

**Agenda Item A.7**  
**CONSENT CALENDAR**  
**Meeting Date: April 2, 2019**

---

**TO:** Mayor and Councilmembers

**FROM:** Vyto Adomaitis, Neighborhood Services and Public Safety Director

**CONTACT:** JoAnne Plummer, Parks and Recreation Manager

**SUBJECT:** Amendment to the Bail Schedule for Chapter 12.06 of the Goleta Municipal Code to Add Violations of Chapter 12.06 (Bicycles, Skateboards, Etc.) of the Goleta Municipal Code

**RECOMMENDATION:**

Adopt Resolution No. 19-\_\_ entitled "A Resolution of the City Council of the City of Goleta, California, Amending the Bail Schedule to Add Violations of Chapter 12.06 (Bicycles, Skateboards, Etc.) of the Goleta Municipal Code."

**BACKGROUND:**

On February 19, 2019, staff presented, and City Council conducted the first reading of an ordinance amendment that required users of the new skateboard park at the Jonny D. Wallis Neighborhood Park to wear a helmet, elbow pads, and knee pads. Due to the skatepark being unsupervised, a requirement exists for clear signage to be posted for the safety gear condition. Posted signage will also state that any person failing to wear the required safety equipment will be subject to citation. The second reading and adoption of the ordinance was conducted on March 5, 2019.

**DISCUSSION:**

Staff requests that City Council adopt Resolution No. 19-\_\_ entitled "A Resolution of the City Council of the City of Goleta, California, Amending the Bail Schedule (Exhibit A) to Add Violations of Chapter 12.06 (Bicycles, Skateboards, Etc.) of the Goleta Municipal Code."

Citations are issued by law enforcement for users at the skatepark not wearing required safety equipment, riding bikes in the Skatepark, and failure to obey a police officer. By Resolution, fines are \$50 for the first occurrence, \$100 for the second, and \$175 for each additional violation within one year. These fines are consistent with the City of Santa Barbara Skatepark, as the County of Santa Barbara does not have a skatepark in their

inventory of facilities. Citations are issued by the police for failure to follow established rules and regulations and the court system will determine which bail amount to applicable. City staff has worked with local businesses, organizations and skateboarders to spread the word regarding safety gear requirement and has successfully provided equipment to 50 children in Old Town.

**FISCAL IMPACTS:**

While there are no immediate fiscal impacts associated with this item, the amended bail schedule will provide law enforcement the proper tools and associated fines to properly enforce the regulations at the skatepark. Fines are \$50 for the first occurrence, \$100 for the second, and \$175 for each additional violation within one year.

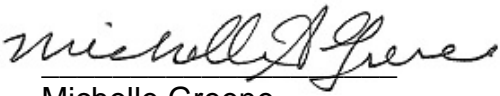

**ALTERNATIVES:**

The City Council could forego adoption of the amended the proposed Resolution 19 - , which would eliminate the opportunity for law enforcement to write citations at the skatepark.
