

# DIRECTOR'S REPORT

---

**OCTOBER 5, 2020**

**LIBRARY ADVISORY COMMISSION**

**PRESENTED BY: ALLISON GRAY, LIBRARY DIRECTOR**

# STATISTICS

---

❖ Circulated 66,629 items in March-July

❖ No more interlibrary lending of materials since March. None planned until next year, most likely, due to halving of Black Gold's budget from the State. Therefore, patrons can only request items from Goleta, Buellton or Solvang.

# LIBRARY BASICS

---

- ❖ Library closed in early April due to City of Goleta's Shelter at Home directive to all staff.
- ❖ Library staff only allowed in building to pick up Craft Kits to mail from the United States Post Office.
- ❖ Building was deep-cleaned regularly between April and June 1<sup>st</sup> when staff was allowed back in the building.
- ❖ No returns allowed during this time period.
- ❖ Sidewalk Service commenced.
- ❖ Eventually Sidewalk Service hours became Wednesday through Saturday from 11:00 am to 5:00 pm

# CRAFT KITS FOR KIDS

---

- While sheltering at home, staff focused on creating Craft Kits for children since programming at the Library was no longer possible.
- Friends of the Goleta Valley Library helped defray some of the postage costs.
- Anonymous donor gave \$1,000 to purchase craft kits.
- All kits had Spanish translations of instructions.
- Kits put in individual baggies and separated by age group for ease of selection for sending out.
- Staff also created craft kits using recyclable materials.
- Over 1,400 children signed up for program.
- 3990 kits were given out May-August
- After Sidewalk Service began, we no longer mailed craft kits out; parents come pick them up at the Library.

CITY OF GOLETA

HOLDS

CALL US TO PICK UP

(805) 964-7878

If you have items on hold, they are ready to pick up. The library will call you when they are ready. (Call your library card number) and we will call you back to your library. We will call you back to your library.

# SIDEWALK SERVICE

---

- ❖ Sidewalk Service began June 1.
- ❖ Patrons must place holds on the items they would like to check out from Goleta, Buellton and Solvang. We are doing shipment between the 3 branches 2 times a week.
- ❖ After receiving notification that their items are waiting for them, they come to the Library during set hours and text or call staff. There is a “concierge” staff person outside who helps with questions, etc. Staff inside pull the holds, check them out and put them in paper bags with the person’s name on them. They bring them to a table outside that blocks entry to the Library lobby, call the person’s name. One person at a time can go up to the table to pick up their items as we are practicing social distancing. No one gets service if they are not wearing a mask.

# COVID-19

## CORONAVIRUS

# **COVID'S IMPACT ON IV GRANT**

- Initial check for \$100,000 not received from the State until September 2, so grant timeline is well behind schedule.
- Next step is to get City Council to accept the grant money.
- Then we will purchase the vehicle and start ordering Little Libraries.
- Due to COVID and the fact that we are doing contactless service at the Library, we are studying what services we can safely offer in Isla Vista during the high alert COVID period. It may be that we do a form of Sidewalk Service where we drop off people's holds to specific locations while minimizing contact, especially if people in Isla Vista are neither wearing masks nor practicing social distancing.

A group of eight people, four men and four women, are standing behind a stone wall. They are all smiling and looking towards the camera. The wall is made of light-colored stone blocks. On the wall, there is a large, rectangular, light-colored stone plaque with the text "GOLETA VALLEY PUBLIC LIBRARY" in large, bold, serif capital letters. Below this, in smaller, bold, serif capital letters, is "CITY OF GOLETA". To the right of the plaque, there is a large, yellow, stylized hashtag symbol (#) mounted on the wall. In the background, there is a building with a green roof and a yellow wall. There are also some trees and hills in the distance under a blue sky with some clouds.

**GOLETA VALLEY**  
**PUBLIC LIBRARY**  
**CITY OF GOLETA**

# WHEN WILL LIBRARY OPEN?

---

- ❖ We do not yet have a set date on which we plan to open. Right now libraries could open at 25% capacity but there are a great many problems with that approach. We just cannot see how it could work while being safe for everyone involved.
- ❖ We are working cooperatively with the Santa Barbara Library System in terms of reopening dates.
- ❖ The OCLC and CDC are still conducting studies on COVID's lasting presence on library materials and as of this date, recommend quarantining all returns for a minimum of 6 days. We do it for 7. At the beginning of their tests they recommended 2 days but we operated under an excess of caution and chose 7 days, a decision with which we are now very happy with.
