.

Notwithstanding the foregoing, to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Indenture or proceeds of the rental interruption insurance required by section 601(d) hereof are available, Rental Payments shall not be abated as provided above but, rather, shall be payable by the City as a special obligation payable solely from said funds, accounts, and proceeds.

All such additions, modifications and improvements shall thereafter comprise part of the Property and be subject to the provisions of this Lease Agreement. Such additions, modifications and improvements shall not in any way cause an abatement of Rental Payments with respect to the Property or cause it to be used for purposes other than those authorized under the provisions of State and federal law or in any way which would impair the State tax-exempt

status or the exclusion from gross income for federal income tax purposes of the interest on the Bonds and Additional Bonds (to the extent such Additional Bonds were issued as tax exempt Bonds); and the Property, upon completion of any additions, modifications and improvements made pursuant to this Section, shall have an annual fair rental value which is not less than the annual Rental Payments.

(ii) In the event such replacement, redevelopment or renovation would result in the temporary abatement of Rental Payments as provided in Section 3.06 hereof the City shall have notified any rating agency then providing a rating on the Bonds and shall deposit moneys with the Trustee in advance for payment of Rental Payments from the proceeds of Additional Bonds or from special funds of the City or other moneys, the application of which would not, in the opinion of Bond Counsel (a copy of which shall have been delivered to the Trustee), result in such Rental Payments constituting indebtedness of the City in contravention of the Constitution and laws of the State; and

#### Section 7.01 Defaults and Remedies.

(a) (i) If the City shall fail (A) to pay any Rental Payment payable hereunder when the same becomes due and payable, time being expressly declared to be of the essence in this Lease Agreement, or (B) to keep, observe or perform any other term, covenant or condition contained herein or in the Indenture to be kept or performed by the City, or (ii) upon the happening of any of the events specified in this subsection or in subsection (b) of this Section, the City shall be deemed to be in default hereunder and it shall be lawful for the Authority, upon the direction of the Insurer, to exercise any and all remedies available pursuant to law or granted pursuant to this Lease Agreement. The City shall in no event be in default in the observance or performance of any covenant, condition or agreement in this Lease Agreement on its part to be observed or performed, other than as referred to in clause (i)(A) or (ii) of the preceding sentence, unless the City shall have failed, for a period of 30 days or, with the prior written consent of the Insurer, such additional time as is reasonably required to correct any such default after notice by the Authority to the Insurer and the City properly specifying wherein the City has failed to perform any such covenant, condition or agreement. Upon any such default, the Authority, in addition to all other rights and remedies it may have at law, shall have the option to do any of the following:

(1) To terminate this Lease Agreement in the manner hereinafter provided on account of default by the City, notwithstanding any re-entry or re-letting of the Property as hereinafter provided for in subparagraph (2) hereof, and to re-enter the Property and remove all persons in possession thereof and all personal property whatsoever situated upon the Property and place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the City. In the event of such termination, the City agrees to surrender immediately possession of the Property, without let or hindrance, and to pay the Authority all damages recoverable at law that the Authority may incur by reason of default by the City, including, without limitation, any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon the Property and removal and storage of such property by the Authority or its duly authorized agents in accordance with the provisions herein contained. Neither notice to pay Rental Payments or to deliver up possession of the Property given pursuant to law nor any entry or re-entry by the Authority nor any proceeding in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Property nor the appointment of a receiver upon initiative of the Authority to protect the Authority's interest under this Lease Agreement shall of itself operate to terminate this Lease Agreement, and no termination of this Lease Agreement on account of default by the City shall be or become effective by operation of law or acts of the parties hereto, or otherwise, unless and until the Authority shall have given written notice to the City of the election on the part of the Authority to terminate this Lease Agreement. The City covenants and agrees that no surrender of the Property or of the remainder of the term hereof or any termination of this Lease Agreement shall be valid in any manner or for any purpose whatsoever unless stated by the Authority by such written notice.

(2) Without terminating this Lease Agreement, (x) to collect each installment of Rental Payments as the same become due and enforce any other terms or provisions hereof to be kept or performed by the City, regardless of whether or not the City has abandoned the Property, or (y) to exercise any and all rights of entry and re-entry upon the Property. In the event the Authority, at the direction of the Insurer, does not elect to terminate this Lease Agreement in the manner provided for in subparagraph (1) hereof, the City shall remain liable and agrees to keep or perform all covenants and conditions herein contained to be kept or performed by the City and, if the Property is not re-let, to pay the full amount of the Rental Payments to the end of the term of this Lease Agreement or, in the event that the Property is re-let, to pay any deficiency in Rental Payments that results therefrom; and further agrees to pay said Rental Payments and/or Rental Payment deficiency punctually at the same time and in the same manner as hereinabove provided for the payment of Rental Payments hereunder, notwithstanding the fact that the Authority may have received in previous years or may receive thereafter in subsequent years Rental Payments in excess of the Rental Payments herein specified, and notwithstanding any entry or re-entry by the Authority or suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Property. Should the Authority elect to re-enter as herein provided, the City hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the City to re-let the Property, or any part thereof, from time to time, either in the Authority's name or otherwise, upon such terms and conditions and for such use and period as the Authority may deem advisable and to remove all persons in possession thereof and all personal property whatsoever situated upon the Property and to place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the City, and the City hereby indemnifies and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon and re-letting of the Property and removal and storage of such property by the Authority or its duly authorized agents in accordance with the provisions herein contained. The City agrees that the terms of this Lease Agreement constitute full and sufficient notice of the right of the Authority to re-let the Property in the event of such re-entry without effecting a surrender of this Lease Agreement, and further agrees that no acts of the Authority in effecting such re-letting shall constitute a surrender or termination of this Lease Agreement irrespective of the use or the term for which such re-letting is made or the terms and conditions of such re-letting, or otherwise, but that, on the contrary, in the event of such default by the City the right to terminate this Lease Agreement shall vest in the Authority to be effected in the sole and exclusive manner provided for in subparagraph (1) hereof. The City further agrees to pay the Authority the cost of any alterations or additions to the Property necessary to place the Property in condition for re-letting immediately upon notice to the City of the completion and installation of such additions or alterations.

The City hereby waives any and all claims for damages caused or which may be caused by the Authority in re-entering and taking possession of the Property as herein provided and all claims for damages that may result from the destruction of or injury to the Property and all claims for damages to or loss of any property belonging to the City, or any other person, that may be in or upon the Property.

(b) If (i) the City's interest in this Lease Agreement or any part thereof is assigned or transferred, either voluntarily or by operation of law or otherwise, without the written consent of the Authority and, as hereinafter provided for, or (ii) the City or any assignee shall file any petition or institute any proceeding under any act or acts, state or federal, dealing with or relating to the subject or subjects of bankruptcy or insolvency, or under any amendment of such act or acts, either as a bankrupt or as an insolvent, or as a debtor, or in any similar capacity, wherein or whereby the City asks or seeks or prays to be adjudicated a bankrupt, or is to be discharged from any or all of the City's debts or obligations, or offers to the City's creditors to elect a composition or extension of time to pay the

City's debts or asks, seeks or prays for reorganization or to effect a plan of reorganization, or for a readjustment of the City's debts, or for any other similar relief, or if any such petition or any such proceedings of the same or similar kind or character be filed or be instituted or taken against the City, or if a receiver of the business or of the property or assets of the City shall be appointed by any court, except a receiver appointed at the instance or request of the Authority, or if the City shall make a general assignment for the benefit of the City's creditors, or (iii) the City shall abandon or vacate the Property, then the City shall be deemed to be in default hereunder.

(c) In addition to the other remedies set forth in this Section, upon the occurrence of an event of default, the Authority and its assignee shall be entitled to proceed to protect and enforce the rights vested in the Authority and its assignee by the Lease Agreement or by law. The provisions of the Lease Agreement and the duties of the City and of its city council, officers or employees shall be enforceable by the Authority or its assignee by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction. Without limiting the generality of the foregoing, the Authority and its assignee shall have the right to bring the following actions:

(i) Accounting. By action or suit in equity to require the City and its city council, officers and employees and its assigns to account as the trustee of an express trust.

(ii) Injunction. By action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Authority or its assignee.

(iii) Mandamus. By mandamus or other suit, action or proceeding at law or in equity to enforce the Authority's or its assignee's rights against the City (and its city council, officers and employees) and to compel the City to perform and carry out its duties and obligations under the law and its covenants and agreements with the City as provided herein.

Each and all of the remedies given to the Authority hereunder or by any law now or hereafter enacted are cumulative and the single or partial exercise of any right, power or privilege hereunder shall not impair the right of the Authority to the further exercise thereof or the exercise of any or all other rights, powers or privileges. The term "re-let" or "re-letting" as used in this Section shall include, but not be limited to, re-letting by means of the operation by the Authority of the Property. If any statute or rule of law validly shall limit the remedies given to the Authority hereunder, the Authority nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

In the event the Authority shall prevail in any action brought to enforce any of the terms and provisions of this Lease Agreement, the City agrees to pay a reasonable amount as and for attorney's fees incurred by the Authority in attempting to enforce any of the remedies available to the Authority hereunder.

Notwithstanding anything to the contrary contained in this Lease Agreement, the Authority shall have no right upon a default hereunder by the City to accelerate Rental Payments.

(d) Notwithstanding anything to the contrary contained in this Lease Agreement, the termination of this Lease Agreement by the Authority and its assignees on account of a default by the City under this Section shall not effect or result in a termination of the Ground Lease.

**Section 7.02 Waiver.** Failure of the Authority to take advantage of any default on the part of the City shall not be, or be construed as, a waiver thereof, nor shall any custom or practice which may grow up between the parties in the course of administering this instrument be construed to waive or to lessen the right of the Authority to insist upon performance by the City of any term, covenant or condition hereof, or to exercise any rights given the Authority on account of such default. A waiver of a particular default shall not be deemed to be a waiver of any other default or of the same default subsequently occurring. The acceptance of Rental Payments hereunder shall not be, or be construed to be, a waiver of any term, covenant or condition of this Lease Agreement.

## **ARTICLE VIII**

### **EMINENT DOMAIN; PREPAYMENT**

**Section 8.01 Eminent Domain.** If all of the Property (or portions thereof such that the remainder is not usable for public purposes by the City) shall be taken under the power of eminent domain, the term hereof shall cease as of the day that possession shall be so taken. If less than all of the Property shall be taken under the power of eminent domain and the remainder is usable for public purposes by the City at the time of such taking, then the Lease Agreement shall continue in full force and effect as to such remainder, and the parties waive the benefits of any law to the contrary, and in such event there shall be a partial abatement of the Rental Payments in accordance with the provisions of Section 3.06 hereof. So long as any Bonds shall be Outstanding, any award made in eminent domain proceedings for the taking of the Property, or any portion thereof, shall be paid to the Trustee and applied to the redemption of Bonds as provided in subsection (a) of Section 4.01 of the Indenture, in the corresponding provisions of any Supplemental Indenture pursuant to which Additional Bonds are issued and in Section 5.03 of the Indenture. Any such award made after all of the Bonds, and all other amounts due under the Indenture and hereunder, have been fully paid, shall be paid to the Authority and to the City as their respective interests may appear.

#### **Section 8.02 Prepayment.**

(a) The City may prepay all or a portion of the Base Rental Payments attributable to the Series 2025A Bonds which are payable on or after May 1, 20\_\_\_\_ from any source of available funds, on any date on or after May 1, 20\_\_\_\_, by paying a prepayment price equal to (i) all or a portion, as selected by the City, of the principal components of such Base Rental Payments, and (ii) the accrued but unpaid interest component of such Base Rental Payments to be prepaid to the date of such prepayment.

(b) The City may prepay, from any source of available funds, all or any portion of the Base Rental Payments attributable to the Series 2025A Bonds by depositing with the Trustee moneys or securities as provided, and subject to the terms and conditions set forth, in Article X of the Indenture sufficient to make such Base Rental Payments when due or to make such Base Rental Payments through a specified date on which the City has a right to prepay such Base Rental Payments pursuant to subsection (a) of this Section, and to prepay such Base Rental Payments on such prepayment date, at a prepayment price determined in accordance with subsection (a) of this Section.

(c) If less than all of the Base Rental Payments attributable to the Series 2025A Bonds are prepaid pursuant to this Section then, as of the date of such prepayment pursuant to subsection (a) of this Section, or the date of a deposit pursuant to subsection (b) of this Section, the principal and interest components of such Base Rental Payments shall be recalculated by the City and

transmitted to the Trustee in order to take such prepayment into account. The City agrees that if, following a partial prepayment of such Base Rental Payments, the Property is damaged or destroyed or taken by eminent domain, or a defect in title to the Property is discovered, the City shall not be entitled to, and by such prepayment waives the right of, abatement of such prepaid Base Rental Payments and the City shall not be entitled to any reimbursement of such Base Rental Payments.

(d) If all of the Base Rental Payments are prepaid in accordance with the provisions of this Lease Agreement then, as of the date of such prepayment pursuant to subsection (a) of this Section and, if applicable, the corresponding provisions hereof relating to the prepayment of Base Rental Payments attributable to Additional Bonds, or deposit pursuant to subsection (b) of this Section and, if applicable, such corresponding provisions, and payment of all other amounts owed under this Lease Agreement, the term of this Lease Agreement shall be terminated.

(e) Prepayments of Base Rental Payments attributable to the Series 2025A Bonds made pursuant to this Section shall be applied to the redemption of the Series 2025A Bonds as directed by the City and as provided in Section 4.01 of the Indenture.

(f) Before making any prepayment pursuant to this Article, the City shall give written notice to the Authority and the Trustee specifying the date on which the prepayment will be made (conditionally or otherwise), which date shall be not less than 20 nor more than 60 days from the date such notice is given to the Authority.

## ARTICLE IX

### COVENANTS

**Section 9.01 Right of Entry.** The Authority and its assignees shall have the right to enter upon and to examine and inspect the Property during reasonable business hours (and in emergencies at all times) for any purpose connected with the Authority's rights or obligations under this Lease Agreement, and for all other lawful purposes.

**Section 9.02 Liens.** In the event the City shall at any time during the term of this Lease Agreement cause any changes, alterations, additions, improvements, or other work to be done or performed or materials to be supplied, in or upon the Property, the City shall pay, when due, all sums of money that may become due for, or purporting to be for, any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the City in, upon or about the Property and which may be secured by a mechanics', materialmen's or other lien against the Property or the Authority's interest therein, and will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due, except that, if the City desires to contest any such lien, it may do so as long as such contestment is in good faith. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly stayed, or if so stayed and said stay thereafter expires, the City shall forthwith pay and discharge said judgment.

**Section 9.03 Quiet Enjoyment.** The parties hereto mutually covenant that the City, by keeping and performing the covenants and agreements herein contained, shall at all times during the term of this Lease Agreement peaceably and quietly have, hold and enjoy the Property without suit, trouble or hindrance from the Authority.

