Subject: Comment on proposed storke medical center

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear commissioners

I applaud the proposed day care center. Fantastic! There is tremendous need in goleta.

I strongly object to the proposed medical center. Why not another community center? Pool?
The center could offer classes, etc

Do we really need another medical center?

Ucla health now has a location next to the Goleta valley hospital and med stops are opening up in the malls.

Wouldn't it be wonder to have a modern community center next to the ice rink! What a wonderful way to bring goletans together!

Not sure how it would be funded...
