SUBJECT: Fiscal Year 2015/16 Year-End Financial Review (Unaudited) and Budget

Adjustments for Fiscal Year 2015/16

RECOMMENDATION:

Adopt Resolution No. 16-__ entitled, "A Resolution of the City Council of the City of Goleta, California, Amending the City's Operating and CIP Budget for Fiscal Year 2015/16."

BACKGROUND:

The purpose of this Year-End Financial Review is to provide the status of the City's revenue and expenditure activity as it relates to the FY 2015/16 Operating Budget, which was adopted on June 9, 2015, and to report on the unaudited year-end financial activity. This report provides an overview of the revenue and expenditure activity in the General Fund, as well as the City's Special Funds, and presents recommendations for adjustments to the adopted budget.

The first section of this report is a summary of the financial activity for the City's most significant fund, the General Fund, as of June 30, 2016. Staff has also included discussion on other Special Revenue funds and Capital Improvement Program (CIP) projects that require allocation modifications. This report provides a summary of the revenues and expenditures with an "Actual" vs. "Budget" comparison to better assess the progress of the General Fund (Attachments 1 and 2). The City's final audited Comprehensive Annual Financial Report (CAFR) will be presented at the completion of the audit and financial statement preparation by the auditors later this calendar year.

DISCUSSION:

Overall, based on analyzing year to date activity, revenues and expenditures for the General Fund trended as expected with revenues exceeding expenditures. The excess revenues over expenditures of \$4.3 million were primarily the result of significant savings in several department program areas for projects that will be extended into FY 16/17.

Meeting Date: September 20, 2016

Staff has included recommended budget adjustments in the attached resolution for the following:

- An increase in appropriation of \$58,000 in the Public Safety Fund from available Fund Balance for a Public Safety grant allocated in the FY 15/16 funding cycle by the Public Safety Committee.
- An increase in appropriation of \$20,000 in Measure A funds for the Hollister Avenue High Intensity Activated Crosswalk (HAWK) project. (The requested appropriation was not included in the recommendation section of the June 21, 2016 staff report.)

Details regarding revenue and expenditure performances are further outlined in this report.

General Fund Revenue Analysis:

Overall, General Fund revenues of \$24.6 million exceeded the budget projection by .5% or \$127,568. Tax revenue exceeded budget projections and some of the development related revenues were higher as presented in the summary table below.

| | | | | | YTD % |
|-------------------------|---------------|------------------|---------------|--------|--------|
| | 2014-15 | 2015-16 | 2015-16 YTD | % OF | PRIOR |
| TAXES | ACTUAL | BUDGET | ACTUAL | BUDGET | YEAR |
| Property Tax | \$ 5,517,146 | \$ 5,778,500 | \$ 5,999,416 | 103.8% | 103.2% |
| Sales Tax | \$ 6,329,870 | \$ 6,223,600 | \$ 6,216,442 | 99.9% | 101.9% |
| Transient Occupancy Tax | \$ 7,807,830 | \$ 8,149,100 | \$ 8,175,456 | 100.3% | 103.6% |
| Franchise Fees | \$ 1,272,418 | \$ 1,266,700 | \$ 1,241,016 | 98.0% | 106.3% |
| TOTAL | \$ 20,927,264 | \$ 21,417,900 | \$ 21,632,331 | 101.0% | 103.1% |

The **Property Taxes** category is composed of two payment types - the "Traditional" Property Taxes, which are received in large part during the months of December and April, and the Property Tax in Lieu of MVLF (Motor Vehicle License Fees) which is received in two payments during January and May. The Property Tax revenue received of \$5,999,416 as of June 30, 2016 exceeded projections by 3.8%. This increase is due to higher than anticipated assessed valuations than originally budgeted.

Similar to Property Taxes, the annual **Sales Tax** budgeted figure of \$6,223,600 is comprised of twelve (12) monthly payments for the traditional Sales Tax line item and two (1) annual payment for Property Tax in Lieu of Sales Tax. As of June 30, 2016, the revenues collected totaled \$6,216,442 or 99.9% of the estimated revenue for the year.

Meeting Date: September 20, 2016

The **Transient Occupancy Tax** figure of \$8,175,456, or 100.3%, of annual projections represents increases due to higher occupancy levels and higher room rates.

The City collects **Franchise Fees** from five main service provider sources (Cable, Electric, Gas, Solid Waste, and Petroleum). Each provider of these services has a different payment schedule. Electric and Gas providers make annual payments in April. The Cable provider is on a quarterly payment plan, while Solid Waste fees are collected monthly. The year-end total of \$1,241,016, represents 98% of the budgeted amount.

Licenses and Service Charges reflect revenues at 101% of the budgeted amount.

Fines & Penalties to date are at 78.9% of projections due to a decrease in parking fines and penalty activity from what was originally estimated with the budget.

Interest & Rent Income projections are at 101.5% of the budgeted amount due to slightly higher interest income, property rental and park reservations revenues than what was originally budgeted.

