- B. Select four nominees for the Public Engagement Commission Mayoral Appointment; and
- C. Select one nominee for the Mosquito and Vector Management District Board of Santa Barbara County; and
- D. Continue this item to the December 21, 2021, City Council meeting for the four Mayoral Appointments to the Public Engagement Commission, one Mayoral Appointment to the Planning Commission and one Mayoral Appointment to the Mosquito and Vector Management District Board of Santa Barbara County.

BACKGROUND:

Public Engagement Commission

On May 16, 2017, Council adopted Resolution No. 17-18 establishing the City's Public Engagement (PEC) Commission, consisting of seven members. In September 2018, Council amended the Commission makeup to include a youth member. The terms for the PEC were initially established in 2017 on a staggered model, similar to other boards and commissions. On September 11, 2017, four seats, including the Goleta District Elections Committee member, were appointed to four-year terms that expired on November 1, 2021.

The Public Engagement Commission members whose terms expired are as follows:

NAME	POSITION	TERM LENGTH	TERM EXPIRING DATE
Rey Ybarra	Public Engagement Commissioner - Goleta Elections Committee Appointee	4-Year Term	Expired November 2, 2021
Pedro Paz	Public Engagement Commissioner	4-Year Term	Expired November 2, 2021
Sherri Bliss	Public Engagement Commissioner	4-Year Term	Expired November 2, 2021
Silvia Uribe	Public Engagement Commissioner	4-Year Term	Expired November 2, 2021

Staff received applications from Rey Ybarra (Goleta Elections Committee Appointee) and Pedro Paz and Silvia Uribe to be considered for re-appointment to the Public Engagement Commission. Staff has also received applications from Susan Klein- Rothschild and Irene Solovij for consideration.

Planning Commission

The Planning Commission is authorized by Goleta Municipal Code Section 2.09.010. The Planning Commission consists of five members, each of whom must be a resident of the City of Goleta and a qualified elector within the City. The term of office for each Commissioner is four years and is set to expire at the first regular meeting in February.

Pursuant to California Government Code Section 4605, all appointments to the City's boards and commissions, including the Planning Commission, must be made by the Mayor and approved by the City Council. Per Goleta Municipal Code Section 2.15.040 (C), at the conclusion of all interviews for positions to the Planning Commission, each Councilmember elected or re-elected to office in the immediately preceding election shall announce one preferred candidate, and the City Clerk shall compile a list of candidates for each vacancy based on the designated Councilmembers' selections.

In the event of an unscheduled vacancy on the Planning Commission, only the Councilmember who suggested the vacating Commissioner's candidacy shall announce a preferred candidate for appointment by the Mayor.

One Planning Commissioner, Alfred Smith, recently resigned from their appointment prior to the expiration of their term. They were the preferred candidates of Councilmember Aceves. As such, following interviews of applicants in serving on the Planning Commission, Councilmember Aceves will announce one preferred candidate for appointment to the remaining term of the resigning Commissioner, which will expire on February 1, 2023.

Staff received applications from Brad Blue and Elrawd Maclearn for consideration to the Planning Commission.

Mosquito and Vector Management District Board Santa Barbara County

The District is governed by an eight-member Board of Trustees; three trustees are appointed by the City Councils located within the benefit assessment areas—Goleta, Santa Barbara, and Carpinteria—and five trustees are appointed by the County of Santa Barbara's Board of Supervisors. The District's Board of Trustees meets on the second Thursday of each month via Zoom at 2:00 PM, to discuss District business and authorize fiscal and operational activity. Appointments are for a two-year term. Craig Geyer, initially appointed by the City Council February 2016, reappointed in January 2018, and January 2020 has expressed interest in remaining on the Mosquito and Vector Management District Board beyond the current term ending in January 2022.

DISCUSSION:

In anticipation of the expiring terms for the Public Engagement Commission, and the Mosquito and Vector Management District Board Santa Barbara County, and the unanticipated vacancy on the Planning Commission, the City Clerk's office published requests for candidate applications on the City website, the Monarch Press, Channel 19, the local adjudicated newspaper, Facebook, GovDelivery Bulletins, Twitter, and generated press releases.

Interests & Experiences

Question applies to multiple boards

Why are you interested in serving on a board, commission or committee?

For any city to continue to evolve, plan and execute the best path of its citizens, it needs to have a concerted effort of engaging citizens in taking a part of what and how that city needs to be for the present and especially for the future. Public service is just that, making sure the public is aware of what, how and why a city works the way it does. That only happens when citizens know what's happening and are encouraged to be a part of that vision.

Question applies to multiple boards

Describe your qualifications, experience, and education, and list any technical or professional requirements you have relative to the duties of the board, commission or committee to which you are applying.

I hold a Masters in Communications Sciences, have been in the hi-tech industry for over 20 years and have been a trainer and public speaker. Through my job experience, my main focus was to reach out to people, engage them to learn and respond, and encourage them in their own goals while I was in a management position. I have worked closely with the Board of Education and Dos Pueblos HS in establishing their program that encourages youth to become entrepreneurs and provide them with an understanding of the business world. As a project manager, I have effectively planned and implemented projects for my department meeting deadlines and exceeding expectations. I also have over 25 years in sales and marketing and writing both technical and informational material.

Question applies to multiple boards

What are your goals in serving on the board, commission, or committee to which you are applying?

Getting citizens involved in their community is vital to the continued growth of a vibrant city. Getting to them, being accessible and providing them with information as well as soliciting their feedback is key to success. Outreach is crucial and should be consistent across all sectors of the population. I believe that it should be the focus of the Public Engagement Commission.

Question applies to multiple boards

What civic and/or volunteer activities have you participated in? You may include past or present activities.

I do not have a laundry list for this question. I have been a Girl Scout leader in the past. However, my job kept me traveling, which pre-empted me from holding any type of civic or volunteer positions (except for some school related ones which my children were attending).

Question applies to multiple boards

Have you obtained any memberships in professional organizations?

I am the founder and life-long member of the Maryland Writers Association. I started this association 35 years ago. Since then it has grown to being a non-profit organization with several chapters in and around Baltimore and Annapolis. I have been a member of Toastmasters International and have won competitions. I am also a past member of ASHA, (American Speech and Hearing Association).
