RE: Agenda Item B.2 Regional Preparedness and Response to COVID-19

Dear Mayor and Councilmembers:

I am writing in regard to Item B.2 to be discussed at tonight's meeting. I strongly urge Council to do everything you can to adopt measures that would prevent the spread of COVID-19. Doing so is a symbol of strength and bravery in this moment of history, and would indicate that Goleta is ahead of the curve in terms of protecting its citizens and businesses.

Also, a temporary anti-eviction ordinance would at the very least give Goleta tenants the peace of mind that they don't have to change their living situation or their livelihood during this tumultuous time. Please consider this if it comes before you in the future.

Thank you for your consideration and we look forward to the community discussion surrounding this issue.

Warmest regards,

Michael Iza, M.S., Goleta Resident