**Section 9.04 Authority Not Liable.** The Authority and its directors, officers, agents and employees, shall not be liable to the City or to any other party whomsoever for any death, injury or damage that may result to any person or property by or from any cause whatsoever in, on or about the Property. To the extent permitted by law, the City shall, at its expense, indemnify and hold the Authority and the Trustee and all directors, members, officers and employees thereof harmless against and from any and all claims by or on behalf of any person, firm, corporation or governmental authority arising from the acquisition, construction, occupation, use, operation, maintenance, possession, conduct or management of or from any work done in or about the Property or from the subletting of any part thereof, including any liability for violation of conditions, agreements, restrictions, laws, ordinances, or regulations affecting the Property or the occupancy or use thereof, but excepting the negligence or willful misconduct of the persons or entity seeking indemnity. The City also covenants and agrees, at its expense, to pay and indemnify and save the Authority and the Trustee and all directors, officers and employees thereof harmless against and from any and all claims arising from (a) any condition of the Property and the adjoining sidewalks and passageways, (b) any breach or default on the part of the City in the performance of any covenant or agreement to be performed by the City pursuant to this Lease Agreement, (c) any act or negligence of licensees in connection with their use, occupancy or operation of the Property, or (d) any accident, injury or damage whatsoever caused to any person, firm or corporation in or about the Property or upon or under the sidewalks and from and against all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any claim referred to in this Section, but excepting the negligence or willful misconduct of the person or entity seeking indemnity. In the event that any action or proceeding is brought against the Authority or the Trustee or any director, member, officer or employee thereof, by reason of any such claim, the City, upon notice from the Authority or the Trustee or such director, member, officer employee thereof, covenants to resist or defend such action or proceeding by counsel reasonably satisfactory to the Authority or the Trustee or such director, member, officer or employee thereof.

**Section 9.05 Assignment and Subleasing.** This Lease Agreement may not be assigned by the City. The City may sublease the Property or any portion thereof to any other person or entity for any other purpose, subject to the satisfaction of all of the following conditions (a) through (d) below:

- (a) this Lease Agreement and the obligation of the City to make all Rental Payments hereunder shall remain the primary obligation of the City;
- (b) the City shall, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;
- (c) any sublease of the Property by the City shall explicitly provide that such sublease is subject to all rights of the Authority under the Lease Agreement, including, the right to re-enter and re-let the Property or terminate the Lease Agreement upon a default by the City; and
- (d) the City shall furnish the Authority and the Trustee with an Opinion of Counsel to the effect that such sublease will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes.

Notwithstanding any other provision of this Lease Agreement, so long as (a) the Insured Series 2025A Bonds are Outstanding or any amounts are due and payable to the Insurer and (b) so long as the Policy is in effect and the Insurer is not in default in respect of its payment obligations thereunder, no

sublease, release, sale, disposition or substitution of the Property shall occur without the prior written consent of the Insurer.

**Section 9.06 Title to Property.** Upon the termination or expiration of this Lease Agreement (other than as provided in Section 7.01 and Section 8.01 hereof), and the first date upon which the Bonds are no longer Outstanding, all right, title and interest in and to the Property shall vest in the City. Upon any such termination or expiration, the Authority shall execute such conveyances, deeds and other documents as may be necessary to effect such vesting of record.

**Section 9.07 Authority's Purpose.** The Authority covenants that, prior to the discharge of this Lease Agreement and the Bonds, it will not engage in any activities inconsistent with the purposes for which the Authority is organized, as set forth in the Joint Powers Agreement.

**Section 9.08 Representations of the City.** The City represents and warrants to the Authority that (a) the City has the full power and authority to enter into, to execute and to deliver this Lease Agreement, the Ground Lease, and the Indenture, and to perform all of its duties and obligations hereunder and thereunder, and has duly authorized the execution and delivery of this Lease Agreement, the Ground Lease, and the Indenture, and (b) the Property will be used in the performance of essential governmental functions.

**Section 9.09 Representation of the Authority.** The Authority represents and warrants to the City that the Authority has the full power and authority to enter into, to execute and to deliver this Lease Agreement, the Ground Lease, the Assignment Agreement and the Indenture, and to perform all of its duties and obligations hereunder and thereunder, and has duly authorized the execution and delivery of this Lease Agreement, the Ground Lease, the Assignment Agreement and the Indenture.

## ARTICLE X

### NO CONSEQUENTIAL DAMAGES; USE OF THE PROPERTY; SUBSTITUTION OR RELEASE

**Section 10.01 No Consequential Damages.** In no event shall the Authority or the Trustee be liable for any incidental, indirect, special or consequential damage in connection with or arising out of this Lease Agreement or the City's use of the Property.

**Section 10.02 Use of the Property.** The City will not use, operate or maintain the Property improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Lease Agreement. In addition, the City agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of the Property) with all laws of the jurisdictions in which its operations may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Property; provided, however, that the City may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Authority, adversely affect the estate of the Authority in and to any of the Property or its interest or rights under this Lease Agreement.

**Section 10.03 Substitution or Release of the Property.** The City shall have the right to substitute alternate real property for any portion of the Property or to release a portion of the Property from this Lease Agreement. All costs and expenses incurred in connection with such substitution or release shall be borne by the City. Notwithstanding any substitution or release of Property pursuant to

this subsection, there shall be no reduction in or abatement of the Base Rental Payments due from the City hereunder as a result of such substitution or release. Any such substitution or release of any portion of the Property shall be subject to the following specific conditions, which are hereby made conditions precedent to such substitution or release:

(a) the City shall have found (as set forth in a certificate delivered by the City to the Trustee) that the Property, as constituted after such substitution or release, (i) has an annual fair rental value at least equal to the maximum annual Base Rental Payments payable by the City in any Rental Period, during the remaining term of this Lease Agreement, as determined by the City on the basis of commercially reasonable evidence of the fair rental value of the Property, and (ii) has a useful life in excess of the final maturity of any Outstanding Bonds;

(b) the City shall have obtained or caused to be obtained a CLTA or ALTA title insurance policy or policies with respect to any substituted property in the amount at least equal to the aggregate principal amount of any Outstanding Bonds of the type and with the endorsements described in Section 6.02 hereof;

(c) the City shall have provided the Trustee with an Opinion of Counsel to the effect that such substitution or release will not, in and of itself, cause the interest on the Bonds to be included in gross income for federal income tax purposes;

(d) the City, the Authority and the Trustee shall have executed, and the City shall have caused to be recorded with the Santa Barbara County Clerk – Recorder, any document necessary to reconvey to the City the portion of the Property being released and to include any substituted real property in the description of the Property contained herein and in the Ground Lease;

(e) the City shall have provided notice of such substitution to each rating agency then rating the Bonds;

(f) no event of default (as described in Article VII hereof) has occurred and is continuing;

(g) the City will give, or cause to be given, any notice of the occurrence of such substitution required to be given pursuant to the Continuing Disclosure Certificate;

(h) the City will certify to the Trustee that the City has a current need for the substituted real property;

(i) the City shall certify to the Trustee that any substitution shall not cause the City to violate any of its covenants, representations and warranties made in the Lease Agreement; and

(j) the Insurer shall have consented in writing to such substitution or release.

## ARTICLE XI

### MISCELLANEOUS

**Section 11.01 Law Governing.** THIS LEASE AGREEMENT SHALL BE GOVERNED EXCLUSIVELY BY THE PROVISIONS HEREOF AND BY THE LAWS OF THE STATE OF CALIFORNIA AS THE SAME FROM TIME TO TIME EXIST.

The City or any sublessee may, at the City's or such sublessee's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority or the Trustee shall notify the City or such sublessee that, in the opinion of independent counsel, by nonpayment of any such items, the interest of the Authority in the Property will be materially endangered or the Property, or any part thereof, will be subject to loss or forfeiture, in which event the City or such sublessee shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority and the Trustee.

**Section 11.06 Section Headings.** All section headings contained herein are for convenience of reference only and are not intended to define or limit the scope of any provision of this Lease Agreement.

**Section 11.07 Amendments.**

(a) This Lease Agreement and the Ground Lease may be amended and the rights and obligations of the Insurer, the Authority and the City hereunder and thereunder may be amended at any time by an amendment hereto or thereto which shall become binding upon execution and delivery by the Authority and the City, but only with the prior written consent of the Insurer and the Owners of a majority of the principal amount of the Bonds then Outstanding pursuant to the Indenture, provided that no such amendment shall (i) extend the payment date of any Base Rental Payments, reduce the interest component or principal component of any Base Rental Payments or change the prepayment terms and provisions, without the prior written consent of the Insurer and the Owner of each Bond so affected, or (ii) reduce the percentage of the principal amount of the Bonds the consent of the Owners of which is required for the execution of any amendment of this Lease Agreement or the Ground Lease. For purposes of this Section, the Insurer shall be deemed to be the Owner of all Insured Series 2025A Bonds.

(b) This Lease Agreement and the Ground Lease and the rights and obligations of the Authority and the City hereunder and thereunder may also be amended at any time by an amendment hereto or thereto which shall become binding upon execution by the Authority and the City, without the written consents of any Owners, but only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the agreements, conditions, covenants and terms required by the Authority or the City to be observed or performed herein or therein other agreements, conditions, covenants and terms thereafter to be observed or performed by the Authority or the City, or to surrender any right or power reserved herein or therein to or conferred herein or therein on the Authority or the City, and which in either case shall not materially adversely affect the interests of the Owners, as evidenced by an Opinion of Bond Counsel;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or therein or in regard to questions arising hereunder or thereunder which the Authority or the City may deem desirable or necessary and not inconsistent herewith or therewith, and which shall not materially adversely affect the interests of the Owners, as evidenced by an Opinion of Bond Counsel;

(iii) to make such additions, deletions or modifications as may be necessary or appropriate to assure the exclusion from gross income for federal income tax purposes of the interest on the Bonds;

(iv) to provide for the substitution or release of a portion of the Property in accordance with the provisions of Sections 10.03 or 10.04 hereof;

(v) to provide for the issuance of Additional Bonds in accordance with Article III of the Indenture including, without limitation, to increase the Base Rental Payments payable by the City hereunder and to add or substitute property as necessary; or

(vi) to make such other changes herein or therein or modifications hereto or thereto as the Authority or the City may deem desirable or necessary, and which shall not materially adversely affect the interests of the Owners, as evidenced by an Opinion of Bond Counsel.

**Section 11.08 Assignment.** The City and the Authority hereby acknowledge the assignment of this Lease Agreement (except for the Authority's obligations and its rights to give consents or approvals hereunder), and the Base Rental Payments payable hereunder, to the Trustee pursuant to the Assignment Agreement. To the extent that this Lease Agreement confers upon or gives or grants the Trustee any right, remedy or claim under or by reason of this Lease Agreement, the Trustee is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.

**Section 11.09 Insurer as Third Party Beneficiary.** The Insurer is recognized as and shall be deemed to be a third party beneficiary of this Lease Agreement and may enforce the provisions of this Lease Agreement as if it were a party hereto.

**Section 11.10 Insurer as Owner of Insured Series 2025A Bonds.** So long as the Policy is in effect and the Insurer is not in default in respect of its payment obligations thereunder, the Insurer shall be (i) deemed to be the sole and exclusive Owner of the Insured Series 2025A Bonds for purposes of all approvals, consents, waivers, institution of any action, and the direction of all remedies and (ii) entitled to direct and control the enforcement of all remedies granted under this Lease Agreement on behalf of the Owners of Insured Series 2025A Bonds.

**Section 11.11 Execution.** This Lease Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all together shall constitute but one and the same Lease Agreement.

**IN WITNESS WHEREOF**, the Authority and the City have caused this Lease Agreement to be executed by their respective officers thereunto duly authorized, all as of the day and year first above written.

(c) Interest on the Series 2025A Bonds shall be payable from the Interest Payment Date next preceding the date of authentication thereof unless (i) a Series 2025A Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it shall bear interest from such Interest Payment Date, (ii) a Series 2025A Bond is authenticated on or before the first Record Date, in which event interest thereon shall be payable from the dated date thereof, or (iii) interest on any Series 2025A Bond is in default as of the date of authentication thereof, in which event interest thereon shall be payable from the date to which interest has been paid in full, payable on each Interest Payment Date. Interest shall be paid in lawful money of the United States on each Interest Payment Date to the Persons in whose names the ownership of the Series 2025A Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest shall be paid by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Series 2025A Bond Owners at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date.

(d) The principal and premium, if any, of the Series 2025A Bonds shall be payable in lawful money of the United States of America upon presentation and surrender thereof upon maturity or earlier redemption at the Office of the Trustee.

(e) The Series 2025A Bonds shall be subject to redemption as provided in Article IV.

**Section 2.03 Form of Series 2025A Bonds.** The Series 2025A Bonds shall be in substantially the form set forth in Exhibit A hereto, with appropriate or necessary insertions, omissions and variations as permitted or required hereby.

**Section 2.04 Transfer and Exchange of Bonds.** Any Bond may, in accordance with its terms, be transferred upon the Registration Books by the Person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form acceptable to the Trustee. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and shall deliver a new Bond or Bonds of the same Series in a like aggregate principal amount, in any Authorized Denomination. The Trustee shall require the Bond Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer.

The transferor shall also provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of the same Series of other authorized denominations. The Trustee shall require the payment by the Bond Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trustee shall not be obligated to make any transfer or exchange of Bonds of a Series pursuant to this Section during the period established by the Trustee for the selection of Bonds of such Series for redemption, or with respect to any Bonds of such Series selected for redemption.

**Section 2.05 Registration Books.** The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall be open to inspection during regular business hours and upon reasonable written notice by the City; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

**Section 2.06 Execution of Bonds.** The Bonds shall be executed in the name and on behalf of the Authority with the manual or facsimile signature of an Authorized Authority Representative attested by the manual or facsimile signature of the Secretary or any duly authorized deputy secretary of the Authority. The Bonds shall then be delivered to the Trustee for authentication by it. In case any of such officers of the Authority who shall have signed or attested any of the Bonds shall cease to be such officers of the Authority before the Bonds so signed or attested shall have been authenticated or

delivered by the Trustee, or issued by the Authority, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issue, shall be as binding upon the Authority as though those who signed and attested the same had continued to be such officers of the Authority, and also any Bonds may be signed and attested on behalf of the Authority by such Persons as at the actual date of execution of such Bonds shall be the proper officers of the Authority although at the nominal date of such Bonds any such Person shall not have been such officer of the Authority.

**Section 2.07 Authentication of Bonds.** Only such of the Bonds as shall bear thereon a certificate of authentication substantially in the form as that set forth in Exhibit A hereto, manually executed by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate of or on behalf of the Trustee shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this Indenture.

