Subject: Support for City Council Consent Agenda

May 13, 2018

To Mayor Paula Perotte,

We are writing to support the proposed amendment #1 to the Cooperative Agreement 2016-135, with consent agenda item B.10 18-176. Considerable time and effort have been spent to research the need for these adjustments, and we hope that you will pass them in consideration for the safety and welfare of your many constituents in Encina Royale and surrounding areas.

Sincerely,

Sara and Bob Rockabrand
