SUBJECT: Temporary On-Street Parking Restrictions for the 2019 Isla Vista "Deltopia" Event

RECOMMENDATION:

Adopt Resolution No. 19-__entitled, "A Resolution of the City Council of the City of Goleta, California Establishing Temporary Resident-Only On-Street Parking Restrictions Related to the 2019 Isla Vista Deltopia Event."

BACKGROUND:

Each year, the City experiences impacts from unsanctioned Isla Vista events. Over the past several years, for both the fall Halloween event and the spring Deltopia event, a temporary permit-only on-street parking program for residents has been implemented for each event and has been deemed successful. Deltopia is not to be confused with a series of sanctioned UCSB events generally known as "Spring Warm Up" that occur in the same time period.

Deltopia is usually held the weekend after students return from their spring break. Deltopia 2019 is anticipated for Friday, April 5th through Sunday April 7th. In prior years, an estimated 25,000 people have passed through Goleta for this Isla Vista event.

One of the significant impacts from Deltopia and other Isla Vista events has been parking overflow impacts into the University 1-2 neighborhoods in Goleta, and associated noise and other disturbances from individuals returning from Isla Vista to their vehicles in the late evening and early morning hours. In prior years, temporary, resident-only parking restrictions were implemented for the Deltopia weekend. Based on positive feedback from residents, the Sheriff's Office and City Staff during the event, the temporary parking restrictions were effective in deterring non-resident parking in the aforementioned Goleta neighborhoods during the Deltopia event.

DISCUSSION:

In past years, UCSB has brought in additional police officers from other UC campuses for the Deltopia event and has implemented on-campus parking restrictions for the weekend that Deltopia occurs. UCSB is expected to take the same measures for this spring's event.

To dissuade partygoers from parking in the Goleta neighborhoods closest to Isla Vista, staff are again proposing a temporary on-street resident-only parking restriction for the University 1-2 neighborhoods to help mitigate potential impacts. Staff is proposing a parking restriction from 7:00 pm Friday night to 7:00 am Saturday; and from 3:00 pm Saturday to 7:00 am Sunday. The dates of these restrictions are dependent on when Deltopia is held. The most likely dates are April 5th through April 7th, but staff are prepared to implement the same restrictions the following week, April 12th through April 14th, should the event take place later.

The break in time restrictions on Saturday is to allow parking associated with sport activities at Girsh Park. The restriction will resume when sport activities are over and people from outside the area want to park to participate in Deltopia. To avoid conflicts with Little League games and in the event they continue into the late afternoon hours on Saturday, City Staff will coordinate with Girsh Park and Camino Real Marketplace to provide overflow parking for use during baseball games should it be needed.

The proposed parking restriction area generally has the following boundaries: Cannon Green Drive to the west, Hollister Avenue to the north, Storke Road to the east and Whittier Drive to the south. A map of the proposed parking restriction area is provided in Attachment 1. This area is comprised of an estimated 1,250 dwelling units representing approximately 4,000 residents. Parking permits will be required to be taped to the inside of the vehicle's driver's side window during the restricted hours. A resolution imposing these restrictions is included for Council's consideration as Attachment 2 to this report.

The affected streets will be posted in advance to allow towing consistent with Section 22507 of the California Vehicle Code. Vehicles found parked on any of the streets in the University 1-2 neighborhoods during the restricted times, not displaying the appropriate parking permit, will be subject to ticketing and/or towing. A total of four electronic message boards will also be deployed in several entrances into the University 1-2 neighborhoods to provide added and visible notification of the parking restrictions.

To inform residents in the subject area of the parking restrictions, a significant community outreach effort is proposed. The outreach effort, coordinated by the City's Community Relations Manager, will include social media notifications, automated phone, email and text messaging, press release, an article in the Monarch Press, postings on Nextdoor, and updates to the City's website.

Households will be mailed two parking permits. Staff has an accurate mailing list for the entire area, based on information from Boone Graphics and resident comments received after the 2018 Halloween event.

On the Sunday morning following Deltopia, Public Works staff will also go through the subject neighborhoods to remove any trash or debris from the streets.