**Section 2.08 Temporary Bonds.** The Bonds of a Series may be issued in temporary form exchangeable for definitive Bonds of such Series when ready for delivery. Any temporary Bonds may be printed, lithographed or typewritten, shall be of such authorized denominations as may be determined by the Authority, shall be in fully registered form without coupons and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Authority and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Authority issues temporary Bonds of a Series it will execute and deliver definitive Bonds of such Series as promptly thereafter as practicable, and thereupon the temporary Bonds of such Series, may be surrendered, for cancellation, at the Office of the Trustee and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of such Series in Authorized Denominations. Until so exchanged, the temporary Bonds of such Series shall be entitled to the same benefits under this Indenture as definitive Bonds of such Series authenticated and delivered hereunder.

**Section 2.09 Bonds Mutilated, Lost, Destroyed or Stolen.** If any Bond shall become mutilated, the Authority, at the expense of the Owner of said Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and Series in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or in accordance with the order of, the Authority. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence and indemnity satisfactory to the Trustee shall be given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and Series in lieu of and in replacement for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been selected for redemption, instead of issuing a replacement Bond, the Trustee may pay the same without surrender thereof). The Authority may require payment by the Owner of a sum not exceeding the actual cost of preparing each replacement Bond issued under this Section and of the expenses which may be incurred by the Authority and the Trustee. Any Bond of a Series issued under the provisions of this Section in lieu of any Bond of such Series alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of this Indenture with all other Bonds of such Series secured by this Indenture.

## **Section 2.10 Book-Entry Bonds.**

(a) Prior to the issuance of a Series of Bonds, the Authority may provide that such Series of Bonds shall initially be issued as Book-Entry Bonds and, in such event, the Bonds of such Series for each maturity shall be in the form of a separate single fully registered Bond (which may be typewritten). The Series 2025A Bonds shall initially be issued as Book-Entry Bonds.

Except as provided in subsection (c) of this Section, the registered Owner of all of the Book-Entry Bonds shall be Cede & Co., as nominee of DTC. Notwithstanding anything to the contrary contained in this Indenture, payment of interest with respect to any Book-Entry Bond registered as of each Record Date in the name of Cede & Co. shall be made by wire transfer of same-day funds to the account of Cede & Co. on the Interest Payment Date at the address indicated on the Record Date for Cede & Co. in the Registration Books or as otherwise provided in the Representation Letter.

(b) The Trustee and the Authority may treat DTC (or its nominee) as the sole and exclusive Owner of Book-Entry Bonds registered in its name for the purposes of payment of the principal, premium, if any, or interest with respect to Book-Entry Bonds, selecting Book-Entry Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners of Book-Entry Bonds under this Indenture, registering the transfer of Book-Entry Bonds, obtaining any consent or other action to be taken by Owners of Book-Entry Bonds and for all other purposes whatsoever, and neither the Trustee nor the Authority shall be affected by any notice to the contrary. Neither the Trustee nor the Authority shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in Book-Entry Bonds under or through DTC or any Participant, or any other person which is not shown on the Registration Books as being an Owner, with respect to the accuracy of any records maintained by DTC or any Participant, the payment by DTC or any Participant of any amount in respect of the principal, premium, if any, or interest with respect to Book-Entry Bonds, any notice which is permitted or required to be given to Owners of Book-Entry Bonds under this Indenture, the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of Book-Entry Bonds, or any consent given or other action taken by DTC as Owner of Book-Entry Bonds. The Trustee shall pay all principal, premium, if any and interest with respect to Book-Entry Bonds, only to DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Authority's obligations with respect to the principal, premium, if any, and interest with respect to the Book-Entry Bonds to the extent of the sum or sums so paid. Except under the conditions of subsection (c) of this Section, no person other than DTC shall receive an executed Book-Entry Bond for each separate stated maturity. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions herein with respect to record dates, the term "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) In the event (i) DTC, including any successor as securities depository for a Series of Bonds, determines not to continue to act as securities depository for such Series of Bonds, or (ii) the Authority determines that the incumbent securities depository shall no longer so act, and delivers a written certificate to the Trustee to that effect, then the Authority will discontinue the book-entry system with the incumbent securities depository for such Series of Bonds. If the Authority determines to replace the incumbent securities depository for such Series of Bonds with another qualified securities depository, the Authority shall prepare or direct the preparation of a new single, separate fully registered Bond of such Series for the aggregate outstanding principal amount of Bonds of such Series of each maturity, registered in the name of such successor or substitute qualified securities depository, or its nominee, or make such other arrangement acceptable to the Authority, the

Trustee and the successor securities depository for the Bonds of such Series as are not inconsistent with the terms of this Indenture. If the Authority fails to identify another qualified successor securities depository for such Series of Bonds to replace the incumbent securities depository, then the Bonds of such Series shall no longer be restricted to being registered in the Registration Books in the name of the incumbent securities depository or its nominee, but shall be registered in whatever name or names the incumbent securities depository for such Series of Bonds, or its nominee, shall designate. In such event the Authority shall execute, and deliver to the Trustee, a sufficient quantity of Bonds of such Series to carry out the transfers and exchanges provided in Sections 2.04, 2.08 and 2.09 hereof. All such Bonds of such Series shall be in fully registered form in Authorized Denominations.

(d) Notwithstanding any other provision of this Indenture to the contrary, so long as any Book-Entry Bond is registered in the name of DTC, or its nominee, all payments with respect to the principal, premium, if any, and interest with respect to such Book-Entry Bond and all notices with respect to such Book-Entry Bond shall be made and given, respectively, as provided in the Representation Letter.

(e) In connection with any notice or other communication to be provided to Owners of Book-Entry Bonds pursuant to this Indenture by the Authority, the City or the Trustee with respect to any consent or other action to be taken by Owners, the Authority, the City or the Trustee, as the case may be, shall establish a record date for such consent or other action and give DTC notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

In connection with any proposed transfer outside the Book-Entry Only system, the Authority, the City or DTC shall provide or cause to be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Internal Revenue Code Section 6045. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance upon submission of a Written Request of the Authority stating (a) the Person to whom payment is to be made, (b) the amount to be paid, (c) the purpose for which the obligation was incurred, (d) that such payment is a proper charge against the Costs of Issuance Fund, and (e) that such amounts have not been the subject of a prior disbursement from the Costs of Issuance Fund, in each case together with a statement or invoice for each amount requested thereunder. Each such Written Request of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. The Trustee shall establish, maintain and hold in trust a separate fund designated as the “Project Fund.” The moneys in the Project Fund or the accounts therein shall be disbursed by the Trustee on behalf of the City as specified in a Written Request of the City in the form attached hereto as Exhibit B. Each Written Request of the City shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. The Trustee shall be under no duty or obligation to analyze or verify any documentation supporting the payments or reimbursements in such Written Request but shall hold and provide to Owners upon request such documentation supporting the payments or reimbursements requested by the City, solely as a repository for the benefit of Owners. On the date on which the City determines that amounts in the Project Fund are no longer necessary for payment of the cost of the Project, the City shall submit a Written Request to the Trustee to transfer any remaining balance in the Project Fund not needed for Project Fund purposes, at the City’s sole discretion, to the City for use on eligible capital facilities, and the Project Fund shall be closed. Investment earnings on amounts on deposit in the Project Fund shall remain on deposit in the Project Fund for application in accordance with this Section.

**Section 3.06 Conditions for the Issuance of Additional Bonds.** The Authority may at any time issue one or more Series of Additional Bonds (in addition to the Series 2025A Bonds) payable from Base Rental Payments as provided herein on a parity with all other Bonds theretofore issued hereunder, but only subject to the following conditions, which are hereby made conditions precedent to the issuance of such Additional Bonds:

shall be made such that the sum of Base Rental Payments, including any increase in the Base Rental Payments as a result of such amendment, plus Additional Rental Payments, in any Rental Period shall be in excess of the annual fair rental value of the Property after taking into account the use of the proceeds of any Additional Bonds issued in connection therewith (evidence of the satisfaction of such condition shall be made by a Written Certificate of the City).

Nothing contained herein shall limit the issuance of any bonds or other obligations payable from Base Rental Payments if, after the issuance and delivery of such bonds or other obligations, none of the Bonds theretofore issued hereunder will be Outstanding.

(a) Certified copies of the Supplemental Indenture authorizing the issuance of such Additional Bonds, the amendment to the Lease Agreement required by Section 3.06 hereof and the amendment to the Ground Lease, if any, required by Section 3.06 hereof, together with satisfactory evidence that such amendment to the Lease Agreement and such amendment to the Ground Lease, if any, have been (or will be immediately upon issuance of such Additional Bonds) duly recorded in the Official Records of the Santa Barbara County, California Recorder's office;

(b) A Written Request of the Authority as to the delivery of such Additional Bonds;

(c) An opinion of Bond Counsel substantially to the effect that (i) the Indenture (including all Supplemental Indentures), the Lease Agreement (including the amendment thereto required by Section 3.06 hereof) and the Ground Lease (including any amendment thereto required by Section 3.06 hereof) have been duly authorized, executed and delivered by, and constitute the valid and binding obligations of, the Authority and the City, enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by the application of equitable principles and by the exercise of judicial discretion in appropriate cases and subject to the limitations on legal remedies against political subdivisions in the State of California), (ii) such Additional Bonds constitute valid and binding special obligations of the Authority payable solely from Base Rental Payments as provided herein and are enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by the application of equitable principles and by the exercise of judicial discretion in appropriate cases and subject to the limitations on legal remedies against political subdivisions in the State of California), and (iii) the issuance of such Additional Bonds, in and of itself, will not adversely affect the exclusion of interest on any tax-exempt Bonds Outstanding prior to the issuance of such Additional Bonds from gross income for federal income tax purposes;

(d) a Written Certificate of the Authority that the requirements of Section 3.06 hereof have been met;

(e) a Written Certificate of the City that the requirements of Section 3.06 hereof and Sections 6.01 and 6.02 of the Lease Agreement have been met, and a Written Certificate of the City directing the application of the proceeds of such Additional Bonds; and

<i>Sinking Fund Redemption Date</i> <i>(May 1)</i>	<i>Principal Amount</i> <i>To Be Redeemed</i>

(maturity)

The Series 2025A Bonds maturing on May 1, 20\_\_\_\_ are subject to mandatory sinking fund redemption in part (by lot) on each May 1 on and after May 1, 20\_\_\_\_, in integral multiples of \$5,000 at a Redemption Price of the principal amount thereof plus accrued interest to the date fixed for redemption, without premium, in accordance with the following schedule:

<i>Sinking Fund Redemption Date</i> <i>(May 1)</i>	<i>Principal Amount</i> <i>To Be Redeemed</i>
---	--

(maturity)

In the event of a partial redemption pursuant to Section 4.01(a) or (b), the City shall provide the Trustee with a revised mandatory sinking fund schedule giving effect to the redemption so completed.

**Section 4.02 Notice of Redemption.** The Trustee on behalf and at the expense of the Authority shall mail (by first class mail) notice of any redemption to the respective Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, to the Securities Depositories and to one or more Information Services, at least 20 but not more than 60 days prior to the date fixed for redemption. Such notice shall state the date of the notice, the redemption date, the redemption place and the Redemption Price and shall designate the CUSIP numbers, the Bond numbers and the maturity or maturities (except in the event of redemption of all of the Bonds of such maturity or maturities in whole) of the Bonds to be redeemed, and shall require that such Bonds be then surrendered at the Office of the Trustee for redemption at the Redemption Price, giving notice also that further interest on such Bonds will not accrue from and after the date fixed for redemption. Such notice of redemption may also state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Bonds. Neither the failure to receive any notice so mailed, nor any defect in such notice, shall affect the validity of the proceedings for the redemption of the Bonds or the cessation of accrual of interest thereon from and after the date fixed for redemption.

With respect to any notice of optional redemption of the Bonds, such notice may state that such redemption shall be conditional upon the receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys sufficient to pay the principal of, premium if any, and interest on the Bonds to be redeemed and upon other conditions set forth therein and that, if such money shall not have been so received or such other conditions shall not have been satisfied, said notice shall be of no force and effect and the Trustee shall not be required to redeem such Bonds. If sufficient moneys for redemption shall not have been received or any condition stated in the redemption notice for an optional redemption shall not have been satisfied on or prior to the redemption date: (i) the redemption notice shall be of no force and effect, (ii) the Authority shall not be required to redeem such Bonds, (iii) the redemption shall not be made, and (iv) the Trustee shall within a reasonable time thereafter give notice to the persons in the manner in which the conditional redemption notice was given that such condition or conditions were not met and that the redemption was canceled.

The Trustee shall not have any liability to any party in connection with any failure to timely file such notice of redemption with the Information Service and the sole remedy available shall be an action by the Owners of the Bonds in mandamus for specific performance or similar remedy to compel performance.

**Section 4.03 Selection of Bonds for Redemption.** Whenever provision is made in this Indenture for the redemption of less than all of the Bonds, the Trustee shall select the Bonds to be redeemed from all Bonds not previously called for redemption (a) with respect to any optional redemption of Bonds of a Series, among maturities of Bonds of such Series as directed in a Written Request of the Authority, (b) with respect to any redemption pursuant to Section 4.01(a) hereof and

the corresponding provision of any Supplemental Indenture pursuant to which Additional Bonds are issued, among maturities of all Series of Bonds on a pro rata basis as nearly as practicable, and (c) with respect to any other redemption of Additional Bonds, among maturities as provided in the Supplemental Indenture pursuant to which such Additional Bonds are issued, and by lot among Bonds of the same Series with the same maturity in any manner which the Trustee in its sole discretion shall deem appropriate and fair. For purposes of such selection, all Bonds shall be deemed to be comprised of separate \$5,000 denominations and such separate denominations shall be treated as separate Bonds which may be separately redeemed.

**Section 4.04 Partial Redemption of Bonds.** Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of the same Series in authorized denominations equal in aggregate principal amount representing the unredeemed portion of the Bonds surrendered.

**Section 4.05 Effect of Notice of Redemption.** Notice having been mailed as aforesaid, and moneys for the Redemption Price, and the interest to the applicable date fixed for redemption, having been set aside in the Redemption Fund, the Bonds shall become due and payable on said date, and, upon presentation and surrender thereof at the Office of the Trustee, said Bonds shall be paid at the Redemption Price thereof, together with interest accrued and unpaid to said date.

If, on said date fixed for redemption, moneys for the Redemption Price of all the Bonds to be redeemed, together with interest to said date, shall be held by the Trustee so as to be available therefor on such date, and, if notice of redemption thereof shall have been mailed as aforesaid and not canceled, then, from and after said date, interest on said Bonds shall cease to accrue and become payable. All moneys held by or on behalf of the Trustee for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed without liability to such Owners for interest thereon.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions hereof shall be canceled upon surrender thereof and destroyed.

