TO: Chair and Members of the Parks and Recreation Commission

SUBJECT: Proposed 2020 Presentation Schedule

RECOMMENDATION:

Support staff's proposed scheduling of organizations providing presentations to the Parks and Recreation Commission for 2020.

BACKGROUND:

Historically, the Parks and Recreation Commission has received presentations from various organizations in the community that provide services related to Parks, Recreation and Open Space. These informative presentations are designed to assist the Parks and Recreation Commissioners and the community with the knowledge of services and facilities available to the residents of Goleta.

The schedule below has a focus on the organizations that have some level of City of Goleta involvement, either by the operation of a City facility and/or through funding support. The exception would be the introduction of the City's new Open Space Manager who is scheduled to come before the Commission in April and provide and update on our open spaces in Goleta.

August 5 th	South Coast Railroad Museum	Programs, Events, Operations
October 7 th	Fairview Gardens	Programs, Events, Operations
