Subject: 2022 - 2023 Pavement Rehab Project

Good Morning Councilman Kasdin,

Attached please find letters attached from the Board President, Kay Walorinta, and homeowners of the Crown Collection Homeowners' Association in Goleta regarding the upcoming 2022 - 2023 Pavement Rehab Project.

They request your support in having the section between Alameda to Evergreen budgeted and repaved in 2022 - 2023.

Please read the attached letters. Kay Walorinta will attend the City Council meeting this month to present the request.

Sincerely,
Dorte Di Giorgi
Property Manager

Dear Mayor Paula Perotte, Mayor Pro Tem Stuart Kasdin, City Council Members Roger Aceves, James Kyriaco, Kyle Richards:

I am the President of the Crown Collection Homeowners Assoc. consisting of 43 homes and approximately 170 residents. Our property lies between 2 blocks west of Dos Pueblos High School on Cathedral Oaks Road.

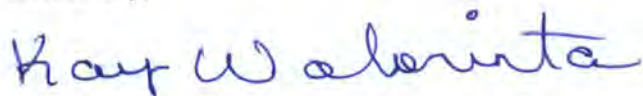

I am requesting on part of myself, the homeowners, Board, and residents of our neighborhood on Cathedral Oaks Road be budgeted in the 2022-2023 Pavement Rehab Project between Alameda to Evergreen.

We are in total agreement with the Director of Public Works, Charlie Ebeling's comments on the City of Goleta's website that Cathedral Oaks is an important part of our city. The roadway is critical to everything from serving as a route to biking, driving & walking, ultimately, the roadway is a significant part of our quality of life we can all expect from living in Goleta.

Our Association in the past few months completed our internal roadway maintenance that was severely needed at the cost of \$138,000. The condition of Cathedral Oaks Road from Alameda to Evergreen is in much worse condition than our roadway was. It is a danger to vehicles, pedestrians & bikers, not to mention unsightly & generally unsafe.

In closing we are requesting that Cathedral Oaks Road between Alameda & Evergreen to be repaved ASAP and be budgeted in the 2022-2023 Pavement Rehab Project.

Sincerely,

Kay Walorinta
Board President, Crown Collection Owners' Association
288 King Daniel Lane, Goleta

Dear Mayor Paula Perotte, Mayor Pro Tem Stuart Kasdin, City Council Members Roger Aceves, James Kyriaco, Kyle Richards:

I serve on the Board of Directors of the Crown Collection Homeowners Association consisting of 43 homes and approximately 170 residents. Our property lies approximately 2 blocks west of Dos Pueblos High School on Cathedral Oaks Road.

I am requesting on the part of myself, the homeowners, and residents of our neighborhood that Cathedral Oaks Road be budgeted in the 2022-2023 Pavement Rehab Project between Alameda to Evergreen.