## ARTICLE V

### SECURITY FOR BONDS; FLOW OF FUNDS; INVESTMENTS

**Section 5.01 Pledge; Special Obligations.** Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Base Rental Payments and any other amounts (including proceeds of the sale of the Bonds) held in the Base Rental Payment Fund, the Interest Fund, the Principal Fund and the Redemption Fund are hereby pledged to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of this Indenture and the Act. Said pledge shall constitute a first lien on such assets. This pledge shall secure the payment of such Bonds and shall be effective, binding, and enforceable against the Authority, its successors, creditors and all others irrespective of whether those parties have notice of the pledge or grant and without the need of any physical delivery, recordation, filing, or further act. The pledge and grant is an agreement between the Authority and the Owners of Bonds to provide security for the Bonds in addition to any statutory lien that may exist.

All obligations of the Authority under this Indenture shall be special obligations of the Authority, payable solely from Rental Payments and the other assets pledged therefor hereunder; provided, however, that all obligations of the Authority under the Bonds shall be special obligations of the Authority, payable solely from Base Rental Payments and the other assets pledged therefor hereunder. Neither the faith and credit nor the taxing power of the Authority, the City or the State of California, or any political subdivision thereof, is pledged to the payment of the Bonds.

### **Section 5.02 Flow of Funds.**

(a) The Trustee shall establish and maintain separate funds designated the “Base Rental Payment Fund,” the “Interest Fund,” the “Principal Fund” and the “Redemption Fund.” If Additional Bonds are issued, the Trustee shall establish subaccounts within each fund for each Series of Additional Bonds.

All Base Rental Payments shall be paid directly by the City to the Trustee, and if received by the Authority at any time shall be transferred by the Authority to the Trustee within one Business Day after the receipt thereof. All Base Rental Payments received by the Trustee shall be deposited by the Trustee in the Base Rental Payment Fund.

(b) The Trustee shall transfer the amounts on deposit in the Base Rental Payment Fund, at the times and in the manner hereinafter provided, to the following respective funds in the following order of priority:

(1) Interest Fund. On the Business Day immediately preceding each Interest Payment Date, the Trustee shall transfer from the Base Rental Payment Fund to the Interest Fund the amount, if any, necessary to cause the amount on deposit in the Interest Fund to be equal to the interest due on the Bonds on such Interest Payment Date. Moneys in the Interest Fund shall be used by the Trustee to pay interest due on the Bonds on each Interest Payment Date.

(2) Principal Fund. On the Business Day immediately preceding each May 1, commencing [May 1, 2025], the Trustee shall transfer from the Base Rental Payment Fund to the Principal Fund the amount, if any, necessary to cause the amount on deposit in the Principal Fund to be equal to the principal amount of the Bonds due on such May 1 either as a result of the maturity thereof or mandatory sinking fund redemption payments required to be made with respect thereto. Moneys in the Principal Fund shall be used by the Trustee for the purpose of paying the principal of the Bonds when due and payable at their maturity dates or upon earlier mandatory sinking fund redemption.

(3) Redemption Fund. The Trustee, on the redemption date specified in the Written Request of the City filed with the Trustee at the time that any prepaid Base Rental Payment is paid to the Trustee pursuant to the Lease Agreement, shall deposit in the Redemption Fund that amount of moneys representing the portion of the Base Rental Payments designated as prepaid Base Rental Payments. Additionally, the Trustee shall deposit in the Redemption Fund any amounts required to be deposited therein pursuant to Section 5.03 or Section 5.04 hereof. Moneys in the Redemption Fund shall be used by the Trustee for the purpose of paying the principal of and interest and premium, if any, on Series 2025A Bonds redeemed pursuant to the provisions of subsections (a) and (b) of Section 4.01 hereof and

Additional Bonds redeemed pursuant to the corresponding provisions of the Supplemental Indenture pursuant to which such Additional Bonds are issued.

**Section 5.03 Application of Net Insurance Proceeds.** If the Property or any portion thereof shall be damaged or destroyed, subject to the further requirements of this Section, the City shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, unless the City elects not to repair or replace the Property or the affected portion thereof in accordance with the provisions hereof.

The Net Insurance Proceeds (other than Net Insurance Proceeds of rental interruption insurance), including the proceeds of any self-insurance, received on account of any damage or destruction of the Property or a portion thereof shall as soon as possible be deposited with the Trustee and be held by the Trustee in a special account and made available for and, to the extent necessary, shall be applied to the cost of repair or replacement of the Property or the affected portion thereof upon receipt of a Written Request of the City, together with invoices therefor. Pending such application, such proceeds may be invested by the Trustee as directed by the City in Permitted Investments that mature not later than such times moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, the City shall, within 60 days of the occurrence of the event of damage or destruction, notify the Trustee in writing as to whether the City intends to replace or repair the Property or the portions of the Property which were damaged or destroyed. If the City does intend to replace or repair the Property or portions thereof, the City shall deposit with the Trustee the full amount of any insurance deductible to be credited to the special account.

In the event of any damage to or destruction of the Property caused by one of the perils covered by the insurance required by Section 6.01(c) of the Lease Agreement which would result in an abatement of rental payments or any portion thereof pursuant to Section 3.06 thereof, then the City shall apply the Net Insurance Proceeds (other than Net Insurance Proceeds of rental interruption insurance), together with other legally available funds that the City elects to contribute, to the repair, reconstruction or replacement of the damaged or destroyed portions of the Property; provided, however, that the City shall not be required to repair or replace any portion of the Property pursuant to this Section 5.03 if such Net Insurance Proceeds, together with any other amounts held under this Indenture and any other legally available funds made available by the City at its election, are sufficient to prepay (i) all of the Outstanding Bonds, or (ii) a portion of the Outstanding Bonds such that the resulting Base Rental Payments under Section 4.01(a) in any Rental Period following such partial prepayment are sufficient to pay in such Rental Period the principal of and interest on all Bonds to remain Outstanding immediately after such partial redemption. If the City is not required to replace or repair the Property, or the affected portion thereof, or to use such amounts to redeem Bonds, in each case as set forth in this Section 5.03, then such proceeds (and rental interruption insurance proceeds not applied pursuant to the next paragraph) shall, if there is first delivered to the Trustee a Written Certificate of the City to the effect that the annual fair rental value of the Property after such damage or destruction, and after any repairs or replacements made as a result of such damage or destruction, is at least equal to 100% of the maximum amount of Base Rental Payments becoming due under the Lease Agreement in the then current Rental Period or any subsequent Rental Period and the fair replacement value of the Property after such damage or destruction is at least equal to the principal amount of the Outstanding Bonds, be paid to the City to be used for any lawful purpose.

Proceeds of rental interruption insurance shall be deposited to the Base Rental Payment Fund and applied to the payment of Base Rental Payments to the extent of any abatement thereof pursuant to the Lease Agreement, and otherwise as directed by the City.

The proceeds of any award in eminent domain received in respect to the Property shall be deposited by the Trustee in the Redemption Fund and applied to the redemption of Bonds pursuant to subsection (a) of Section 4.01 hereof and the corresponding provisions of any Supplemental Indenture pursuant to which Additional Bonds are issued.

**Section 5.04 Title Insurance.** Proceeds of any policy of title insurance received by the Trustee in respect of the Property shall be applied and disbursed by the Trustee as follows:

(a) if the City determines that the title defect giving rise to such proceeds has not substantially interfered with its use and occupancy of the Property and will not result in an abatement of Rental Payments payable by the City under the Lease Agreement, such proceeds shall be remitted to the City and used for any lawful purpose thereof; or

(b) if the City determines that the title defect giving rise to such proceeds has substantially interfered with its use and occupancy of the Property and will result in an abatement of Rental Payments payable by the City under the Lease Agreement, then the Trustee shall immediately deposit such proceeds in the Redemption Fund and such proceeds shall be applied to the redemption of Bonds in the manner provided in subsection (a) of Section 4.01 hereof and the corresponding provisions of any Supplemental Indenture pursuant to which Additional Bonds are issued.

**Section 5.05 Rebate Fund.**

(a) Establishment. The Trustee shall establish a fund for the Bonds designated the “Rebate Fund” when required in accordance herewith. Absent an Opinion of Counsel that the exclusion from gross income for federal income tax purposes of interest on the Series 2025A Bonds will not be adversely affected, the Authority shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment to the United States Treasury. All amounts on deposit in the Rebate Fund for the Series 2025A Bonds shall be governed by this Section and the Tax Certificate, unless and to the extent that the Authority delivers to the Trustee an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bonds will not be adversely affected if such requirements are not satisfied. Notwithstanding anything to the contrary contained herein or in the Tax Certificate, the Trustee: (1) shall be deemed conclusively to have complied with the provisions thereof if it follows all Written Requests of the Authority or Written Requests of the City; (2) shall have no liability or responsibility to enforce compliance by the Authority or the City with the terms of the Tax Certificate and shall not be deemed to have knowledge of the terms thereof; (3) may rely conclusively on the Authority’s or the City’s calculations and determinations and certifications relating to rebate matters; and (4) shall have no responsibility to independently make any calculations or determinations or to review the Authority’s or the City’s calculations or determinations thereunder.

(i) Annual Computation. Within 55 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), the Authority shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any applicable

exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (*e.g.*, the temporary investments exceptions of Section 148(f)(4)(B) and the construction expenditures exception of Section 148(f)(4)(C) of the Code), and taking into account whether the election pursuant to Section 148(f)(4)(C)(vii) of the Code (the “1½% Penalty”) has been made), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “Rebatable Arbitrage”). The Authority shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Annual Transfer. Within 55 days of the end of each fifth Bond Year, upon the Written Request of the Authority or Written Request of the City, an amount shall be deposited to the Rebate Fund by the Trustee from any Rental Payments legally available for such purpose (as specified by the Authority or the City in the aforesaid Written Request), if and to the extent required, so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this subsection (a). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon Written Request of the Authority or Written Request of the City, the Trustee shall withdraw the excess from the Rebate Fund and then credit the excess to the Base Rental Payment Fund.

(iii) Payment to the Treasury. The Trustee shall pay, as directed by Written Request of the Authority, to the United States Treasury, out of amounts in the Rebate Fund:

(A) Not later than 60 days after the end of: (X) the fifth Bond Year; and (Y) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(B) Not later than 60 days after the payment of all of the Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code and Section 1.148-3 of the Treasury Regulations.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the Authority shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source equal to such deficiency prior to the time such payment is due. Each payment required to be made pursuant to this subsection (a) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T (prepared by the Authority), or shall be made in such other manner as provided under the Code.

(b) Disposition of Unexpended Funds. Any funds remaining in the Rebate Fund after redemption and payment of the Series 2025A Bonds and the payments described in subsection (a) above being made may be withdrawn by the Authority and utilized in any manner by the Authority.

(c) Survival of Defeasance. Notwithstanding anything in this Section to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance or payment in full of the Series 2025A Bonds.

**Section 5.06 Investment of Moneys.** Except as otherwise provided herein, all moneys in any of the funds or accounts established pursuant to this Indenture and held by the Trustee shall be invested by the Trustee solely in Permitted Investments, as directed in writing by the Authority. The Trustee may conclusively rely upon the Authority's written instructions as to both suitability and legality of Permitted Investments. Moneys in all funds and accounts held by the Trustee shall be invested in Permitted Investments maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in this Indenture. Absent timely written direction from the Authority, the Trustee shall hold any funds held by it uninvested.

Subject to the provisions of Section 5.06 hereof, all interest, profits and other income received from the investment of moneys in any fund or account established pursuant to this Indenture shall be retained in such fund or account.

Permitted Investments acquired as an investment of moneys in any fund established under this Indenture shall be credited to such fund. For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued by the Trustee at the fair market value thereof, such valuation to be performed not less frequently than semiannually on or before each May 15 and November 15. In determining fair market value, the Trustee may use and rely conclusively on any generally recognized securities pricing service available to it (including brokers and dealers in securities).

The Trustee may act as principal or agent in the making or disposing of any investment. Upon the Written Request of the Authority, the Trustee shall sell or present for redemption any Permitted Investments so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investments is credited, and the Trustee shall not be liable or responsible for any loss resulting from any investment made or sold pursuant to this Section. The Trustee shall have no liability in respect of losses incurred as a result of the liquidation of any investment prior to its stated maturity or failure of the Authority to provide timely written investment direction. Ratings of permitted investments shall be determined at the time of purchase of such permitted investments and without regard to ratings subcategories. For purposes of investment, the Trustee may commingle moneys in any of the funds and accounts established hereunder.

The Trustee may make any investments hereunder through the bond or investment department or trust investment department of the entity acting as Trustee hereunder, or those of such entity's parent or any affiliate, and such entity, or its parent or affiliate, as applicable, shall be entitled to its normal, customary and reasonable compensation for such services.

The entity acting as Trustee hereunder, or any of its affiliates, may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder and such entity, or its affiliate, as applicable, shall be entitled to its normal, customary and reasonable compensation for such services, including account maintenance fees.

The Authority and the City acknowledge that, to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Authority and the City the right to receive

brokerage confirmations of security transactions as they occur, at no additional cost, the Authority and the City specifically waive receipt of such confirmations to the extent permitted by law.

## ARTICLE VI

### COVENANTS

**Section 6.01 Compliance with Agreements.** The Trustee will not authenticate or deliver any Bonds in any manner other than in accordance with the provisions hereof, and the Authority and the City will not suffer or permit any default by them to occur hereunder, but will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms hereof required to be complied with, kept, observed and performed by them.

**Section 6.02 Compliance with Ground Lease and Lease Agreement.** The Authority and the City will faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Ground Lease and the Lease Agreement required to be complied with, kept, observed and performed by them and, together with the Trustee, will enforce the Ground Lease and the Lease Agreement against the other party thereto in accordance with their respective terms.

**Section 6.03 Observance of Laws and Regulations.** The Authority, the City and the Trustee will faithfully comply with, keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on them by contract, or prescribed by any law of the United States of America or of the State of California, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on their respective businesses, to the end that such franchises, rights and privileges shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

**Section 6.04 Other Liens.** The City will keep the Property and all parts thereof free from judgments and materialmen's and mechanics' liens and free from all claims, demands, encumbrances and other liens of whatever nature or character, and free from any claim or liability which materially impairs the City in conducting its business or utilizing the Property, and the Trustee at its option (after first giving the City ten days' written notice to comply therewith and failure of the City to so comply within such ten-day period) may, but is in no event obligated to, defend against any and all actions or proceedings, or may pay or compromise any claim or demand asserted in any such actions or proceedings; provided, however, that, in defending against any such actions or proceedings or in paying or compromising any such claims or demands, the Trustee shall not in any event be deemed to have waived or released the City from liability for or on account of any of its agreements and covenants contained herein, or from its liability hereunder and to perform such agreements and covenants.

