SUBJECT: Approval of Parcel Map 32,056 Submitted by Deckers Cabrillo, LLC at 6693 and 6649 Hollister Avenue, APN 073-610-008

RECOMMENDATION:

Adopt Resolution No.18-__ entitled "A Resolution of the City Council of the City of Goleta, California, Authorizing the Execution and Recordation of Parcel Map 32,056 Submitted by Deckers Cabrillo, LLC, for a 2-Lot Subdivision Located at 6693 and 6649 Hollister Avenue, Case No. 15-040-TPM."

BACKGROUND:

Deckers Cabrillo, LLC is the owner of real property as approved on the Tentative Parcel Map No. 32,056, located at 6693 and 6649 Hollister Avenue. On January 26, 2017, in accordance the Cabrillo Business Park Specific Plan, the Planning Director approved the Tentative Map authorizing the subdivision of APN 073-610-008 from one parcel into two parcels (Case No. 15-040-TPM).

The Existing Lot 1 (9.22 acres), APN 073-610-008, was created under Final Map 32,035 and has two existing multi-level office buildings totaling 117,000 square feet that are currently in use. No changes are proposed to the frontage of the property, existing buildings, parking lots, or to the current access to these sites. This Parcel Map does not propose new development on the proposed parcels but does provide the flexibility to allow the buildings to be owned by separate entities if desired.

Proposed Parcel One (6.66 acres) will include one building. This parcel has frontage and access off Hollister Avenue and has access from Coromar Drive and Los Carneros Road through the parking lot for ingress and egress.

Proposed Parcel Two (2.56 acres) will include one building also has frontage and access off Hollister Avenue and access from Coromar Drive and Los Carneros Road through the parking lot for ingress and egress.

The Covenants, Conditions and Restrictions (CCRs) of the Cabrillo Business Park will remain in effect for both parcels. There will be no change to the number of parking spaces or configuration.

DISCUSSION:

In accordance with the conditions of approval, the owner, Deckers Cabrillo, LLC, has signed and submitted Parcel Map 32,056 to the City. The Parcel Map conforms to all the requirements of the Subdivision Map Act and the conditional approval of the tentative parcel map. A full-size set of the Parcel Map is available in the City Clerk's office for review.

FISCAL IMPACTS:

Recordation of the Parcel Map will have no fiscal impact on the City. All map check and map clearance costs associated with the Parcel Map are paid by the Developer.

ALTERNATIVES:

None identified.
