SUBJECT: Public Hearing for a Street Lighting Benefit Assessment for Fiscal Year 2019/20

RECOMMENDATION:

- A. Receive and file the final FY 2019/20 Engineer's Report for Street Lighting Benefit Assessment.
- B. Adopt Resolution No. 19-__ entitled "A Resolution of the City Council of the City of Goleta, California, Establishing an Assessment Charge for the City of Goleta Street Lighting Benefit Assessment for Fiscal Year 2019/20."

BACKGROUND:

The County of Santa Barbara established County Service Area No. 3 (CSA 3) in 1962 to install, operate and maintain street lights in areas throughout the Goleta Valley. Upon incorporation, the City of Goleta became successor to the County for the part of CSA within the City limits. The City's street light costs (energy and maintenance) are funded through a benefit assessment.

According to the resolution which created the CSA 3 benefit assessment district, each parcel was assigned a "benefit factor" based on use. The benefit factor is multiplied by a \$24 base fee to arrive at the per parcel fee. The benefit factors are as follows:

Description	Factor
Vacant Farm Land	0.5
Residential (single and condos)	1.0
Residential (duplex, triplex)	3.0
Apartments (courts)	6.0
Heavy Commercial	9.0
Light Commercial	3.0
Industrial	6.0
Churches, miscellaneous, other	2.0
Government exempt	0.0

Fiscal Year 2002/03 was the first full year that the City of Goleta operated and maintained the street lights for the portion of the CSA assessment district located within the City. On July 22, 2002, the City Council established the FY 2002/03 Street Lighting Benefit Assessments by confirming the existing assessments.

No Consumer Price Index (CPI) adjustment factor or other escalator is provided in the Street Lighting Assessment; therefore, the amount levied each year does not automatically change with fluctuations in cost indices.

The process to set the annual Street Lighting Benefit Assessment rates is two-fold: 1) adopt a resolution setting a public hearing, file a draft Engineer's Report, and publish a Notice of Public Hearing; and 2) hold a public hearing and adopt a second resolution to levy the assessment for the new fiscal year, including approving the final Engineer's Report. The Engineer's Report contains support for the rates to be charged for each parcel, and is also received and filed with the City Clerk upon approval of the second resolution.

At the regular Council meeting on June 18, 2019, City Council adopted Resolution No. 19-34 that declared the City's intent to levy and collect assessments within the Goleta Street Lighting Assessment District for FY 2019/20, and set a public hearing date for July 16, 2019. A Notice of Public Hearing (Attachment 2) was published in the Santa Barbara Independent on June 27th and July 3rd, 2019. At the June 18th meeting, Council also authorized the City Manager to enter into an agreement with the County Auditor-Controller for the County's collection of special assessments.

The purpose of this hearing on July 16, 2019, is to allow an opportunity for any member of the public to protest or comment on the assessment before Council adopts the proposed resolution that will formally levy the assessment on all parcels located within the part of CSA 3 within City limits for FY 2019/20.

DISCUSSION:

The action before Council is to hold a public hearing and adopt a resolution to levy a Street Lighting Assessment for Fiscal Year 2019/20 (Attachment 1).

The Engineer's Report (Attachment 3) contains a description of services funded by the street lighting assessment proceeds, including a listing of the parcels receiving the service and the amount of the charge for each parcel for FY 2019/20, based upon the County's preliminary assessment rolls. The Engineer's Report determines that the amount of the assessment does not exceed the benefit conveyed on the property. The preliminary assessment roll and final Engineer's Report will be filed with the City Clerk upon City Council approval and available in the City Clerk's Office for review by the public.

The proposed street lighting assessments for FY 2019/20 are listed by land use-type below. The assessments are charged per parcel based on the land use type benefit factor. For example, a parcel with an apartment land use designation would have a

benefit factor of 6.0, which, when multiplied by the assessment amount, would receive an assessment charge of \$144 ($6.0 \times \$24 = \144). Once assessments are received, they will be deposited into the Street Lighting Fund.

Land Use	FY 2019/20 Assessment	Number of Parcels	Assessment Totals
Residential			
Single Family	\$ 24.00	5,733	\$ 137,592
Condominium	\$ 24.00	2,567	\$ 61,608
Duplex/Triplex	\$ 72.00	173	\$ 12,456
Apartments	\$ 144.00	193	\$ 27,792
Commercial			\$ -
Heavy	\$ 216.00	17	\$ 3,672
Light	\$ 72.00	384	\$ 27,648
Industrial	\$ 144.00	227	\$ 32,688
Churches/Misc	\$ 48.00	25	\$ 1,200
Farm/Vacant	\$ 12.00	228	\$ 2,736
Exempt	\$ -	555	\$ -
TOTAL PARCELS		10,102	
TOTAL PARCELS LEVIED		9,547	\$ 307,392

The resolution proposed for adoption (Attachment 1) will formally levy the rates shown in this table on all parcels within the City's portion of CSA 3 through June 30, 2020.

As in the past, the County is requesting that the City execute an agreement for the County's collection of assessments, which was authorized by City Council at the June 18, 2019 City Council meeting. A draft of the agreement is included as Attachment 4 and will be executed upon conclusion of the public hearing. As stated in the agreement, fees and charges for the collection of special assessments remain at \$1.00 per parcel per assessment.

FISCAL IMPACTS:

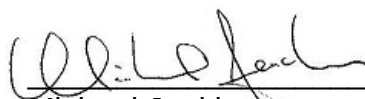

The adopted FY 2019/20 Street Lighting expenditure budget equals \$285,500. The total street lighting revenue projected to be received by the City is \$307,392. The street lighting fund (Fund 502) is estimated to have a beginning balance of \$22,229 and an ending balance of \$24,729 for FY 2019/20. The County of Santa Barbara's \$1.00 per parcel administrative fee will be collected from the property owner via the tax collections separately from the assessment.

