

**Agenda Item A.1**  
**DISCUSSION/ACTION ITEM**  
**Meeting Date: September 14, 2020**

---

**TO:** Mayor and Councilmembers

**FROM:** Deborah S. Lopez, City Clerk

**SUBJECT:** Interviews of the Parks and Recreation Commission

**RECOMMENDATION:**

- A. Conduct candidate interviews for the Parks and Recreation Commission; and
- B. Select two Parks and Recreation Commissioners: one to fulfill the remainder of a term ending February 1, 2021 and one Student Commissioner with a term ending October 6, 2021.

**BACKGROUND:**

The Parks and Recreation Commission is a seven-member body with responsibility to provide citizens a platform to discuss the needs, opportunities and current offerings of parks and recreation activities in the City. Each Parks and Recreation commissioner is appointed by the City Council on an at large basis.

On July 31, 2020, Anthony Ramos submitted his resignation from the Parks and Recreation Commission. Nora Kelly (Student Member) also notified staff that she would not be reapplying to the Parks and Recreation Commission. Accordingly, there is an opportunity for two commissioners to be appointed by the Mayor (one regular member and one student member).

**DISCUSSION:**

Staff published requests for candidate applications on the City website, in the Monarch Press, on Channel 19, in the local adjudicated newspaper, on Facebook, in GovDelivery Bulletins, on Twitter, and through postings at various locations throughout the City.

The City Clerk's office received applications from Victor Birtalan, C Edward Holdren, Lee Ann Palmer, Steve Greig, Danny Azar, Gareth Kelly, Lesa Mann, La Risa Chambers, Victoria Ballmes, Hopi Mundell and Scott Kornahrens for the regular Parks and Recreation Commission vacancy.

The City Clerk's office also received applications from Kyle Yao, Logan Bryce, Thomas Radjuko, and Jonika Ronkainen for the student Parks and Recreation Commission vacancy.

Staff has confirmed interview times for these applicants.

This agenda item allows the City Council the opportunity to conduct interviews for the Parks and Recreation Commission, and to select two nominees for appointment by the Mayor to the Commission. Following the Council's selection, ratification of the Mayor's appointments will come before the City Council on October 6, 2020.

#### **FISCAL IMPACTS:**

There is no direct fiscal impact associated with interviewing candidates for the Parks and Recreation Commission.

## Interests & Experiences

Question applies to multiple boards

**Why are you interested in serving on a board, commission or committee?**

---

I am a regular park user, encouraged by new park in Goleta and would like to help with the community. I am a birdwatcher, gardener, have served on committees at work in the past and found it rewarding. I believe the Goleta staff do a great job but they are super busy. Our community is growing and parks and open spaces are key for people to get out and enjoy this beautiful community.

Question applies to multiple boards

**Describe your qualifications, experience, and education, and list any technical or professional requirements you have relative to the duties of the board, commission or committee to which you are applying.**

---

I have taken multiple courses at the SB Botanic garden in the past on native plants, irrigation, garden planning, pruning etc. I landscaped the front of my church and serve neighbors as a plant resource. I am a retired RN and believe that outdoor activities are vital to the health and well being of our community. I have served at both church and my former employers on various committees and enjoyed problem solving with others.

Question applies to multiple boards

**What are your goals in serving on the board, commission, or committee to which you are applying?**

---

My goals would be to encourage park users to use our amazing spaces. I would like to see the splash pad built at the new Joni Wallis park as well as another one or two as the weather is hotter each year. I would also like to help set up various clean up days for different parks where the community could participate. Finally I would hope to ensure that our spaces remain accessible and open for all users as well as wildlife. If possible I would improve signage at parks and open spaces as there is a lack of consistency in some areas. And there are no signs in Spanish???

Question applies to multiple boards

**What civic and/or volunteer activities have you participated in? You may include past or present activities.**

---

I am currently participating in the summer lunch program at Isla Vista School. I worked with the AARP tax volunteer program this year until it was shut down due to Covid. I currently have several areas where I pick up trash at including Cathedral Oaks from Los Carneros to Glen Annie, Lake Los Carneros, Fairview from Hollister to Goleta beach (just started that), and Calle Real from Los Carneros to Fairview and the San Marcos Open Space parking area. I found as an Elder at church as well as in my prior job, if you start something that makes people feel good, they will join in.

Question applies to Parks and Recreation Commission

**List your relevant experience as it relates to your experience in parks and recreation activities.**

---

I have notified the city of dumping of trash and needs at Lake Los Carneros and other open space areas many times.

I enjoyed serving as a commissioner in Visalia and learned so much (there is a lot to learn!). I know the value of parks and recreation to a community and want to be part of the ongoing effort to keep the priorities of the P & R Commission well represented to the City Council.

Question applies to multiple boards

**What are your goals in serving on the board, commission, or committee to which you are applying?**

---

Goleta is great with a great park system! My husband is from Goleta, and his extended family has lived here for 55 years. I don't know a lot about your recreation programs, but I bet they are top notch. We now live here and want to see this tradition of outdoor spaces/rec programs continue! I, like probably all citizens of Goleta, value parks and recreations programs! I would like to learn from you and I would hope that some of my training and experience from the Visalia Commission would be helpful to the work of the Goleta Commission as well. I believe I would work well with other commission members and am confident I would share the load of responsibilities a commission carries. I realize the variety of groups that report to the City Council and would do my part to the study and complete the thorough analysis needed and, along with my fellow commissioners, give them our very best recommendations.

