Notes:

- (1) Community West Bank serves as the City's primary banking institution. Interest earnings are guaranteed at a minimum rate 0.7098% per banking agreement for the money market account. The rate may be adjusted to match the higher of the Pooled Money Investment Account (PMIA) or quarterly Local Agency Investment Fund (LAIF) apportionment rate. All deposits held are required to be fully collateralized by State law. The City has a written collateralization agreement with Community West Bank to ensure the safety of public funds and utilizes an irrevocable letter of credit through the Federal Home Loan Bank of San Francisco.
- (2) For reporting purposes the LAIF yield displayed is the apportionment rate available at the time of preparing this report. The apportionment rate is the actual interest earned from LAIF and is based on the prior three-month average of the PMIA effective yield, net of administrative costs. As of FY 17/18 the quarterly apportionment rate includes interest earned on the CalPERS Supplemental Pension Payment loan pursuant to Government Code 20825 (c)(1) and in FY 18/19 interest earned on Wildfire Fund loan pursuant to Public Utility Code 3288 (a), which are not reflected in the PMIA monthly effective yield, due to the structure of the loan.