So long as any Bonds are Outstanding, none of the Trustee, the Authority or the City shall create or suffer to be created any pledge of or lien the amounts on deposit in any of the funds or accounts created hereunder, other than the pledge and lien hereof.

The Authority, the City and the Trustee shall not encumber the Property other than in accordance with the Ground Lease, the Lease Agreement, the Indenture and the Assignment Agreement.

**Section 6.05 Prosecution and Defense of Suits.** The City will promptly, upon request of the Trustee (which request the Trustee is not required to make), take such action from time to time as may be necessary or proper to remedy or cure any cloud upon or defect in the title to the Property or any part thereof, whether now existing or hereafter developing, will prosecute all actions, suits or other proceedings as may be appropriate for such purpose and will indemnify and save the Trustee harmless from all cost, damage, expense or loss, including attorneys' fees and expenses, which it or the Owners may incur by reason of any such cloud, defect, action, suit or other proceeding.

**Section 6.06 Accounting Records and Statements.** The Trustee will keep proper accounting records in which complete and correct entries shall be made of all transactions relating to the receipt, deposit and disbursement of the Base Rental Payments, and such accounting records shall be available for inspection by the Authority and the City at reasonable hours and under reasonable conditions, including, without limitation, reasonable prior written notice of inspection.

**Section 6.07 Recordation and Filing.** The City will record, or cause to be recorded, with the appropriate county recorder, the Lease Agreement, the Ground Lease and the Assignment Agreement, or memoranda thereof.

**Section 6.08 Tax Covenants.** Notwithstanding any other provision of the Indenture, absent an Opinion of Counsel that the exclusion from gross income of the interest on the Series 2025A Bonds will not be adversely affected for federal income tax purposes, the City and the Authority covenant to comply with all applicable requirements of the Code necessary to preserve such exclusion from gross income with respect to the Series 2025A Bonds and specifically covenant, without limiting the generality of the foregoing, as follows:

(a) Private Activity. The City and the Authority will not take any action or refrain from taking any action or make any use of the proceeds of the Series 2025A Bonds or of any other moneys or property which would cause the Series 2025A Bonds to be "private activity bonds" within the meaning of Section 141 of the Code;

(b) Arbitrage. The City and the Authority will make no use of the proceeds of the Series 2025A Bonds or of any other amounts or property, regardless of the source, and will not take any action or refrain from taking any action which would cause the Series 2025A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code;

(c) Federal Guarantee. The City and the Authority will make no use of the proceeds of the Series 2025A Bonds and will not take or omit to take any action that would cause the Series 2025A Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code;

(d) Information Reporting. The City and the Authority will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code necessary to preserve the exclusion of interest on the Series 2025A Bonds pursuant to Section 103(a) of the Code;

(e) Hedge Bonds. The City and the Authority will make no use of the proceeds of the Series 2025A Bonds or any other amounts or property, regardless of the source, and will not take any action or refrain from taking any action that would cause the Series 2025A Bonds to be considered "hedge bonds" within the meaning of Section 149(g) of the Code unless the City and the Authority take all necessary action to assure compliance with the requirements of Section 149(g) of the Code to

maintain the exclusion from gross income of interest on the Series 2025A Bonds for federal income tax purposes; and

(f) Miscellaneous. The City and the Authority will not take any action or refrain from taking any action inconsistent with its expectations stated in the Tax Certificate and will comply with the covenants and requirements stated therein and incorporated by reference herein.

This Section and the covenants set forth herein shall not be applicable to, and nothing contained herein shall be deemed to prevent the City and the Authority from causing the Trustee to issue revenue bonds or to execute and deliver contracts payable on a parity with the Series 2025A Bonds, the interest with respect to which has been determined by an Opinion of Counsel to be subject to federal income taxation.

**Section 6.09 Continuing Disclosure.** The City will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the City to comply with the Continuing Disclosure Certificate shall not constitute an event of default hereunder; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the holders of at least 25% of the aggregate principal amount of Outstanding Bonds, and upon being indemnified to its reasonable satisfaction therefor, shall) or any holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

**Section 6.10 Further Assurances.** Whenever and so often as requested to do so by the Trustee, the Authority and the City will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee all advantages, benefits, interests, powers, privileges and rights conferred or intended to be conferred upon it hereby or by the Assignment Agreement, the Ground Lease or the Lease Agreement.

## ARTICLE VII

### DEFAULT AND LIMITATIONS OF LIABILITY

**Section 7.01 Action on Default.** If an event of default (as described in Article VII of the Lease Agreement) shall happen, then such event of default shall constitute an event of default hereunder. The Trustee, as assignee of the Authority, shall give notice to the City and the Insurer of an event of default under the Lease Agreement. In each and every case during the continuance of an event of default, the Trustee may and, at the discretion of the Insurer and upon being indemnified to its reasonable satisfaction therefor, shall, upon notice in writing to the Insurer, the City and the Authority, exercise any of the remedies granted to the Authority under the Lease Agreement and, in addition, take whatever action at law or in equity may appear necessary or desirable to enforce its rights as assignee pursuant to the Assignment Agreement or to protect and enforce any of the rights vested in the Trustee, the Insurer or the Owners by this Indenture or by the Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in Section 7.02 hereof.

**Section 7.02 Other Remedies of the Trustee.** Subject to the provisions of Section 7.01 hereof, the Trustee shall have the right:

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the Authority or the City or any member, director, officer or employee thereof, and to compel the Authority or the City or any such member, director, officer or employee to perform or carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him or her contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee; or

(c) by suit in equity upon the happening of any event of default hereunder to require the Authority and the City to account as the trustee of an express trust.

Nothing herein shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Owner any plan of reorganization, arrangement, adjustment or composition affecting the Bonds or the rights of any Owner thereof, or to authorize the Trustee to vote in respect of the claim of any Owner in any such proceeding without the approval of the Owners so affected.

**Section 7.03 Non-Waiver.** A waiver of any default or breach of duty or contract by the Trustee shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No default or event of default may be waived without the Insurer's express written consent. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Trustee by law or by this Article may be enforced and exercised from time to time and as often the Trustee shall deem expedient.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee or any Owner, then subject to any adverse determination, the Trustee, such Owner, the Authority and the City shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

**Section 7.04 Remedies Not Exclusive.** Subject to the provisions of Section 7.01 hereof, no remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any law. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**Section 7.05 No Liability by the Authority to the Owners.** Except as expressly provided herein, the Authority shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the City, or with respect to the performance by the City of the other agreements and covenants required to be performed by it contained in the Lease Agreement or herein, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

**Section 7.06 No Liability by the City to the Owners.** Except for the payment when due of the Base Rental Payments and the performance of the other agreements and covenants required to be performed by it contained in the Lease Agreement, the Ground Lease or herein, the City shall not have any obligation or liability to the Owners with respect to this Indenture or the preparation, execution, delivery or transfer of the Bonds or the disbursement of the Base Rental Payments by the Trustee to the Owners, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

**Section 7.07 No Liability of the Trustee to the Owners.** Except as expressly provided herein, the Trustee shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the City, or with respect to the performance by the Authority or the City of the other agreements and covenants required to be performed by them contained in the Lease Agreement, the Ground Lease or herein.

**Section 7.08 Application of Amounts After Default.** All payments received by the Trustee with respect to the rental of the Property after a default by the City pursuant to Article VII of the Lease Agreement (including, without limitation, any proceeds received in connection with the sale, assignment or sublease of the Authority's right, title and interest in the Ground Lease), and all damages or other payments received by the Trustee for the enforcement of any rights and powers of the Trustee under Article VII of the Lease Agreement, shall be deposited into the Base Rental Payment Fund and as soon as practicable thereafter applied, together with all other funds held hereunder (except funds in the Rebate Fund):

- (a) to the payment of all amounts due the Trustee under Article VIII hereof;
- (b) to the payment of all amounts then due for interest on the Bonds, in respect of which, or for the benefit of which, money has been collected (other than Bonds which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of interest on such Bonds due and payable; and
- (c) to the payment of all amounts then due for principal of the Bonds, in respect of which, or for the benefit of which, money has been collected (other than Bonds which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of principal of such Bonds due and payable.

**Section 7.09 Trustee May Enforce Claims Without Possession of Bonds.** All rights of action and claims under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Owners in respect of which such judgment has been recovered.

**Section 7.10 Limitation on Suits.** No Owner of any Bond shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or Trustee, or for any other remedy hereunder, unless (a) such Owner shall have previously given written notice to the Trustee of a continuing event of default, (b) the Owners of not less than

25% of the aggregate principal amount of Bonds then Outstanding shall have made written request to the Trustee to institute proceedings in respect of such event of default in its own name as Trustee hereunder, (c) such Owner or Owners shall have afforded to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceedings, and (e) no direction inconsistent with such written request shall have been given to the Trustee during such 60 day period by the Owners of a majority of the aggregate principal amount of Bonds then Outstanding; it being understood and intended that no one or more Owners shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Owner, or to obtain or seek to obtain priority or preference over any other Owner or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Owners.

**Section 7.11 Consent of Insurer.** Any reorganization or liquidation plan with respect to the City or the Authority must be acceptable to the Insurer. In the event of any reorganization or liquidation of the City or the Authority, the Insurer shall have the right to vote on behalf of all holders of the Insured Series 2025A Bonds absent a continuing failure by the Insurer to make a payment under the Policy.

Anything in the Security Documents to the contrary notwithstanding, upon the occurrence and continuance of a default or an event of default, the Insurer shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Insured Series 2025A Bonds or the Trustee for the benefit of the holders of the Insured Series 2025A Bonds under this Indenture.

**Section 7.12 Insurer as Owner.** Upon the occurrence and continuance of a default or an event of default, the Insurer shall be deemed to be the sole owner of the Insured Series 2025A Bonds for all purposes under the Security Documents, including, without limitation, for purposes of exercising remedies and approving amendments.

**Section 7.13 Special Provision for Insurer Default.** If an Insurer Default shall occur and be continuing, then, notwithstanding anything herein to the contrary, (1) if at any time prior to or following an Insurer Default, the Insurer has made payment under the Policy, to the extent of such payment the Insurer shall be treated like any other holder of the Insured Series 2025A Bonds for all purposes, including giving of consents, and (2) if the Insurer has not made any payment under the Policy, the Insurer shall have no further consent rights until the particular Insurer Default is no longer continuing or the Insurer makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph, "Insurer Default" means: (A) the Insurer has failed to make any payment under the Policy when due and owing in accordance with its terms; or (B) the Insurer shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of the Insurer (including without limitation under the New York Insurance Law).

## ARTICLE VIII

### THE TRUSTEE

**Section 8.01 Employment of the Trustee.** The Authority hereby appoints and employs the Trustee to receive, deposit and disburse the Base Rental Payments, to authenticate, deliver and transfer the Bonds and to perform the other functions contained herein, all in the manner provided herein and subject to the conditions and terms hereof. By executing and delivering this Indenture, the Trustee accepts the appointment and employment hereinabove referred to and accepts the rights and obligations of the Trustee provided herein, subject to the conditions and terms hereof. Other than when an event of default has occurred and is continuing, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee. In case an event of default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs. The Trustee hereby covenants and agrees that it will not encumber the Property other than in accordance with this Indenture or the Assignment Agreement.

**Section 8.02 Duties, Removal and Resignation of the Trustee.** The Authority shall provide prior written notice to the Insurer of any name change of the Trustee or the resignation or removal of the Trustee initially a party hereto and any successor thereto shall remove the Trustee initially a party hereto and any successor thereto if at any time (a) requested to do so by an instrument or concurrent instruments in writing signed by the Owners of a majority of the aggregate principal amount of Bonds at the time Outstanding (or their attorneys duly authorized in writing), or (b) the Trustee shall cease to be eligible in accordance with the following sentence, and shall appoint a successor Trustee. The Trustee and any successor Trustee shall be: (i) a national banking association in good standing authorized to exercise trust powers or having the powers of a trust company and duly authorized to exercise trust powers within the State having a combined capital and surplus of at least \$250,000,000, and subject to supervision or examination by federal or state authority, (ii) a state-chartered commercial bank that is a member of the Federal Reserve System having at least \$1,000,000,000 of assets, or (iii) an entity otherwise approved by the Insurer in writing. No removal, resignation or termination of the Trustee shall take effect until a successor, meeting the requirements above or acceptable to the Insurer, shall be qualified and appointed. If such entity publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this Section the combined capital and surplus of such entity shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Authority shall provide 30 days written notice to the Trustee of the removal of the Trustee and the removal of the Trustee by the Authority, or the Owners or the Insurer, if applicable, shall be subject to such party not being in default under the transaction documents.

The Trustee may at any time resign by giving written notice of such resignation to the Authority, the City and the Insurer and by giving notice, by first class mail, postage prepaid, of such resignation to the Owners at their addresses appearing on the Registration Books. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee acceptable to the Insurer by an instrument in writing; provided, however, that in the event the Authority does not appoint a successor Trustee within 30 days following receipt of such notice of resignation, the resigning Trustee may, at the expense of the Authority, petition the appropriate court having jurisdiction to appoint a

successor Trustee. Any resignation or removal of a Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee.

Any corporation, association or agency into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, provided that such entity meets the combined capital and surplus requirements of this Section, ipso facto, shall be and become successor trustee under this Indenture and vested with all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

**Section 8.03 Compensation of the Trustee.** The City shall from time to time, subject to any written agreement then in effect with the Trustee, pay the Trustee reasonable compensation for all its services rendered hereunder and reimburse the Trustee for all its reasonable advances and expenditures (which shall not include “overhead expenses” except as such expenses are included as a component of the Trustee’s stated annual fees) hereunder, including but not limited to advances to and reasonable fees and reasonable expenses of accountants, agents, appraisers, consultants or other experts, and counsel not directly employed by the Trustee but an attorney or firm of attorneys retained by the Trustee, employed by it in the exercise and performance of its rights and obligations hereunder. The Trustee may take whatever legal actions are lawfully available to it directly against the Authority or the City.

The City shall, to the extent permitted by law, indemnify and save the Trustee harmless against any loss, damage, liabilities, costs, claims or expenses, including those of its attorneys, which it may incur in the exercise and performance of its powers and duties hereunder, under the Lease Agreement, or in connection with any document or transaction contemplated hereunder or thereunder, including the enforcement of any remedies and the defense of any suit, and which are not due to its negligence or its willful misconduct as finally adjudicated by a court of competent jurisdiction. The duty of the City to indemnify the Trustee shall survive the termination and discharge of this Indenture and the earlier removal or resignation of the Trustee.

