Program Impact:

Numbers have stayed steady in all traditional sports for boys and girls. We have increased the variety of sports offered to students over the course of the last three years: Lacrosse, Ultimate Frisbee and Gamin.

A wonderfully positive introduction to interscholastic sports with all the students of the Santa Barbara Unified School District.

Goleta Valley Jr. High School –

- Positive comments from student, parents, teachers about all sports.
- Students now have the understanding of school pride.
- They like playing on a team and for their school.
