SUBJECT: Professional Services Agreement for Planning Services with Bret McNulty, McNulty Consulting

RECOMMENDATION:

Authorize the City Manager to execute an Agreement for Professional Services with Bret McNulty, McNulty Consulting, for the Ritz-Carlton Bacara Emergency Permit and Development Plan Revision (Attachment 1).

BACKGROUND:

One of the functions provided by the Current Planning Division is processing applications for land use development projects under applicable planning and environmental regulations and policies. In response to the volume of Current Planning project case processing needs, the Planning and Environmental Review Department supplements its full-time staffing with support by contract planners to ensure timely, efficient, and responsive service to applicants in lieu of hiring additional full-time staff.

The Bacara Beach House (providing restrooms, showers, and a snack bar to the public at Haskell's Beach) is a requirement of the permits associated with the construction and operation of the Ritz-Carlton Bacara. The winter storms of 2016 created beach erosion that undermined the stability of the building. Both the California Coastal Commission and the City issued emergency permits to stabilize the beach house from failing and to allow the property owner time to find a solution so that the required public amenities are still provided. Bret McNulty, through Recon Environmental, was retained to manage the Bacara Emergency Permit (EMP) at that time. Mr. McNulty recently left Recon and is now a sole proprietor, McNulty Consulting. As he has the history and knowledge of the project, both staff and the Bacara would prefer to continue with his services.

DISCUSSION:

Because of the Current Planning project workload demands, assistance with the Bacara Beach House Emergency Permit tasks would be better served by a contract planner due

to permit deadlines with the Coastal Commission. Mr. McNulty has extensive planning experience with Santa Barbara County and Coastal Commission and has been actively involved with the Bacara EMP project for the past two years.

To continue to comply with the Coastal Development Permit, a replacement Beach House needs to be constructed near the beach, but beyond the anticipated wave run-up/sea level rise area. Mr. McNulty would provide assistance with the City's review and processing associated with the permitting of a replacement bathroom/snack bar facility, the demolition of the existing Beach House, and continued verification that all permit conditions of approval are being implemented. The development of a new Beach House will be processed through a Development Plan Revision and this process needs to be completed prior to the EMP expiration date in June of 2019.

In addition, the contract with Mr. McNulty allows the City to use Mr. McNulty's services to assist with other land development applications as needed. Staff is anticipating an influx of cannabis related applications in the near future and it would be beneficial to have contract staff available to assist as needed. The costs associated with cannabis-related applications will be supported by deposit funds provided by applicants.

FISCAL IMPACTS:

The costs associated with Mr. McNulty's contract would continue to be supported by deposit funds provided by the applicant. As such, no appropriation is needed.

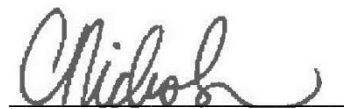

ALTERNATIVES:

The City Council may elect not to authorize the recommended action and the services provided by Mr. McNulty would not occur. Staff would either seek assistance from other consultants or have the tasks performed by existing staff. The latter option would have workload impacts on existing staff and on the timeliness of the Project.

Additional insured status for completed operations shall be provided either in the additional insured form or through another endorsement such as CG 20 37, or its equivalent.

- g) CONSULTANT agrees to deposit with CITY within fifteen days of Notice to Proceed of the Contract certificates of insurance and required endorsements.

- h) There shall be no recourse against CITY for payment of premiums or other amounts with respect to the insurance required to be provided by CONSULTANT hereunder. Any failure, actual or alleged, on the part of CITY to monitor compliance with these requirements will not be deemed as a waiver of any rights on the part of CITY. CITY has no additional obligations by virtue of requiring the insurance set forth herein. In the event any policy of insurance required under this AGREEMENT does not comply with these requirements or is canceled and not replaced, CITY has the right but not the duty to obtain the insurance it deems necessary and any premium paid by CITY will be promptly reimbursed by CONSULTANT or CITY will withhold amounts sufficient to pay premium from CONSULTANT payments.
- i) CONSULTANT agrees to provide immediate notice to CITY of any claim or loss against CONSULTANT arising out of the work performed under this AGREEMENT. CITY assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve CITY.

11. RELATIONSHIP OF CONSULTANT TO CITY

The relationship of the CONSULTANT to CITY shall be that of an independent contractor and that in no event shall CONSULTANT be considered an officer, agent, servant or employee of CITY. CONSULTANT shall be solely responsible for any workers compensation insurance, withholding taxes, unemployment insurance, and any other employer obligations associated with the described work.

12. CORRECTIONS

In addition to the above indemnification obligations, CONSULTANT shall correct, at its expense, all errors in the work that may be disclosed during CITY's review of CONSULTANT's report or plans. Should CONSULTANT fail to make such correction in a reasonably timely manner, such correction shall be made by CITY, and the cost thereof shall be charged to CONSULTANT or withheld from any funds due to CONSULTANT hereunder.

13. TERMINATION BY CITY

CITY, by notifying CONSULTANT in writing, may upon 10 calendar days notice, terminate without cause any portion or all of the services agreed to be performed under this AGREEMENT. If termination is for cause, no notice period need be given. In the event of termination, CONSULTANT shall have the right and obligation to immediately assemble work in progress for the purpose of closing out the job. All compensation for actual work performed and charges outstanding at the time of termination shall be payable by CITY to CONSULTANT within 30 days following submission of a final statement by CONSULTANT unless termination is for cause. In such event, CONSULTANT shall be compensated only to the extent required by law.

14. ACCEPTANCE OF FINAL PAYMENT CONSTITUTES RELEASE

The acceptance by CONSULTANT of the final payment made under this AGREEMENT shall operate as and be a release of CITY from all claims and liabilities for compensation to CONSULTANT for anything done, furnished, or relating to CONSULTANT'S work or services. Acceptance of payment shall be any negotiation of CITY's check or the failure to make a written extra compensation claim within 10 calendar days of the receipt of that check. However, approval or payment by CITY shall not constitute, nor be deemed, a release of the responsibility and liability of CONSULTANT, its employees, subcontractors, agents and CONSULTANTS for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by CITY for any defect or error in the work prepared by CONSULTANT, its employees, subcontractors, agents and consultants.

15. AUDIT OF RECORDS

At any time during normal business hours and as often as it may deem necessary, CONSULTANT shall make available to a representative of CITY for examination of all its records with respect to all matters covered by this AGREEMENT and will permit CITY to audit, examine and/or reproduce such records. CONSULTANT will retain such financial records, time sheets, work progress reports, invoices, bills and project records for at least two years after termination or final payment under this AGREEMENT.

16. WAIVER; REMEDIES CUMULATIVE

Failure by a party to insist upon the strict performance of any of the provisions of this AGREEMENT by the other party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such party's right to demand strict compliance by such other party in the future. No waiver by a party of a default or breach of the other party shall be effective or binding upon such party unless made in writing by such party, and no such waiver shall be implied from any omissions by a party to take any action with respect to such default or breach. No express written waiver of a specified default or breach shall affect any other default or breach, or cover any other period of time, other than any default or breach and/or period of time specified. All of the remedies permitted or available to a party under this AGREEMENT, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy.

17. CONFLICT OF INTEREST

CONSULTANT is unaware of any CITY employee or official that has a financial interest in CONSULTANT'S business. During the term of this AGREEMENT and/or as a result of being awarded this AGREEMENT, CONSULTANT shall not offer, encourage