If the Trustee renders any service hereunder not provided for in this Indenture or related financing documents, or the Trustee is made a party to or intervenes in any litigation pertaining to this Indenture or related financing documents or institutes interpleader proceedings relative hereto, the Trustee shall be compensated reasonably by the Authority for such extraordinary services and reimbursed for any and all claims, liabilities, losses, damages, fines, penalties, and expenses, including out-of-pocket and incidental expenses and legal fees and expenses occasioned thereby.

No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers hereunder. The Trustee may refuse to perform any duty or exercise any right or power which would require it to expend its own funds or risk any liability if it shall reasonably believe that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

Upon an Event of Default, and only upon an Event of Default, the Trustee shall have a first lien with right of payment prior to payment on account of principal of and premium, if any, and interest

on any Bond, upon the trust estate for the foregoing fees, charges and expenses incurred by it. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

**Section 8.04 Protection of the Trustee.** The Trustee shall be protected and shall incur no liability in acting or proceeding in good faith upon any affidavit, bond, certificate, consent, notice, request, requisition, resolution, statement, telegram, voucher, waiver or other paper or document which it shall in good faith believe to be genuine and to have been adopted, executed or delivered by the proper party or pursuant to any of the provisions hereof, and the Trustee shall be under no duty to make any investigation or inquiry as to any statements contained or matters referred to in any such instrument, but may accept and rely upon the same as conclusive evidence of the truth and accuracy of such statements. The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Owners of the Bonds pursuant to this Indenture, unless such Owners shall have offered to the Trustee security or indemnity, reasonably satisfactory to the Trustee, against the reasonable costs, expenses and liabilities which might be incurred by it in compliance with such request or direction. The Trustee may consult with counsel, who may be counsel to the Authority or the City, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect to any action taken or suffered by it hereunder in good faith in accordance therewith.

The Trustee shall not be responsible for the sufficiency of the Bonds or the Lease Agreement, or of the assignment made to it by the Assignment Agreement, or for statements made in any preliminary or final official statement or any other disclosure material prepared or distributed relating to the Bonds, or of the title to the Property. The Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the City or a Written Certificate of the Authority, and such certificate shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it deems reasonable.

The Trustee may buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owner may be entitled to take with like effect as if the Trustee were not a party hereto. The Trustee, either as principal or agent, may also engage in or be interested in any financial or other transaction with the Authority or the City, and may act as agent, depository or trustee for any committee or body of Owners or of owners of obligations of the Authority or the City as freely as if it were not the Trustee hereunder.

The Trustee may, to the extent reasonably necessary, execute any of the trusts or powers hereof and perform any rights and obligations required of it hereunder either directly or by or through agents, attorneys, custodians, nominees or receivers appointed with due care, and shall be entitled to advice of counsel concerning all matters of trust and its rights and obligations hereunder, and the Trustee shall not be answerable for the negligence or misconduct of any such agent, attorney, custodian, nominee or

receiver selected by it with reasonable care. The Trustee shall not be liable for any error of judgment made by it in good faith unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

The Trustee shall not be answerable for the exercise of any trusts or powers hereunder or for anything whatsoever in connection with the funds established hereunder, except only for its own willful misconduct, negligence or breach of an obligation hereunder.

The Trustee shall not be deemed to have knowledge of an event of default unless it has actual knowledge thereof.

The Trustee may, on behalf of the Owners, intervene in any judicial proceeding to which the Authority or the City is a party and which, in the opinion of the Trustee and its counsel, affects the Bonds or the security therefor, and shall do so if requested in writing by the Owners of at least 5% of the aggregate principal amount of Bonds then Outstanding, provided the Trustee shall have no duty to take such action unless it has been indemnified to its reasonable satisfaction against all risk or liability arising from such action.

The Trustee's rights to immunities and protection from liability hereunder and its rights to payment of its fees and expenses shall survive its resignation or removal and final payment or defeasance of the Bonds.

All indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, officers, employees and agents of the Trustee.

The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall have no responsibility or liability with respect to any information, statements or recitals in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of these Bonds. The Trustee shall not be accountable for the use or application by the Borrower of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or for the use and application of money received by any paying agent.

In no event shall the Trustee be responsible or liable for special, indirect, consequential, punitive or incidental loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, pandemics, epidemics, recognized public emergencies, quarantine restrictions, nuclear or natural catastrophes or acts of God, interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services, and hacking, cyber-attacks, or other use or infiltration of the Trustee's technological infrastructure exceeding authorized access; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and related financing documents and delivered using Electronic Means; provided, however, that the Authority or the City, as applicable, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Authority or the City, as applicable, whenever a person is to be added or deleted from the listing. If the Authority or the City, as applicable, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Authority and the City understand and agree that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Authority and the City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Authority, the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority and/or the City, as applicable. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Authority and the City agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority and/or the City, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

In acting or omitting to act pursuant to the Lease Agreement or Ground Lease, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Indenture and the Lease Agreement, including, but not limited to, this Article VIII.

## **ARTICLE IX**

### **MODIFICATION OR AMENDMENTS**

#### **Section 9.01 Modifications and Amendments Permitted.**

(a) This Indenture and the rights and obligations of the Authority, the City, the Owners of the Bonds and the Trustee may be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority, the City and the Trustee may enter into with the prior written consent of the Insurer and the Owners of a majority in aggregate principal amount of all Bonds then Outstanding, which shall have been filed with the Trustee. For purposes of this Section, the Insurer shall be treated as the Owner of any Insured Series 2025 Bonds. No such modification or amendment shall (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or the rate of interest thereon, or extend the time of payment, without the consent of the Insurer and Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or (iii) permit the creation

of any lien on the Base Rental Payments and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture or deprive the Owners of the Bonds of the lien created by this Indenture on such Base Rental Payments and other assets (except as expressly provided in this Indenture), without the consent of the Insurer and the Owners of all of the Bonds then Outstanding. It shall not be necessary for the consent of the Insurer or the Bond Owners to approve the particular form of any Supplemental Indenture, but it shall be sufficient if such consent shall approve the substance thereof.

(b) This Indenture and the rights and obligations of the Authority, the City, the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority, the City and the Trustee may enter into without the consent of any Bond Owners or the Insurer for any one or more of the following purposes:

(1) to add to the covenants and agreements of the Authority or the City in this Indenture contained other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority or the City;

(2) to make such provisions for the purpose of curing any ambiguity, inconsistency or omission, or of curing or correcting any defective provision contained in this Indenture;

(3) to provide for the issuance of one or more Series of Additional Bonds, and to provide the terms and conditions under which such Series of Additional Bonds may be issued, subject to and in accordance with the provisions of Sections 3.06 and 3.07 hereof;

(4) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

(5) to modify, amend or supplement this Indenture in such manner as to cause interest on the Bonds to be excludable from gross income for purposes of federal income taxation by the United States of America; and

(6) in any other respect whatsoever as the Authority and the City may deem necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bond Owners hereunder.

(c) Promptly after the execution by the Authority, the City and the Trustee of any Supplemental Indenture, the Trustee shall mail a notice (the form of which shall be furnished to the Trustee by the Authority), by first class mail postage prepaid, setting forth in general terms the substance of such Supplemental Indenture, to the Owners of the Bonds at the respective addresses shown on the Registration Books. Any failure to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such Supplemental Indenture.

(d) No Supplemental Indenture shall modify any of the rights or obligations of the Trustee without the Insurer's and the Trustee's prior written consent. No Supplemental Indenture shall modify any of the rights or obligations of the Insurer without the Insurer's prior written consent.

The Authority or the City shall send copies of any Supplemental Indenture to the Insurer and any rating agency which maintains a rating with respect to the Insured Series 2025A Bonds.

**Section 9.02 Effect of Supplemental Indenture.** Upon the execution of any Supplemental Indenture pursuant to this Article, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Authority, the City, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

In executing, or accepting the additional trusts created by any supplemental indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture and complies with the terms hereof.

**Section 9.03 Endorsement of Bonds; Preparation of New Bonds.** Bonds delivered after the execution of any Supplemental Indenture pursuant to this Article may, and if the Authority so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority and the Trustee as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand of the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee a suitable notation shall be made on such Bonds. If the Supplemental Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Authority and the Trustee, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by the Authority and authenticated by the Trustee, and upon demand of the Owners of any Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any Bond Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same interest rate and maturity.

**Section 9.04 Amendment of Particular Bonds.** The provisions of this Article shall not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by such Owner.

## ARTICLE X

### DEFEASANCE

**Section 10.01 Discharge of Indenture.** If the Authority shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Outstanding Bonds the principal thereof and the interest and premium, if any, thereon at the times and in the manner stipulated herein and therein, then the Owners of such Bonds shall cease to be entitled to the pledge of the Base Rental Payments and the other assets as provided herein, and all agreements, covenants and other obligations of the Authority and the City to the Owners of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. Such opinion and verification report shall be addressed to the Insurer and shall be in form and substance satisfactory to the Insurer. In addition, the escrow agreement shall provide that: (i) any substitution of securities shall require the delivery of a verification report, an opinion of Bond Counsel that such substitution will not adversely affect the exclusion (if interest on the Insured Series 2025A Bonds is excludable) from gross income of the holders of the Insured Series 2025A Bonds of the interest on the Insured Series 2025A Bonds for federal income tax purposes and the prior written consent of the Insurer, which consent will not be unreasonably withheld; (ii) the Authority and the City will not exercise any prior optional redemption of the Insured Series 2025A Bonds secured by the escrow agreement or any other redemption other than mandatory sinking fund redemption unless (1) the right to make any such redemption has been expressly reserved in the escrow agreement and such reservation has been disclosed in detail in the official statement for the refunding bonds, and (2) as a condition to any such redemption there shall be provided to the Insurer a verification report as to the sufficiency of escrow receipts without reinvestment to meet the escrow requirements remaining following any such redemption; (iii) the Authority and the City shall not amend the escrow agreement or enter into a forward purchase agreement or other agreement with respect to rights in the escrow without the prior written consent of the Insurer.]

(iv) that there has not been filed with or served upon the City notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable to any of the payees named on the attached Exhibit A, which has not been released or will not be released simultaneously with the payment of such obligation, other than materialmen’s or mechanics’ liens accruing by mere operation of law.

All capitalized terms used herein and not defined herein shall have the meanings ascribed thereto in the Indenture.

City of Goleta

Goleta, California 93117  
Attention: City Manager

Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), acting not as a fiduciary or agent for you, but on behalf of itself, offers to enter into this Bond Purchase Agreement (which, together with the exhibits hereto, is referred to as the “Purchase Agreement”) with the Goleta Facilities Financing Authority (the “Authority”) and the City of Goleta, California (the “City”), which, upon the acceptance of the Authority and the City, will be binding upon the Authority, the City and the Underwriter. This offer is made subject to acceptance by the Authority and by the City by the execution of this Purchase Agreement and delivery of the same to the Underwriter prior to 11:59 P.M., California time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Authority and the City at any time prior to the acceptance hereof by the Authority and the City. Capitalized terms that are used herein and not otherwise defined have the meanings that are set forth in the Indenture, dated as of [February] 1, 2025 (the “Indenture”), by and among the Authority, the City and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”).

**Section 1. Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements herein set forth, the Underwriter hereby agrees to purchase from the Authority, and the Authority hereby agrees to issue, sell and deliver to the Underwriter all (but not less than all) of the Goleta Facilities Financing Authority Lease Revenue Bonds, Series 2025A in the aggregate principal amount of \$\_\_\_\_\_ (the “Bonds”). The Bonds will be dated as of their date of delivery. Interest on the Bonds shall be payable semiannually on [May 1, 2025] and each May 1 and November 1 thereafter, and will mature, bear interest and be subject to redemption prior to maturity as set forth in Exhibit A. The purchase price of the Bonds shall be equal to \$\_\_\_\_\_ (being the aggregate principal amount thereof [plus][less] a [net] original issue [premium][discount] of \$\_\_\_\_\_, less an underwriter’s discount of \$\_\_\_\_\_). The Authority and the City acknowledge that the Underwriter will on the Closing Date (as such term is defined herein), on behalf

of the Authority and the City, wire a portion of the purchase price in the amount of \$\_\_\_\_\_ representing the premium for the Policy (as such term is defined herein), directly to \_\_\_\_\_ (the “Insurer”).

**Section 2. The Bonds.** The Bonds shall be secured by a pledge of revenues consisting primarily of base rental payments (“Base Rental Payments”) to be paid by the City to the Authority pursuant to the Lease Agreement, dated as of [February] 1, 2025 (the “Lease Agreement”), by and between the City and the Authority, under which the Authority will sublease certain real property to the City in consideration for the City’s payment of the Base Rental Payments. The Authority’s right to receive the Base Rental Payments due under the Lease Agreement and to exercise remedies upon default under the Lease Agreement shall be assigned to the Trustee for the benefit of the owners of the Bonds pursuant to an Assignment Agreement, dated as of [February] 1, 2025 (the “Assignment Agreement”), by and between the Authority and the Trustee.

The Bonds shall be as described in, and shall be secured under and pursuant to the Indenture substantially in the form previously submitted to the Underwriter with only such changes therein as shall be mutually agreed upon by the Authority, the City and the Underwriter.

The leased asset under the Lease Agreement and Ground Lease (defined below) shall consist of the [City Hall building and the land on which City Hall is located] (collectively, the “Property”).

The proceeds of the Bonds shall be used to: [(i) to finance all or a portion of the acquisition, construction and/or installation of certain capital improvement projects in the City, including the Ekwil Street and Fowler Road extension (including the Hollister Avenue Old Town interim striping project), Cathedral Oaks crib wall repair, San Jose Creek bike path, Hollister Avenue Bridge replacement, and Goleta Train Depot and South La Patera Lane improvements, and related street resurfacing and public walkway improvements (collectively, the “Project”), and (ii) pay the costs incurred in connection with the issuance of the Bonds, including the premium for a municipal bond insurance policy to be issued by the Insurer insuring the Bonds maturing on November 1 of the years \_\_\_ through \_\_\_, inclusive (the “Policy”)].

The Bonds, this Purchase Agreement, the Indenture, the Lease Agreement, the Ground Lease, dated as of [February] 1, 2025 (the “Ground Lease”), by and between the Authority and the City, the Assignment Agreement, and the resolution of the Authority authorizing the issuance of the Bonds and the resolution of the Authority approving the Preliminary Official Statement and final Official Statement with respect to the Bonds, duly adopted at regular meetings of the Authority Board of Directors held, respectively, on \_\_\_\_\_, 2024 and \_\_\_\_\_, 2025 (collectively, the “Authority Resolutions”) are collectively referred to herein as the “Authority Documents.”