The **Other/Reimbursements** revenue category figure of \$495,800 consists of \$304,500 of CIP related staff time reimbursements, \$167,600 for the Successor Agency Administration, and \$6,000 in administrative fee reimbursements. These revenues were below budget at 82.5% due to a reduction in CIP cost recovery as a result of project timing and available grant cost recovery for staff time.

Operating Transfers In are revenues provided by other funds to offset costs in the General Fund. The revenues to date received of \$31,280 represents reimbursement for CDBG staff time.

Other Revenues are various revenues such as Motor Vehicle License Fees (MVLF) and State Mandate Reimbursements. Revenues exceeded budget estimates due to a one-time payment from the California Municipal Financing Authority and other miscellaneous cost recovery.

The Department Budget to Actuals comparisons are presented in Attachment 2 to this report. Some of the significant variances for the department programs are noted below:

- The City Council budget experienced savings of \$75,413 due to the budget allocations for full benefits not being fully used and delayed funding of \$25,000 for the Senior Program.
- The Support Services program budget savings of 11% or approximately \$192,905 was due to a delay in the expansion cost for second floor and savings in operating expenses such as utility, lease and general office accounts.
- The Current Planning program budget savings of \$93,984 or 7.3% is due to salary savings and delayed budgeted costs of \$50,000 for the Historic Preservation project.
- The variance in Engineering services of \$176,025 is due to salary savings as the result of staffing vacancies during the year.
- The variance of \$95,728 in the Facility Maintenance program budget is due to building improvements budgeted but not completed.

- The variance of \$259,658 in the Parks and Open Space program budget is due to park improvements delayed primarily as a result of limited staffing resources.
- The variance in the Street Improvements program budget of \$654,225 is due to savings in the Pavement Rehab line item for work not yet completed but which will be combined with the FY 16/17 project work for greater economies of scale.
- The variance in Public Safety of \$371,201 is primarily the result of contract savings from the anticipated rate increase that came in under budget.
- The variance in Capital Projects is primarily due to projects budgeted but not yet completed, such the LED Street Lighting project of approximately \$478,000, Miscellaneous Facilities Improvements of approximately \$250,000 and the Finance Software upgrade project of \$450,000.

General Fund Balance

Below is a recap of Fund Balance as of June 30, 2015 and projected for June 30, 2016.

| TOTAL | \$ | 13,989,785 | \$ | 4,327,404 | \$ | 18,317,189 |

As shown above, the projected Fund Balance stands at \$18.3 million as of the June 30, 2016 year-end report.

Revenue Neutrality Agreement (RNA)

Under the RNA Agreement, the County is allocated 30% of the 1% Sales Tax revenues generated within the City of Goleta and shares equally in the Property Tax revenues of the City. The estimated cost for the year of the total RNA payments is approximately \$5.4 million based on the projected revenues.

Meeting Date: September 20, 2016

CAPITAL IMPROVEMENT PROGRAM AND OTHER FUNDS:

Staff has provided Attachment 3 to summarize all other Special Revenue Fund revenues and expenditures with budget to actual comparison. On a budget basis, the various grant type funds are balanced with revenues matching expenditures. However, on an actual basis, funds are reimbursed after they are expended. The reimbursement requests for grant expenditures are submitted in a timely manner either on a monthly or quarterly basis by the department staff responsible for the project reimbursements. One project in the Public Safety Fund requires an additional appropriation of \$58,000 which is the remaining balance of a \$70,000 grant for School Crosswalk Improvements that were funded in the FY15/16 grant cycle. Fund Balance is available to fund this grant award.

Attachment 4 provides a CIP Expenditure Summary on a budget to actual basis to ensure that projects do not exceed the appropriations allocated to the project. There is one Capital project requiring budget adjustment for additional appropriation and is noted below:

 An increase in appropriation of \$20,000 in Measure A funds for the Hollister Avenue High Intensity Activated Crosswalk (HAWK) project. (The requested appropriation was not included in the recommendation section of the June 21, 2016 staff report.)

Gas Tax Fund

The revenues to date of \$580,160 were slightly below budget estimates of \$665,859 due to a change in accounting for Gas Tax revenues on a cash basis as per the recommendation by the State Auditor. The variance in expenditures was the result of savings in the concrete repair line item and the pavement rehab line item as the result of delays in awarding those contracts for services. As the result of these savings, the additional fund balance as of June 30, 2016 will be available to program toward additional concrete and pavement rehab projects in FY 16/17.

Measure A Fund

The Measure A Fund is used to fund City Capital projects, street maintenance and repairs, and traffic signal maintenance and replacement. Revenues of \$1.49 million represent 99% of the budget estimate, however the variance in expenditures was the result of street maintenance and CIP projects that were not completed or started.

FINANCE COMMITTEE REVIEW:

The Finance Committee met to review the June 30, 2016 Year End report on September 19, 2016.

ALTERNATIVES:

Council may elect not to adopt the attached resolution, thereby leaving the budget as previously approved.

Meeting Date: September 20, 2016

FISCAL IMPACTS:

Council is asked to adopt the attached resolution approving the recommended budget adjustments to the Public Safety Fund and Measure A Fund for Fiscal Year 2015/16. Adequate funds are available for the requested appropriations. Overall the General Fund revenues exceeded expenditures by \$4.3 million.