## Interests & Experiences

Question applies to multiple boards

**Why are you interested in serving on a board, commission or committee?**

---

Civic engagement and community are both very important to me. I like participating in the process of government and taking time out of my schedule to try to be an active and engaged citizen. I work as a poll worker at every election that I am able to, I volunteer to be on various governance committees at my university and at my job, and I have devoted significant time and effort in volunteer work helping my community. Now that my job has a regional rather than local focus, I am looking for other ways to become involved in my local community.

Question applies to multiple boards

**Describe your qualifications, experience, and education, and list any technical or professional requirements you have relative to the duties of the board, commission or committee to which you are applying.**

---

I have a BA in Art History and Religious Studies with a minor in Anthropology from UCSB (2005), a Master's degree in Theological Studies from Harvard Divinity School (2007), and I am currently finishing up a doctorate in Religious Studies (History of Religion) from UCSB (anticipated 2021). I have taught at the university level as a Teaching Assistant and Teaching Associate (Instructor of Record) since 2008; I designed and taught 6 courses as the sole instructor and served as a TA for an additional 18 courses in a variety of departments including the Writing Program, Environmental Studies, Chicana/o Studies, Classics, and Religious Studies. In addition, I have worked as a project manager and volunteer supervisor overseeing all Mass Care, Individual Disaster Care, Recovery, Disaster Action Team, and Disability Integration activities in an 11-county region at the Red Cross since March 2018. I have experience in working on committees and in collaborating with others to accomplish goals. For example, I am the Religious Studies department representative for the Graduate Student Association at UCSB, where I represent my fellow students at monthly meetings and vote on issues that are brought to the group or raised by the executive board. I was also the campus' graduate student representative on the 2018-2020 Chancellor's Advisory Committee on the Status of Women, which met monthly to hear reports from subcommittees, met with various agencies and members of the UC and campus community on issues that affect women on campus, and ultimately prepared a comprehensive report on the status of previous issues and new recommendations for Chancellor Yang.

Question applies to multiple boards

**What are your goals in serving on the board, commission, or committee to which you are applying?**

---

My goal is to become more involved in the community of Goleta and play an active role in helping to make Goleta an even better place to live and work. In the past I have been able to work quite a bit with the county of Santa Barbara through my role as Sheltering and Mass Care Lead for the Red Cross; I would like to become more involved in Goleta in particular and put my efforts towards bettering the community in which I have lived for the past decade. Goleta is a special place with a lot of beautiful parks and recreation spaces, and I would like to become more knowledgeable about how the process of local government works and about how Goleta is developing and changing.

Question applies to multiple boards

**What civic and/or volunteer activities have you participated in? You may include past or present activities.**

---

I began volunteering with the Red Cross at the age of 13 when I joined a joint Red Cross-UN Coalition on Banning Landmines and helped to raise \$41,000 to remove landmines from a schoolyard in Sarajevo. I also founded the Santa Cruz County American Red Cross Youth Committee. In high school I was involved in a number of volunteer groups including being the president of the Interact Club. In college I joined the Red Cross Club and Students Stopping Rape. After I graduated from college I joined Soroptimist International of Capitola-By-The-Sea and volunteered with Habitat for Humanity and the American Red Cross. I moved to Santa Barbara in Fall 2008 to begin my doctoral program and joined the local chapter of the Red Cross in Spring 2009. I became the Sheltering Lead for Santa Barbara County in 2009 and over the next decade I took on increasing responsibility at the Red Cross until they hired me in March 2018 to oversee Direct Services for our 11-county region. I am also an active member of my synagogue and I have been my department's representative for the Graduate Student Association for the past two years.

Question applies to Parks and Recreation Commission

**List your relevant experience as it relates to your experience in parks and recreation activities.**

---

I don't have specific experience with parks and recreation activities, though I have taken advantage of various public parks and spaces in the city as a resident. I also worked with representatives of various parks and recreation buildings and spaces throughout the county in my volunteer role as the Red Cross Sheltering Lead for the county in both readiness and disaster-related activities.

Question applies to multiple boards

**Have you obtained any memberships in professional organizations?**

---

My memberships in professional organizations are for organizations related to my academic work (in addition to working for the Red Cross, I am also completing a doctorate in Religious Studies at UCSB), namely the American Academy of Religion and the Society of Biblical Literature.

---

I have participated in many of the parks and recreation summer camps and volunteer opportunities provided by the parks and recreation facilities. I have also participated in two Eagle projects that involved refurbishing local parks and live only a block away from a small but valued park. Finally, I am an outdoors and hands on centered person so parks and rec activities seems to suit these qualities the most.

I've participated in numerous activities which utilize the city's parks like the USYVL (United States Youth Volleyball League) held at Girsh Park. I also attended multiple camps at the Page Youth Center. My family has moved within the city several times so I've become acquainted with many of the city's lesser known pocket-parks, some of the city's hidden treasures.