This Purchase Agreement, the Continuing Disclosure Certificate of the City, dated the date of issuance of the Bonds (the “Continuing Disclosure Certificate”), the Lease Agreement, the Ground Lease and the resolution of the City approving the issuance of the Bonds and the resolution of the City approving the Preliminary Official Statement and final Official Statement and authorizing the execution and delivery of the Continuing Disclosure Certificate with respect to the Bonds, duly adopted at regular meetings of the City Council held, respectively, on \_\_\_\_\_, 2024 and \_\_\_\_\_, 2025 (collectively, the “City Resolutions”) are collectively referred to herein as the “City Documents.”

Concurrently with the issuance and delivery of the Bonds, Authority expects to issue and deliver its Local Measure A Transportation Sales Tax Revenue Bonds, Series 2025 (the “2025 Sales

Tax Revenue Bonds”) to provide funds to pay for a portion of the Project. The delivery of the Bonds is not contingent upon the concurrent issuance and delivery of the 2025 Sales Tax Revenue Bonds.

### **Section 3. Public Offering and Establishment of Issue Price.**

(a) The Underwriter agrees to make an initial public offering of all of the Bonds at the public offering prices (or yields) set forth in Exhibit A and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as the Underwriter deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth on Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial public offering prices. The City and the Authority acknowledge and agree that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm’s-length commercial transaction between the City and the Authority, on one hand, and the Underwriter, on the other; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, the Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of The Securities Exchange Act of 1934, as amended); (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City or Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the City or Authority on other matters); (iv) the Underwriter has financial and other interests that differ from those of the City and the Authority; and (v) the City and Authority have consulted their own legal, financial and other advisors to the extent that they have deemed appropriate.

(b) The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing (as defined below) an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form set forth in Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel (as such term is defined below), to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds and the 2024 Sales Tax Revenues Bonds, if applicable. All actions to be taken by the Authority under this section to establish the issue price of the Bonds may be taken on behalf of the Authority by the Authority’s municipal advisor, Urban Futures, Incorporated (the “Municipal Advisor”) and any notice or report to be provided to the Authority may be provided to the Authority’s Municipal Advisor.

(c) Except as otherwise set forth in Exhibit A, the Authority will treat the first price at which 10% of each maturity of the Bonds (the “10% test”), identified under the column “10% Test Used” in Exhibit A, is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date (as defined below) has occurred, until either: (i) the Underwriter has sold all of the Bonds of that maturity; or (ii), the 10% test has been satisfied as to the Bonds of that maturity, provided that, the Underwriter’s reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon the request of the Authority or Bond Counsel. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds. For

clarity, and notwithstanding any other condition to Closing set forth in this Purchase Agreement, the sale of 10% of each maturity of the Bonds to the public prior to the Closing Date shall not be a condition to Closing.

(d) The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Exhibit A, except as otherwise set forth therein. Exhibit A also sets forth, identified under the column “Hold the Offering Price Rule Used,” as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (i) the close of the fifth (5th) business day after the sale date; or
- (ii) the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the Authority promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

(e) The Underwriter confirms that:

(1) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group, and each broker-dealer that is a party to such third-party distribution agreement, as applicable, (A) (i) to report the prices at which it sells to the public the unsold Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter; (B) to promptly notify the Underwriter of any sales of Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below), and (C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public; and

(2) any selling group agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Bonds of each

maturity allocated to it, whether or not the Closing Date has occurred, until either all Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(f) The Authority acknowledges that, in making the representations set forth in this Section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The Authority further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Bonds.

(g) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) “public” means any person other than an underwriter or a related party;

(ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third party distribution agreement participating in the initial sale of the Bonds to the public);

(iii) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

(iv) “sale date” means the date of execution of this Purchase Agreement by all parties.

**Section 4. The Official Statement.** By their acceptance of this proposal, the Authority and the City ratify, confirm and approve of the use and distribution by the Underwriter prior to the date hereof of the Preliminary Official Statement relating to the Bonds dated [POS Date] (including the cover page, all appendices and all information incorporated therein and any other supplements or amendments thereto and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, the “Preliminary Official Statement”) that authorized officers of the City and the Authority deemed “final” as of its date for purposes of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), except for certain information that is permitted to be omitted therefrom by Rule 15c2-12. The Authority and the City agree to deliver or cause to be delivered to the Underwriter, within seven business days of the date hereof, copies of the final official statement, dated the date hereof, relating to the Bonds (including all information that was previously permitted to have been omitted by Rule 15c2-12), including the cover page, all appendices, all information incorporated therein and any amendments or supplements as have been approved by the Authority, the City and the Underwriter (the “Official Statement”) in such quantity as the Underwriter shall reasonably request to comply with Section (b)(4) of Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board (the “MSRB”).

The Underwriter hereby agrees that it will not request that payment be made by any purchaser of the Bonds prior to delivery by the Underwriter to the purchaser of a copy of the Official Statement. The Underwriter agrees: (i) to provide the Authority and the City with final pricing information on the Bonds on a timely basis; and (ii) to file a copy of the Official Statement, including any supplements prepared by the Authority or the City in accordance with MSRB rules with the MSRB at <http://emma.msrb.org>. The Authority and the City hereby approve of the use and distribution by the Underwriter of the Preliminary Official Statement in connection with the offer and sale of the Bonds. The Authority and the City will cooperate with the Underwriter in the filing by the Underwriter of the Official Statement with the MSRB.

**Section 5. Closing.** At 8:30 a.m., California time, on [Closing Date], or at such other time or date as the Authority and the Underwriter agree upon (the “Closing Date”), the Authority shall deliver or cause to be delivered to the Trustee, the Bonds, in definitive form, registered in the name of Cede & Co., as the nominee of The Depository Trust Company (“DTC”), so that the Bonds may be authenticated by the Trustee and credited to the account specified by the Underwriter under DTC’s FAST procedures. Concurrently with the delivery of the Bonds, the Authority and the City will deliver the documents hereinafter mentioned at the offices of Stradling Yocca Carlson & Rauth LLP, Newport Beach, California (“Bond Counsel”), or another place to be mutually agreed upon by the Authority, the City and the Underwriter. The Underwriter will accept such delivery and pay the purchase price of the Bonds as set forth in Section 1 hereof by wire transfer in immediately available funds. This payment for and delivery of the Bonds, together with the delivery of the aforementioned documents, is herein called the “Closing.”

The Bonds shall be registered in the name of Cede & Co., as nominee of DTC in denominations of five thousand dollars (\$5,000) or any integral multiple thereof. The Authority and the City acknowledge that the services of DTC will be used initially by the Underwriter in order to permit the issuance of the Bonds in book-entry form, and agree to cooperate fully with the Underwriter in employing such services.

**Section 6. Representations, Warranties and Covenants of the Authority.** The Authority represents, warrants and covenants to the Underwriter and the City that:

(a) The Authority is a public body that is duly organized and existing under the Constitution and laws of the State of California (the “State”), including Articles 1, 2 and 4 of Chapter 5 of Division 7 of Title 1 of the Government Code of the State of California (the “JPA Act”) and the Joint Exercise of Powers Agreement, dated [\_\_\_\_\_, 2024] (the “JPA Agreement”), by and between the City and the California Statewide Communities Development Authority.

(b) The Authority has full legal right, power and authority to adopt or enter into, as the case may be, and to carry out and consummate the transactions on its part contemplated by the Authority Documents.

(c) By all necessary official action at regular meetings of the Authority’s Board of Directors that were duly noticed and held, the Authority has adopted the Authority Resolutions, has duly authorized and approved the issuance of the Bonds and the execution of the Authority Documents, has duly authorized and approved the Preliminary Official Statement, will, by execution thereof, duly authorize and approve the Official Statement, and has duly authorized and approved the execution and delivery of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents and the consummation by it of all other transactions contemplated by the Authority Documents in connection with the issuance of the Bonds. As of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, and assuming due execution and delivery by the other parties thereto, if applicable, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against joint powers authorities in the State. The Authority has complied, and will at the Closing be in compliance in all material respects, with the terms of the Authority Documents.

(d) The Authority is not in any material respect in breach of or default under any applicable constitutional provision, law or administrative regulation of any state or of the United States, or any agency or instrumentality of either, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party which breach or default has or may have a materially adverse effect on the ability of the Authority to perform its obligations under the Authority Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument; and the adoption, execution and delivery of the Authority Documents, if applicable, and compliance with the provisions on the Authority’s part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Authority is a party, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Authority or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.

(e) All material authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the Authority of its obligations in connection with the Authority Documents have been duly obtained or, when required for future performance, are expected to be obtained, other than such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Preliminary Official Statement and the Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the Authority of its obligations under the Authority Documents have been duly obtained.

(f) The Authority hereby agrees that it will notify the other parties hereto if, within the period from the date of this Purchase Agreement to and including the date that is twenty-five (25) days following the end of the underwriting period (as such term is defined below), the Authority discovers any pre-existing or subsequent fact or becomes aware of the occurrence of any event, in any such case, which might cause the Official Statement (as the same may have then been supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(g) As of the time of acceptance hereof and the Closing, except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental authority, public board or body, pending, with service of process upon the Authority having been accomplished, or threatened in writing to the Authority: (i) in any way questioning the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Base Rental Payments with respect to the Lease Agreement or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity of the Bonds or the other Authority Documents or the consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of the interest on the Bonds from taxation or contesting the powers of the Authority or its authority to issue the Bonds; (iii) which would be likely to result in any material adverse change relating to the business, operations or financial condition of the Authority; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(h) To the Authority's knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of paragraph 6(g).

(i) The information set forth under the caption "THE AUTHORITY" in the Preliminary Official Statement as of its date does not and in the Official Statement as of the date hereof and as of the Closing Date does not and will not contain any untrue statement of a material fact or omit

to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(j) The Authority will refrain from taking any action, or permitting any action to be taken, with regard to which the Authority may exercise control, that results in the loss of the tax-exempt status of the interest on the Bonds.

(k) The Authority will refrain from taking any action, or permitting any action to be taken, to reduce the amount of the Base Rental Payments while the Bonds are Outstanding, and the Authority will collect the Base Rental Payments in accordance with the Lease Agreement.

(l) Any certificate signed by any officer of the Authority authorized to execute such certificate in connection with the execution, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the Authority to the Underwriter and the City as to the statements made therein but not of the person signing such certificate.

**Section 7. Representations, Warranties and Covenants of the City.** The City represents, warrants and covenants to the Underwriter and the Authority that:

(a) The City is a municipal corporation and general law city duly organized and existing under and by virtue of the Constitution and laws of the State.

(b) The City has full legal right, power and authority to adopt or enter into, as the case may be, and to carry out and consummate the transactions on its part contemplated by the City Documents.

(c) By all necessary official action, the City has adopted the City Resolutions, has duly authorized and approved the City Documents, has duly authorized and approved the Preliminary Official Statement and the Official Statement and has duly authorized and approved the execution and delivery of, and the performance by the City of the obligations on its part contained in, the City Documents and the consummation by it of all other transactions contemplated by the City Documents in connection with the issuance of the Bonds. As of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered, and assuming due execution and delivery by the other parties thereto, if applicable, the City Documents will constitute the legally valid and binding obligations of the City enforceable in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against municipal corporations in the State. The City has complied, and will at the Closing be in compliance in all material respects, with the terms of the City Documents.

(d) The City is not in any material respect in breach of or default under any applicable constitutional provision, law, ordinance or administrative rule or regulation of the State or the County, or administrative regulation of any state or of the United States, or any agency or instrumentality thereof, or any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party which breach or default has or may have a materially adverse effect on the ability of the City to perform its obligations under the City Documents, and no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute such a default or event of default under any such instrument;

and the adoption, execution and delivery of the City Documents, if applicable, and compliance with the provisions on the City's part contained therein, will not conflict in any material way with or constitute a material breach of or a material default under any constitutional provision, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the City is a party, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the City or under the terms of any such law, regulation or instrument, except as may be provided by the City Documents.

(e) All material authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by the City of its obligations in connection with the City Documents have been duly obtained or, when required for future performance, are expected to be obtained, other than such approvals, consents and orders as may be required under the Blue Sky or securities laws of any state in connection with the offering and sale of the Bonds; except as described in or contemplated by the Preliminary Official Statement, all authorizations, approvals, licenses, permits, consents and orders of any governmental authority, board, agency or commission having jurisdiction of the matter which are required for the due authorization by, or which would constitute a condition precedent to or the absence of which would materially adversely affect the due performance by, the City of its obligations under the City Documents have been duly obtained.

(f) The Preliminary Official Statement was as of its date and at the date hereof, and the Official Statement is, and at all times subsequent to the date of the Official Statement up to and including the Closing will be, true and correct in all material respects, and the Preliminary Official Statement did not as of its date and at the hereof, and the Official Statement does not and will not, at all times subsequent to the date of the Official Statement up to and including the Closing, contain any untrue statement of a material fact or omit to state a material fact that is necessary to make the statements contained therein, in the light of the circumstances under which they were made, not misleading (except that this representation does not include statements in the Official Statement under the captions "THE AUTHORITY" and "UNDERWRITING," information regarding DTC and its book-entry only system, and information regarding the Insurer and the Policy, as to which no view is expressed).

(g) The City will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement. The City will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental authority prohibiting or otherwise affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds.

(h) As of the time of acceptance hereof and the Closing, except as disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental authority, public board or body, pending, with service of process upon the City having been accomplished, or threatened in writing to the City: (i) in any way questioning the corporate existence of the City or the titles of the officers of the City to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Base Rental Payments with respect to the Lease Agreement or of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contesting or affecting the validity of the Bonds or the City Documents or the

consummation of the transactions contemplated thereby or hereby, or contesting the exclusion of the interest on the Bonds from taxation, or contesting the powers of the Authority to issue the Bonds; (iii) which would be likely to result in any material adverse change relating to the business, operations or financial condition of the City; or (iv) contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact that is necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(i) To the City's knowledge, there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of paragraph 7(h).

(j) Until the date which is twenty-five (25) days after the end of the underwriting period, if any event shall occur of which the City is aware that would cause the Official Statement to contain any untrue statement of a material fact or omit to state a material fact that is necessary in order to make the statements in the Official Statement, in light of the circumstances under which they were made, not misleading (except that this representation does not include information regarding DTC and its book entry only system, and information regarding the Insurer and the Policy, as to which no view is expressed), the City shall forthwith notify the Underwriter of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriter's reasonable opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time and the City shall promptly furnish to the Underwriter a reasonable number of copies of such supplement. As used herein, the term "end of the underwriting period" means the later of such time as: (i) the Authority delivers the Bonds to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the end of the underwriting period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered by the Underwriter to the City at or prior to the Closing Date of the Bonds and shall specify a date (other than the Closing Date) to be deemed the end of the underwriting period.

(k) Except as disclosed in the Preliminary Official Statement and the Official Statement, the City has not within the last five years failed to comply in any material respect with any continuing disclosure undertakings with regard to Rule 15c2-12 to provide annual reports or notices of material events specified in such rule.

