Trailers and Recreational Vehicle Parking/Storage is highlighted on page 59 of the Key Issues Guide. Alternatively, the Key Issues Guide is available in hard copy at City Hall and City Library and can be downloaded at <http://www.GoletaZoning.com>.

The topic of Trailers and Recreation Vehicle Parking/Storage was originally discussed at the Planning Commission Workshop on April 8, 2019 (Workshop #5) where it was suggested to continue the topic to a future meeting in order to give concerned and impacted members of the public additional time and opportunity to review the proposed changes and provide feedback. The staff report, staff presentation, and video recording of that workshop can be reviewed at <http://www.goletazoning.com/meetings---workshops.html>.

Time permitting, staff will also discuss Planning Commission-requested follow-up items. Topics for discussion include Part II base district development standards (including setbacks and transitional standards) and day care facilities (including child care). Additional topics will be presented on May 9, 2019 (Workshop #9).