INTRODUCTION

The Street Lighting Benefit Assessment was created by the County to provide better levels of service for the on-going operation, maintenance, and servicing of street lighting. The City Council assumed responsibility of the Street Lighting Benefit Assessment District from the County of Santa Barbara on Feb. 1, 2002. The Street Lighting Benefit Assessment District ensures a fair and equitable levying of the necessary costs of operating, servicing and maintaining of the facilities, which in turn directly enhances the value of each and every parcel in the City. The City's street light costs (energy and maintenance) are funded through the benefit assessments.

Fiscal Year 2002/03 was the first full year that the City of Goleta operated and maintained the street lights within the City. Prior to the incorporation of the City of Goleta, the County of Santa Barbara established County Service Area No. 3 (CSA 3) in 1962 to install, operate and maintain street lights in areas throughout the County. Upon incorporation, the City of Goleta became successor to the County for the part of CSA 3 within the City limits. Thereafter, on July 22, 2002, the City Council established the FY 2002-03 Street Lighting Benefit Assessments by confirming the existing assessments.

ANNUAL PROCEEDINGS

The annual proceedings for the Street Lighting Benefit Assessment District are conducted in accordance with provisions of the Government Code.

Proposition 218 (Prop. 218) "The Right to Vote on Taxes Act", approved by the voters of the State of California in 1996, limits the authority of local governments to impose taxes and property-related assessments, fees and charges without a vote of the citizens that will be taxed. Any proposed increase to the Street Lighting Benefit Assessment would require a vote in accordance with Prop. 218.

DESCRIPTION OF THE ASSESSMENT BOUNDARIES

The boundaries of the District are coterminous with the boundaries of the City of Goleta. A diagram showing the exterior boundaries of the District and the lines and dimensions of each lot or parcel of land within the District is on file in the Office of the City Clerk and incorporated herein by reference.

The lines and dimensions of each lot or parcel within the District are those lines and dimensions shown on the maps of the Assessor of the County of Santa Barbara for the fiscal year to which this report applies. The Assessor's maps and records are incorporated by reference herein and made part of this report.

DESCRIPTION OF SERVICES AND ESTIMATE OF COSTS

DESCRIPTION OF SERVICES

Property values in a community are individually increased when public infrastructure such as street lights are in place, improved, operable, safe, clean and maintained. The proper functioning of street lighting is imperative for the welfare and safety of the public and property throughout the City. Proper maintenance and servicing of the street lighting system benefits properties within the District by providing proper illumination for ingress and egress and safe traveling at night. Proper operation of the street light system is imperative to public convenience and safety. Improved security, protection of property from crime and vandalism, and reduction of traffic accidents are special and direct benefits to all properties within the City; lighting benefits are directly related to public safety and property protection and therefore increase property values.

The District will fund costs in connection with the District maintenance and servicing including, but not limited to, personnel, electrical energy, materials, contracting services, and other expenses necessary for the satisfactory operation of these facilities. The improvements are described as follows:

Lighting and Appurtenant Facilities

Facilities include but are not limited to: Poles, fixtures, bulbs, conduits, conductors, equipment including guys, anchors, posts and pedestals, metering devices and appurtenant facilities as required to provide lighting in public street and sidewalk rights-of-way and dedicated easements within the boundaries of said Assessment District.

ESTIMATE OF COSTS

The adopted Fiscal Year 2019/20 expenditure budget includes \$285,500. Total street lighting assessment to be received by the City:

FUNDING SOURCE	AMOUNT
Street Lighting Assessment	\$307,392

DESCRIPTION OF THE ASSESSMENT

GENERAL

The Government Code permits certain parcels to be exempt from assessment. Excepted from these assessments are areas of all publicly owned property such as: public streets, public avenues, public lanes, public roads, public drives, public

courts, public alleys, all public easements and rights-of-way, all public parks, green belts and parkways, and all public property being used for public purposes, as well as utility owned property.

All parcels in the City of Goleta derive special benefit from the street lighting system. Special benefits that are received by all parcels in the City are considered Citywide Benefits, and the associated costs of these benefits are spread equally, based on land use, to all assessable parcels within the District. The assessment does not exceed the value of the benefit received by the assessable parcels.

ASSESSMENT SUMMARY

The following information was obtained from the Santa Barbara County Assessor's Roll and the City of Goleta. The table below shows the proposed assessment rates for FY 2019/20 for each land use, the number of parcels per land use, and the total revenue generated for each land use.

ANNUAL CERTIFICATION OF DIRECT CHARGES
FISCAL YEAR 2019-20

As agreed by the City Council of the City of Goleta, hereinafter referred to as “Public Agency”, and Santa Barbara County, hereinafter referred to as “County”, the Public Agency hereby certifies that the Direct Charges (encompassing non-ad valorem special taxes, assessments, fees & service charges, and/or abatements) listed below, to be placed on the County’s Secured Property Tax bills by the Public Agency, meet the requirements of Proposition 218 that added Articles XIIIC and XIID to the State Constitution.

The Public Agency agrees to defend, indemnify and hold harmless the County, the Board of Supervisors, the Auditor-Controller, its officers and employees, from litigation over whether the requirements of Proposition 218 were met with respect to such Direct Charges.

If any judgment is entered against any indemnified party as a result of not meeting the requirements of Proposition 218 for such Direct Charges, the Public Agency agrees that the County may offset the amount of any judgment paid by an indemnified party from any monies collected by the County on the behalf of the Public Agency, including property taxes and Direct Charges.