(l) The City will refrain from taking any action, or permitting any action to be taken, with regard to which the City may exercise control, that results in the loss of the tax-exempt status of the interest on the Bonds.

(m) The financial statements relating to the receipts, expenditures and cash balances of the City as of [June 30, 2023] attached as [Appendix C] to the Official Statement fairly represent the receipts, expenditures and cash balances of the City. Except as disclosed in the Official Statement or otherwise disclosed in writing to the Underwriter, there has not been any materially adverse change in the financial condition of the City or in its operations since [June 30, 2023] and there has been no occurrence, circumstance or combination thereof which is reasonably expected to result in any such materially adverse change.

(n) To the extent required by law, the City will undertake, pursuant to the Continuing Disclosure Certificate, to provide annual reports and notices of certain events. A form of the Continuing Disclosure Certificate is set forth in [Appendix E] to the Preliminary Official Statement and will also be set forth in the Official Statement.

(o) Except in connection with the redemption or defeasance of bonds pursuant to the terms of the Indenture or as permitted under the Lease Agreement due to damage, destruction, eminent domain, or substantial interference with the use and occupancy by the City of the property that is subject to the Lease Agreement or any portion thereof, the City will refrain from taking any action, or permitting any action to be taken, to reduce the amount of the Base Rental Payments while the Bonds are Outstanding, and the City will pay the Base Rental Payments in accordance with the Lease Agreement.

(p) Any certificate signed by any officer of the City authorized to execute such certificate in connection with the execution, sale and delivery of the Bonds and delivered to the Underwriter shall be deemed a representation and warranty of the City to the Underwriter and the Authority as to the statements made therein but not of the person signing such certificate.

**Section 8. Conditions to the Obligations of the Underwriter.** The Underwriter has entered into this Purchase Agreement in reliance upon the representations and warranties of the Authority and the City contained herein. The obligations of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the statements of the officers and other officials of the Authority and of the City, as well as authorized representatives of Bond Counsel and the Trustee made in any certificates or other documents furnished pursuant to the provisions hereof; to the performance by the Authority and the City of their obligations to be performed under the Authority Documents and the City Documents, respectively, at or prior to the Closing Date; and to the following additional conditions:

(b) At the time of Closing, the City Documents and the Authority Documents shall be in full force and effect as valid and binding agreements between or among the various parties thereto, and the City Documents, the Authority Documents and the Official Statement shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Underwriter.

(c) At the time of the Closing, no material default shall have occurred or be existing under the City Documents, the Authority Documents or any other agreement or document pursuant to which any of the City's financial obligations were executed and delivered, and the City and the Authority shall not be in default in the payment of principal or interest with respect to any of their respective financial obligations, which default would materially adversely impact the ability of the City to pay the Base Rental Payments or the Authority to pay the Bonds.

(d) In recognition of the desire of the Authority, the City and the Underwriter to effect a successful public offering of the Bonds, and in view of the potential adverse impact of any of the following events on such a public offering, this Purchase Agreement shall be subject to termination in the discretion of the Underwriter by notification, in writing, to the Authority and the City prior to

delivery of and payment for the Bonds, if between the date hereof and the time of Closing, in the Underwriter's sole and reasonable judgment any of the following events shall occur (each a "Termination Event"):

(D) legislation shall have been enacted by the Congress of the United States or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States or a member of the President's Cabinet, or a decision by a court of the United States shall be rendered, or a ruling, regulation, proposed regulation or statement by or on behalf of the SEC or other governmental agency having jurisdiction of the subject matter shall be made, to the effect that any obligations of the general character of the Securities, or the Bonds are not exempt from registration under or other requirements of the Securities Act of 1933, as amended and as then in effect, or the Securities Exchange Act of 1934, as amended and as then in effect, or that the Indenture is not exempt from qualification under or other requirements of the Trust Indenture Act of 1939, as amended and as then in effect; or

(iii) a general banking moratorium shall have been declared by federal or State authorities having jurisdiction and be in force; or

(iv) a material disruption in securities settlement, payment or clearance services affecting the Bonds shall have occurred; or

(v) any new restriction on transactions in securities materially affecting the market for securities (including the imposition of any limitation on interest rates) or the extension of credit by, or a charge to the net capital requirements of, underwriters shall have been established by the New York Stock Exchange, the SEC, any other federal or State agency or the Congress of the United States, or by Executive Order; or

(vi) a decision by a court of the United States shall be rendered, or a stop order, release, regulation or no-action letter by or on behalf of the SEC or any other governmental agency having jurisdiction of the subject matter shall have been issued or made, to the effect that the issuance, offering or sale of the Bonds, including the underlying obligations as contemplated by this Agreement or by the Official Statement, or any document relating to the issuance, offering or sale of the Bonds, is or would be in violation of any provision of the federal securities laws at the Closing Date, including the Securities Act of 1933, as amended and as then in effect, the Securities Exchange Act of 1934, as amended and as then in effect, or the Trust Indenture Act of 1939; or

(C) To such counsel's knowledge, the execution and delivery by the Trustee of the Indenture and the Assignment Agreement and the performance of the obligations of the Trustee under the Indenture and the Assignment Agreement by the Trustee, will not conflict with or contravene the Articles of Association or Bylaws of the Trustee, or any law, regulation or ruling of any court or governmental authority to which the Trustee is subject;

The City and the Authority shall cooperate with the Underwriter in the filing by the Underwriter of such amendment or supplement to the Official Statement with the MSRB. The Underwriter acknowledges that the “end of the underwriting period” will be the Closing Date unless the Underwriter notifies the City and the Authority otherwise.

**Section 10. Expenses.** Whether or not the Bonds are sold to the Underwriter, the Underwriter shall be under no obligation to pay any expenses incident to the performance of the obligations of the City and the Authority hereunder. If the Bonds are delivered by the Authority to the Underwriter, the Authority and the City shall pay, from the proceeds of the Bonds or from other funds of the City, the following expenses: (a) the cost of preparing, duplicating or printing, mailing and delivering the City Documents, the Authority Documents, the Preliminary Official Statement, the Official Statement and all other agreements and documents that are contemplated therein and hereby (and drafts of any thereof); (b) the cost of preparation and printing of the definitive Bonds; (c) the fees and expenses of the Authority, the City, the Trustee, Bond Counsel, Disclosure Counsel, the Municipal Advisor, any entity retained by the Authority or the City to perform continuing disclosure compliance research or provide continuing disclosure compliance reports and any other experts or consultants retained by the Authority or the City; (d) the charges of any rating agency with respect to the Bonds; (e) premiums and other expenses relating to the Policy and the Reserve Policy; (f) reimbursement to the Underwriter for payment of any fees and expenses reasonably incurred in connection with the initial offering, sale and delivery of the Bonds, including but not limited to industry fees (e.g., DTC, DAC, IPREO, CUSIP and Day Loan fees) only if the City, the Authority and Underwriter have previously discussed and approved the allocation of proceeds towards these fees, and meal and travel expenses of

the personnel of the City or the Authority, but not including entertainment expenses or those to be paid by the Underwriter pursuant to the last paragraph of this Section 10; and (g) all other fees and expenses, not including entertainment expenses, reasonably incurred in connection with the preparation of the City Documents, the Authority Documents, the Preliminary Official Statement, the Official Statement and all other agreements and documents that are contemplated hereby (and drafts of any thereof) and/or the initial offering, sale and delivery of the Bonds. The City and the Authority have authorized, and do hereby authorize, the Underwriter to pay such expenses on behalf of the City and the Authority from proceeds of the Bonds at Closing as further described in the closing memorandum relating to the Bonds.

If the Bonds are sold to the Underwriter by the Authority, the Authority and the City shall pay out of the proceeds of the Bonds the discount of the Underwriter or the purchase price paid for the Bonds shall reflect such discount.

Except as otherwise provided in this Section 10, the Underwriter shall pay the cost, if any, of qualifying the Bonds for sale in the various states chosen by the Underwriter, all advertising expenses in connection with the public offering of the Bonds and all other expenses incurred by it in connection with its public offering and distribution of the Bonds, not described above.

**Section 11. Qualification of Bonds.** The Authority and the City will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate and to provide for the continuance of such qualification; provided, however, that neither the City nor the Authority will be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any state.

**Section 12. Notices.** Any notice or other communication to be given to the Underwriter under this Purchase Agreement may be given by delivering the same in writing to Stifel, Nicolaus & Company, Incorporated, 2121 Avenue of the Stars, Suite 2150, Los Angeles, California 90067, Attention: Sara Brown. All notices or communications hereunder by any party shall be given and served upon each other party. Any notice or communication to be given to the City or the Authority under this Purchase Agreement may be given by delivering the same in writing to the applicable address set forth on the first page of this Purchase Agreement.

**Section 13. Parties in Interest.** This Purchase Agreement is made solely for the benefit of the City, the Authority and the Underwriter (including the successors or assigns thereof) and no other person shall acquire or have any right hereunder or by virtue hereof. Except as otherwise expressly provided herein, all of the agreements and representations of the Authority and the City contained in this Purchase Agreement and in any certificates delivered pursuant hereto shall remain operative and in full force and effect regardless of: (i) any investigation made by or on behalf of the Underwriter; (ii) delivery of and payment for the Bonds hereunder; or (iii) any termination of this Purchase Agreement.

**Section 14. Severability.** In case any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof.

**Section 15. Entire Agreement.** This Purchase Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements, prior writings and representations with respect thereto.

**Section 16. Counterparts.** This Purchase Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument.

**Section 17. Survival of Representations and Warranties.** The representations and warranties of the City and the Authority in or made pursuant to this Purchase Agreement shall not be deemed to have been discharged, satisfied or otherwise rendered void by reason of the Closing or termination of this Purchase Agreement and regardless of any investigations made by or on behalf of the Underwriter (or statements as to the results of such investigations) concerning such representations and statements of the City and the Authority and regardless of delivery of and payment for the Bonds.

**Section 18. Waiver of Jury Trial.** THE AUTHORITY AND THE CITY HEREBY IRREVOCABLY WAIVE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS PURCHASE AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**Section 19. Effectiveness.** This Purchase Agreement shall become effective and binding upon the respective parties hereto upon the execution of the acceptance hereof by the City and the Authority and shall be valid and enforceable as of the time of such acceptance.

### FORM OF SUPPLEMENTAL OPINION

[\_\_\_\_], 2025

[Stifel, Nicolaus & Company, Incorporated  
Los Angeles, California]

Re:     \$\_\_\_\_\_ *Goleta Facilities Financing Authority Lease Revenue Bonds,  
Series 2025A*

Ladies and Gentlemen:

We have examined certified copies of proceedings taken for the sale and issuance of the above-referenced bonds (the “Bonds”), and we have rendered our opinion to the Goleta Facilities Financing Authority (the “Authority”) this day regarding the validity and enforceability of the Bonds (the “Approving Opinion”). The Bonds are being issued pursuant to an Indenture dated as of [February] 1, 2025 (the “Indenture”), by and among the Authority, the City of Goleta (the “City”) and The Bank of New York Mellon Trust Company, N.A., as Trustee. You may rely upon our Approving Opinion as if it were addressed to you. Capitalized terms used herein and not otherwise defined shall have the meaning given to such terms in the Bond Purchase Agreement dated February \_\_, 2025 (the “Purchase Agreement”), among the Authority, the City and Stifel, Nicolaus & Company, Incorporated (the “Underwriter”).

We have assumed, but not independently verified, that the signatures on all documents, letters, certificates and instructions which we have examined are genuine, that all documents submitted to us are authentic and were duly and properly executed by the parties thereto and that all representations made in the documents that we have reviewed are true and accurate.

We express no opinion herein with respect to any indemnification, contribution, choice of law, choice of forum, penalty or waiver provisions contained in the Bonds, the Indenture, the Ground Lease, the Lease Agreement, the Continuing Disclosure Certificate or the Purchase Agreement (collectively, the “Legal Documents”), nor do we express any opinion with respect to the state or quality of title to any of the real or personal property described in the Ground Lease, the Lease Agreement or the Indenture, or the accuracy or sufficiency of the description of any such property contained therein.

Based upon the foregoing and such other information and documents as we consider necessary to render this opinion, we are of the opinion that:

1. The Purchase Agreement has been duly authorized, executed and delivered by the Authority and the City and is a valid and binding agreement of the Authority and the City.
2. The Continuing Disclosure Certificate has been duly authorized, executed and delivered by the City and is a valid and binding agreement of the City.
3. The statements on the cover of the Official Statement and in the Official Statement under the captions [“INTRODUCTION,” “THE SERIES 2025A BONDS,” “SECURITY AND

SOURCES OF PAYMENT FOR THE SERIES 2025A BONDS,” and “TAX MATTERS,” and in “APPENDIX B – SUMMARY OF THE PRINCIPAL LEGAL DOCUMENTS” and “APPENDIX D – PROPOSED FORM OF BOND COUNSEL OPINION,]” excluding any material that may be treated as included under such captions and appendices by any cross-reference, insofar as such statements expressly summarize provisions of the Bonds, the Ground Lease, the Lease Agreement, the Assignment Agreement, the Indenture and Bond Counsel’s final opinion concerning certain federal and state tax matters relating to the Bonds, are accurate in all material respects as of the date of Closing.

4. The Bonds are exempt from registration pursuant to the Securities Act of 1933, as amended, and the Indenture is exempt from qualification as an indenture pursuant to the Trust Indenture Act of 1939, as amended.

The opinions expressed herein are based upon our analysis and interpretation of existing laws, regulations, rulings and judicial decisions and cover certain matters not directly addressed by such authorities. This opinion is limited to matters governed by the laws of the State of California and federal securities laws, and we assume no responsibility with respect to the applicability or the effect of the laws of any other jurisdiction.

We call attention to the fact that the rights and obligations under the Legal Documents are subject to bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance or transfer and other similar laws affecting creditors’ rights, to the application of equitable principles if equitable remedies are sought, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against public agencies in the State of California.

We express no opinion herein regarding any tax consequences with respect to the Bonds. No opinion is expressed herein with respect to the compliance with, or applicability of, any “blue sky” laws of any state as they relate to the offer or sale of the Bonds.

We call attention to the fact that the foregoing opinions may be affected by actions taken (or not taken) or events occurring (or not occurring) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions or events are taken (or not taken) or occur (or do not occur).

This opinion is furnished by us to you and is solely for your benefit, and may not be used, circulated, quoted or otherwise referred to or relied upon by others without our prior written consent. This letter is not intended to be, and may not be, relied upon by the owners of the Bonds or any beneficial ownership interest therein. You have acknowledged that no attorney-client relationship exists between us and you with respect to any matters related to the Bonds.

Our engagement with respect to the Bonds has concluded with their delivery, and we disclaim any obligation to update this opinion or other matters discussed in the Official Statement.

Respectfully submitted,