This discretionary decision regarding the proposed parking restrictions is exempt from the California Environmental Quality Act pursuant to California Code of Administrative Regulations section 15061 (b)(3) because there is no possibility that the activity in question may have a significant effect on the environment. This proposed regulation will relocate the parking of certain vehicles from one area to another area which is already developed for parking purposes. A Notice of Exemption will be filed.

FISCAL IMPACTS:

The City's adopted Fiscal Year 2018/19 budget includes \$25,000 in account 101-5-6100- 122 (Special Event Response) which is intended to cover related expenses for the Halloween event and the Deltopia event. These costs include the printing and mailing of parking permits to residents in the restricted area, posting signs throughout the neighborhoods, and the placement of four electronic message boards at the entrances to the neighborhoods. Approximately \$14,716 is available for the Deltopia Event.

Staff anticipates the costs of the additional law enforcement presence in the City related to the upcoming Deltopia event will not exceed \$12,500. The additional law enforcement costs will be paid using the City's existing Sheriff Department Overtime Account (101-5-7100-559). There is expected to be more than sufficient funding available in the Overtime Account to cover the additional costs generated by the Deltopia Event and the remaining months in this Fiscal Year. All tow costs will be borne by the registered owners of any vehicles towed.

Deltopia Parking Restrictions, FY 18/19				
GL Account	Fund Type	FY 18/19 Current Budget	YTD Actual/ Encumbrance	Available Budget
101-5-6100-122	General	\$25,000	\$10,284	\$14,716
101-5-7100-559	General	\$45,000	\$0	\$45,000

ALTERNATIVES:

The City may choose not to enact the proposed parking restrictions and address neighborhood parking impacts and associated disturbances by responding to citizen complaint calls based on priority of calls and officer availability. This alternative measure may allow for significant effects to the nearby neighborhoods.

RESOLUTION NO. 19-__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GOLETA, CALIFORNIA ESTABLISHING TEMPORARY RESIDENT ONLY ON-STREET PARKING RESTRICTIONS RELATED TO THE 2019 ISLA VISTA DELTOPIA EVENT

WHEREAS, Section 21351 of the California Vehicle Code authorizes the City to place and maintain, or cause to be placed and maintained, such appropriate signs, signals or traffic control devices upon streets and highways as may be necessary to properly indicate and carry out the provisions of the Vehicle Code or local traffic ordinances, or to warn or guide traffic; and

WHEREAS, California Vehicle Code Section 22507 (a) authorizes the City, by resolution, to prohibit or restrict the parking of vehicles on certain streets during all or certain hours of the day and grant preferential parking privileges to residents adjacent to the streets for their use; and

WHEREAS, California Vehicle Code Section 22507 (a) further authorizes the issuance of permits to residents to exempt them from a parking prohibition;

WHEREAS, residents of the unincorporated community of Isla Vista and others have historically organized and engaged in unpermitted assembly and street partying attended by thousands of residents and visitors that has included excessive and illegal use of alcohol which has not been successfully restrained by residents or governing authorities; and

WHEREAS, the unincorporated community of Isla Vista does not have adequate parking or infrastructure to support the number of people who have attended such events and as a result have historically parked in the University 1 and University 2 neighborhoods of Goleta to attend such events; and

WHEREAS, the City of Goleta and the residents of the University 1 and University 2 neighborhoods have suffered impacts from these Isla Vista events by non-residents who take all available on-street parking eliminating resident parking; who park in a manner to block driveways and streets; who cause loud disturbances throughout the night; who litter through the neighborhoods; who damage and vandalize property; and who create other nuisances; and

WHEREAS, the City desires to implement temporary parking restrictions on the following dates and times in an effort to minimize the burden of Isla Vista events on the City of Goleta and the University 1 and 2 neighborhoods:

7:00 pm April 5, 2019, to 7:00 am April 6, 2019
3:00 pm April 6, 2019, to 7:00 am April 7, 2019

WHEREAS, if the events in Isla Vista do not occur during the dates in the previous recital, the City declares the temporary parking restrictions to apply to the following dates:
